(Cup games not included)

# Lifetime Achievement Award

Is awarded to  
**Jan Griffiths of Shelton CC**

Jan has been involved in cricket for over 40 years and in that time has been a well respected presence alongside her husband Steve at Shelton CC. However her work in the game goes beyond just that of cricket wife, she has been a major player in not only keeping Shelton CC going for many years when its very existence was under threat, but being one of a team of willing volunteers who has seen the club re-emerge as a force in Shropshire cricket, with it's incredible success in 2019 and it's excellent new pavilion.

Over the years Jan has performed all manor of jobs including Secretary, Treasurer, Welfare Officer, Tea lady, Scorer, Coach, Vice chairman, and now Joint chairman. She has more recently held important administrative roles for the Shropshire Cricket Board.

It's a cliché to say every club needs someone like Jan, but in truth not all clubs are that lucky. She will no doubt continue to be a presence from the side-lines for many years to come, supporting her sons Sam and Ross and grandson Max.
