## FOREWORD

I am pleased to be able to introduce our League Handbook for 1982. The lack of a similar publication in 1981 was a sad omission which hopefully will not occur again.

We have tried to include in the Handbook everything that it is necessary to know for 1982 - rules, fixtures, names and telephone numbers - as well as recording the events of 1981 in as much detail as possible in the available space. However, if anyone does have any ideas of items for inclusion in future editions, we will be glad to consider them.

Finally, I would like to thank those who have made this publication possible; our advertisers, the clubs who introduced them to us, those clubs who have made donations towards the cost, and the Handbook Sub-committee, particularly Glyn Brace, for putting it all together.

Chairman

OBJECT: To promote the best interests of cricket in Shropshire and  
to foster and develop amateur talent in the game.

#### 1. MEMBERSHIP

- The League shall consist of a number of Divisions, the composition of which shall be decided by the Executive Committee, but the size of any division shall not exceed 12 teams.

- Clubs desiring admission to the League must apply in writing to the League Secretary not later than the third Saturday in July of the year preceding that in which they wish to take part.
- Clubs wishing to resign from the League shall give notice in writing to the League Secretary before 31st October in the preceding year.
- The Executive Committee reserves the right to ask any Club to resign if in its opinion the general conduct or appointments of such Club do not satisfy the requirements of the League. In the event of any complaint against a member Club, that Club shall receive 14 days prior notice of the Committee's intention to hear that complaint and will be invited to send representatives to attend that part of the meeting hearing the complaint. This action shall be in addition to any steps taken under "Rules for the Conduct of Matches".
- Any Club ceasing to be a member of the League shall at once forfeit any rights of participation in the assets of the League.

#### 2. FINANCE

- The subscription from each Club shall be £10 per team per annum to be paid not later than 1st May in any year. Clubs not paying their subscriptions by the due date may be charged an extra £1 penalty for every month or part of a month they are in arrears.
- If the income from subscriptions is insufficient to meet League requirements, a further levy may be made on each Club.
- The funds of the League shall be dealt with by and through an account with a Bank in the name of the League. Cheques may be drawn on two signatures. The Chairman, League Secretary and Hon. Treasurer shall be authorised signatories.
- The financial year shall end on 30th September after which the accounts shall be audited by an Hon. Auditor who shall be elected at the Annual General Meeting.

3. OFFICERS

- (a) Officers of the League shall consist of the President, Chairman, Vice-Chairman, Hon. Treasurer, Hon. Auditor, Hon. Secretary and Hon. Fixture Secretary, all of whom, with the exception of the President, shall be elected at the Annual General Meeting. The President shall be elected by the Executive Committee.
- (b) Hon. Life Members shall be elected by the Executive Committee in recognition of past services to the League and shall be entitled to attend meetings of the Executive Committee.

4. EXECUTIVE COMMITTEE

- (a) The League shall be governed by an Executive Committee consisting of the officers named in 3 (a) above, ten representatives of Clubs in the First Division and nine representatives from all other divisions.
- (b) Not more than two representatives from any one Club shall serve on this committee, with the exception of the officers named in 3 (a) above.
- (c) Nine members shall form a quorum.
- (d) At least seven days notice of meetings shall be given.
- (e) The Executive Committee may appoint such sub-committees as they may from time to time consider necessary.
- (f) A Management Committee shall be formally appointed by the Executive Committee with full power to deal with any matters or issues which may arise and which are not covered by or need adjudication under these rules.
- (g) The Chairman or in his absence the Vice-Chairman, or if both are absent a deputy appointed by the Committee shall preside at all Executive Committee Meetings and shall have a casting vote.
- (h) The decision of the Executive Committee shall be final.
- (i) The Executive Committee shall have power to co-opt.
- (j) Members shall be elected to the Committee for a period of three years after which time they will retire and, if willing, offer themselves for re-election.
- (k) Executive Committee Members should register an attendance figure of at least 50%. Apologies will only be accepted if tendered three days before a meeting with illness as the only legitimate reason for non-attendance. Members failing to reach the 50% attendance level are liable to expulsion.

5. ANNUAL GENERAL MEETING

- (a) The Annual General Meeting shall be held in November each year.
- (b) Nominations for officers and members of the Executive Committee must be received by the League Secretary not later than seven clear days before the date of the Annual General Meeting.
- (c) Proposals for alterations to this Constitution must have a two-thirds majority and can only be considered at an Annual General Meeting or at a Special General Meeting.

- (d) Twenty-eight clear days notice of the Annual General Meeting, which will include nominations of officers and members to the Executive Committee and proposals for alterations to this constitution, shall be given to each Club.
- (e) Not more than one representative of each member club will be entitled to vote at the Annual General Meeting. The Chairman shall have the casting vote.

- (c) Clubs will be informed of dates on which a League representative XI may be required. On such notified dates the League will expect their requirements to take preference over any club requirement.

## RULES AND PLAYING ARRANGEMENTS

### 1. GENERAL

The Rules and Arrangements set out below will apply to all Divisions of the Shropshire League from 1st April, 1982, and will continue until officially amended on the authority of the Executive Committee of the League.

### 2. QUALIFICATION OF PLAYERS

(a) No player shall be brought in from an outside League to play in the Shropshire League during the playing season without first obtaining the written consent of the Constitution Committee of the League.

(b) A list of playing members for the coming season, from whom teams for the season will be selected, must be submitted to the League Secretary no later than the date of commencement of that season.

Any new players must also be registered with the League Secretary.

(c) Any bona fide member of a club may take part in League matches provided that:

(i) after transferring from another club in this League he has applied for and obtained the sanction of the Constitution Committee to represent his new Club. Such applications must be received four clear days before his first match with his new club and must be accompanied by a letter from the Secretary of his old club confirming that he has fulfilled his obligations to that Club.

(ii) if he has played in 12 or more first team matches, he shall not be allowed to play in any of the last three matches in a lower division or in a second team match without the approval of the Constitution Committee.

### 3. RULES FOR THE CONDUCT OF ALL MATCHES

(a) The twelve clubs in the First Division shall each run a team in the Reserve Division thereof. There shall also be other Divisions. All teams shall play each other on a home and away basis, fixtures being arranged by the League Fixture Secretary between mid-April and mid-September. All fixtures shall take place on a Saturday unless clubs are desirous of re-arranging a fixture after they have been published. In this case BOTH clubs must give written notice to the League Secretary not less than ten days before the date of the proposed alteration and must be granted permission before carrying out any change. Any infringement of this rule will result in the match being declared void.

(b) Matches shall be played in accordance with the LAWS of CRICKET subject to such specific points as are hereinafter stipulated.

### 4. HOURS AND CONDITIONS OF PLAY

(a) All matches shall commence at 2.00 p.m. except in September when all matches shall commence at 1.30 p.m.

(b) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time. In the event of a team not being able to comply, the opposing team may, if it so wishes, exercise the right to claim the toss.

(c) The duration of play shall be limited to 100 six-ball overs in April, May, June, July and August with an interval of 20 minutes for tea between innings. In September the duration of play will be 90 six-ball overs with an interval of 20 minutes for tea between innings, but:-

(i) The side batting first shall receive not more than 50 overs in April, May, June, July and August and not more than 45 overs in September.

(ii) The other side shall, in addition to its 45 or 50 overs, utilise the balance, if any, of that same quota not used by the side batting first. In this case, any odd balls bowled shall constitute a complete over.

(iii) In conjunction with the scorers, the Umpires shall ensure that the recording of overs is correctly made and adequately displayed.

Before the first ball of the last over of each innings, the Umpires shall call 'last over' clearly so that both sides understand.

(iv) Captains may agree to reduce the overs before the toss takes place if in their opinion the weather conditions so indicate. The minimum number of overs to constitute a match to be forty.

### 5. LATE START

No match shall start after 5.00 p.m., and if the start is delayed the Captains shall decide on a proportionate number of overs for play in relation to the finishing times stipulated in Rule 6. The minimum number of overs to constitute a match to be forty.

### 6. INTERRUPTION OF PLAY

(a) In the event of interference by weather, light or unforeseen circumstances amounting to 30 minutes or more during the course of a game, play shall cease at 8.00 p.m. during the months of April to August inclusive with a minimum of 20 overs being bowled from 7.00 p.m. or on completion of the number of overs that constitute that particular match. In September, play

shall cease at 7.30 p.m. with a minimum of 20 overs being bowled from 6.30 p.m. or on completion of the number of overs that constitute that particular match.

The time lost is to be noted by the umpires and allowed for in the calculation of the over rate.

- (b) If, at the scheduled finishing times in (a) above, the side batting second still occupy the crease, and have received at least as many overs as the side batting first, then the game shall be a draw and the points allocated in accordance with Rule 7.
- (c) If the side batting second do not receive as many overs as the side batting first then the game shall be abandoned.
- (d) If a bowler is incapacitated during an over, that over shall be completed by any member of the fielding side other than he who bowled the previous over.

#### 7. ALLOCATION OF POINTS

WIN	6 points to the winning side.
TIE	3 points to each side only when scores are equal and the team batting second are all out or have used their allocation of overs (Subject to Rule 6 (b) and 6 (c))
NOT STARTED	1 point to each side
ABANDONED	1 point to each side
DRAW	4 points to the side scoring the greater number of runs and 1 point to the other side.

When the agreed number of overs have been bowled without a definite result having been achieved. (Subject to Rule 6 (b) and 6 (c)).

**OVER RATE** Overs are required to be bowled at 18 per Hour and each club's rate will be reviewed halfway through the season and again at the end of the season.

At each review any club which has not attained an average over rate of 18 per hour will have 6 points deducted from their accumulation of points to date.

The rate for the first innings will be taken from 2.00 p.m. and the second innings from 20 minutes after the completion of the first innings.

N.B. This Rule applies in all Divisions.

#### 8. THE BALL

Two new balls purchased through the League shall be used in all First Division games. In Reserve and Other Divisions, a new ball need not be provided for every match but the ball to be used shall be in good condition and of good quality. This shall be submitted to and approved by the Captains before the toss.

#### 9. QUALIFICATION OF UMPIRES

- (a) An umpire may be required to satisfy the Constitution Committee as to his competence either on appointment or at any time thereafter.
- (b) If one side provides an umpire and the other side does not provide one, that one umpire should be the official umpire for the match and should stand at the Bowler's end throughout the match.
- (c) Umpires should be responsible for noting and recording the over rate - viz. overs bowled and time taken - and will be required to note this information on the official League Score Sheet.

#### 10. PREPARATION OF PITCHES

Preparation of pitches must be in accordance with the M.C.C. Laws and Instruction. Pitches should not be watered in the 48 hour period preceding any match.

#### 11. PLAYERS CROSSING

The attention of Captains is drawn to Note 2 (b) of Law 31, whereby it is one of their duties to ensure the incoming batsman passes the outgoing one before the latter leaves the field of play.

#### 12. CANCELLATION OF MATCHES

In the event of any ground being unfit for play owing to weather or other circumstances, it shall be the responsibility of the home club to inform the visiting club of this fact. This should be carried out on the day of match not before 11.00 a.m. and not later than 12.00 p.m.

#### 13. NOTIFICATION OF RESULTS

It shall be the responsibility of the home club to send full details of the match played on the Score Sheet issued by the League which is signed by both Captains. This Score Sheet must reach the League Secretary by the first post each Thursday after the match has been played. Failure to comply with this rule will result in two points being deducted from the offending club.

#### 14. PROTEST

- (a) Any protest shall be lodged with the League Secretary in writing within four days following the match.
- (b) A copy of such protest shall be sent to the club against whom the protest is made.

- (c) Each protest is to be accompanied by a fee of £1 which shall be forfeited if the Constitution Committee deems the protest to be trivial.
- (d) The club sustaining the protest or objection shall have the points added to its total points gained, but such points not to exceed the maximum for a win. The club against whom the protest has been made to lose any points gained and to be fined the number of points equivalent to a win.
- (e) Clubs when making a protest shall state under which rule the protest is made.

15. DISPUTES

Any dispute having reference to the Laws of Cricket, shall be referred to the Cricket Council for settlement and their decision shall be final, but in all other matters the decision of the League shall be final.

## KNOCKOUT COMPETITION RULES

### 1. Object

The object of the competition is to promote an eleven-a-side evening Knock-out competition among member clubs of the League. The games will be played according to the M.C.C. Laws of Cricket (1980 Code) modified as under 3 below.

### 2. Organisation

The Shropshire League Knock-out competition shall be open to the twelve Division One clubs together with the four clubs emerging from the qualifying competition to be known as the Shropshire League Village Knock-out. This will be open to all Division Two, Three and Four Clubs (other than second and third elevens) and arranged on an area basis with one club emerging from each of four zones. These four qualifiers will also compete as semi-finalists in the Village Knock-out.

### 3. Rules

#### Law 1

- (a) Each player must be a member of the club he represents and a current Shropshire League player as defined under League rules.
- (b) A player who is a member of more than one club can play only for one club in the competition.

#### Law 3

- (a) Each club shall provide one umpire except in the case of the semi-finals when the umpires will be appointed by the Knock-out sub-committee.
- (b) Umpires should note that no appeal against the light shall be allowed after the commencement of the second innings unless both captains agree that further play is undesirable. If play is interrupted by rain after the game has commenced, either captain shall have the right to declare the match void.

#### Law 5

- (a) A new ball will not be used, but a suitable re-polished or re-varnished ball of sound quality, which is acceptable to both captains, will be used throughout the game.

#### Law 12

- (a) Excepting Finals, each side will have one innings consisting of twenty six-ball overs.
- (b) Provided that both captains agree prior to the commencement of play, the match may be contested over a lesser number of overs in the event of bad weather or a late start.
- (c) Before the toss for innings, the umpires shall acquaint themselves with the number of overs agreed upon by the two captains.

#### Law 16

- (a) The interval between each innings shall be not more than ten minutes.

#### Law 21

- (a) A match is won by the side scoring the higher number of runs in the agreed number of overs. In the event of scores being level, the side losing fewer wickets shall be declared the winner. If this is also equal the match is tied and will be replayed on the ground of the visiting team.

#### Law 22

- (a) No bowler may bowl more than five overs out of the allotted twenty. If a match of fewer overs is agreed upon, no bowler may bowl more than one quarter of the total.

### 4. Fixtures

- (a) Both Village Knock-out and League Knock-out competitions shall be pre-drawn as far as the semi-final stages and the full draw will be notified to all clubs by the preceding 1st March and printed in the League Handbook.
- (b) The matches shall be played on the ground chosen by the side drawn as the home side.
- (c) Each round of both competitions will be allocated one week within which all games shall be played. If, for any reason (other than a tie), a game is not completed during that week, the Knock-out sub-committee shall specify one date on which the match must be played.
- (d) The home side shall offer to their opponents a choice of three alternative weekday evenings within the allotted week for the match.
- (e) If the opponents are unable to accept any of the dates offered, the game shall be forfeited to the home side.
- (f) Matches shall normally commence not later than 6.30 p.m. on the day arranged. The umpires shall call play not later than 6.45 p.m. and any side refusing to play shall lose the match.

### 5. Finals

- (a) The finals of both competitions shall be played on an afternoon basis on dates to be ratified by the Knock-out sub-committee.
- (b) A neutral ground selected by the Knock-out sub-committee shall be used. In the event of no ground being available the two sides will toss a coin to decide on a venue of the winner's choosing.
- (c) The finals shall be played over two innings each side of twenty overs per innings which shall be taken alternately.
- (d) Each finalist will provide one new ball.
- (e) The Knock-out sub-committee will appoint all umpires for the finals.
- (f) The members of teams competing in finals will be presented with small trophies as mementoes of the occasion.
