## FOREWORD

As yet another cricket season dawns, I take great pleasure in once again being accorded the honour of introducing this year's Handbook. 1985 heralds a milestone for the Shropshire Cricket League. For the first time in our history, we have attracted major sponsorship with well-known local firm, Furrows, associating themselves with the League. Our Sponsorship Sub-Committee, set up only a matter of months ago, must take every credit for their swift moves in this direction. I am sure that both Furrows and the League will find our close relationship mutually beneficial.

It goes without saying that, playing-wise, our competition is now recognised as being one of the strongest amateur leagues in the country. Some may argue that despite this we have a relatively small pool of individuals to choose from when it comes to representative matches. Although there is some truth in this, I am pleased to note that the situation is improving year by year thanks to the foresight of our member clubs in encouraging the younger element. Their efforts, together with the dedication of those who spend much of their spare time coaching the youngsters will, I am certain, bear fruit in the near future.

The highlight of last season was provided by the League's representative team who, although beaten in the quarter-final of the Newcastle Bitter Shield, more than made amends by, once again, winning the Midland Club Cricket Conference Knockout in convincing style. While on this subject, may I take the opportunity of thanking the players for so readily making themselves available, sometimes at very short notice, our member clubs who hosted representative fixtures and lastly, but by no means least, Jim Davenport and Richard Tudor who have been so prominent on this front.

The costs of this Handbook are now largely covered by increased subscriptions but that does not mean that we are turning our backs on those who have advertised within its pages in the past or who may wish to do so in future. We are most grateful for your continued support. This booklet (like most other aspects of our organisation) has grown in stature year by year, a situation brought about, in no small measure, by the hard work of Glyn Brace, who spends much of the winter gathering and collating the relevant information. On behalf of all associated with the Shropshire Cricket League, may I say "many thanks, Glyn."

Finally, I would urge all member clubs to remember that you are the League and it is your response which dictates whether or not we continue to make progress. So keep up the good work in aiding the Executive Committee to maintain the standards so far achieved. With that, may I wish all connected with the Shropshire Cricket League - players, officials and spectators alike - a very happy and enjoyable 1985 season.

## RULES AND PLAYING ARRANGEMENTS

### 1. GENERAL

The Rules and Arrangements set out below will apply to all Divisions of the Shropshire League from 1st April, 1985, and will continue until officially amended on the authority of the Executive Committee of the League.

### 2. QUALIFICATION OF PLAYERS

(a) No player shall be brought in from an outside League to play in the Shropshire League during the playing season without first obtaining the written consent of the Rules Sub-Committee of the League.

(b) A list of playing members for the coming season, from whom teams for the season will be selected, must be submitted to the League Secretary no later than the date of commencement of that season. Any new players must also be registered with the League Secretary.

(c) Any bona fide member of a club may take part in League matches provided that:

(i) after transferring from another club in this League he has applied for and obtained the sanction of the Rules Sub-Committee to represent his new Club. Such applications must be received four clear days before his first match with his new club and must be accompanied by a letter from the Secretary of his old club confirming that he has fulfilled his obligations to that Club.

(ii) if he has played in 12 or more first team matches, he shall not be allowed to play in any of the last three matches in a lower division or in a second team match without the approval of the Rules Sub-Committee.

(iii) if he has played in 12 or more first or second team matches, he shall not be allowed to play in any of the last three matches in a lower division without the approval of the Rules Sub-Committee.

### 3. RULES FOR THE CONDUCT OF ALL MATCHES

(a) The twelve clubs in the First Division shall each run a team in the Reserve Division thereof. There shall also be other Divisions. All teams shall play each other on a home and away basis, fixtures being arranged by the League Fixture Secretary between mid-April and mid-September. All fixtures shall take place on a Saturday unless clubs are desirous of re-arranging a fixture after they have been published. In this case BOTH clubs must give written notice to the League Secretary not less than ten days before the date of the proposed alteration and must be granted permission before carrying out any change. Any infringement of this rule will result in the match being declared void.

(b) Matches shall be played in accordance with the LAWS of CRICKET subject to such specific points as are hereinafter stipulated.

(c) No underarm bowling will be allowed in the League.

4. HOURS AND CONDITIONS OF PLAY

(a) All matches shall commence at 2.00 p.m. except in September when all matches shall commence at 1.30 p.m.

(b) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time. In the event of a team not being able to comply, the opposing team may, if it so wishes, exercise the right to claim the toss.

(c) The duration of play shall be limited to 100 six-ball overs in April, May, June, July and August with an interval of 20 minutes for tea between innings. In September the duration of play will be 90 six-ball overs with an interval of 20 minutes for tea between innings, but:-

(i) The side batting first shall receive not more than 50 overs in April, May, June, July and August and not more than 45 overs in September.

(ii) The other side shall, in addition to its 45 or 50 overs, utilise the balance, if any, of that same quota not used by the side batting first. In this case, any odd balls bowled shall constitute a complete over.

(iii) In conjunction with the scorers, the Umpire shall ensure that the recording of overs and runs is correctly made and adequately displayed.

Before the first ball of the last over of each innings, the Umpires shall call 'last over' clearly so that both sides understand.

(iv) Captains may agree to reduce the overs before the toss takes place if in their opinion the weather conditions so indicate. The minimum number of overs to constitute a match to be forty.

5. LATE START

No match shall start after 5.00 p.m., and if the start is delayed the Captains shall decide on a proportionate number of overs for play in relation to the finishing times stipulated in Rule 6. The minimum number of overs to constitute a match to be forty.

6. INTERRUPTION OF PLAY

(a) In the event of interference by weather, light or unforeseen circumstances amounting to 30 minutes or more after a match has started, play shall cease at 8.00 p.m. during the months of April to August inclusive with a minimum of 20 overs being bowled from 7.00 p.m. or on completion of the number of overs that constitute that particular match. In September, play shall cease at 7.30 p.m. with a minimum of 20 overs being bowled from 6.30 p.m. or on completion of the number of overs that constitute that particular match.

If a further interruption of play occurs during the final 20 overs, the number of overs will be reduced by one over for every full three minutes lost. If the reduced number of overs are completed before 8.00 p.m. (7.30 p.m. in September), play will

continue until 8.00 p.m. (7.30 p.m. in September).

The time lost is to be noted by the umpires and allowed for in the calculation of the over rate.

(b) If, at the scheduled finishing times in (a) above, the side batting second still occupy the crease, and have received at least as many overs as the side batting first, then the game shall be a draw and the points allocated in accordance with Rule 7.

(c) If the side batting second do not receive as many overs as the side batting first then the game shall be abandoned.

(d) If a bowler is incapacitated during an over, that over shall be completed by any member of the fielding side other than he who bowled the previous over.

7. ALLOCATION OF POINTS

WIN 6 points to the winning side.

TIE 3 points to each side only when scores are equal and the team batting second are all out or have used their allocation of overs (Subject to Rule 6 (b) and 6 (c)).

NOT STARTED 1 point to each side.

ABANDONED 1 point to each side.

DRAW 4 points to the side scoring the greater number of runs and 1 point to the other side when the agreed number of overs have been bowled without a definite result having been achieved. (Subject to Rule 6 (b) and 6 (c)).

OVER RATE Overs are required to be bowled at 18 per Hour and each club's rate will be reviewed halfway through the season and again at the end of the season. At each review any club which has not attained an average over rate of 18 per Hour will have 6 points deducted from their accumulation of points to date.

The rate for the first innings will be taken from 2.00 p.m. and the second innings from 20 minutes after the completion of the first innings.

N.B. This Rule applies in Division One and Reserve Division only.

8. THE BALL

Two new balls purchased through the League shall be used in all First Division games. In Reserve and Other Divisions, a new ball need not be provided for every match but the ball to be used shall be in good condition and of good quality. This shall be submitted to and approved by the Captains before the toss.

9. QUALIFICATION OF UMPIRES

(a) An umpire may be required to satisfy the Rules Sub-Committee as to his competence either on appointment or at any time thereafter.

(b) If one side provides an umpire and the other side does not provide one, that one umpire should be the official umpire for

the match and should stand at the Bowler's end throughout the match.

- (c) Umpires should be responsible for noting and recording the over rate - viz. overs bowled and time taken - and will be required to note this information on the official League Score Sheet.

10. PREPARATION OF PITCHES

- (a) Preparation of pitches must be in accordance with the M.C.C. Laws and Instruction. Pitches should not be watered in the 48 hour period preceding any match.  
 (b) Pitches may be wholly covered at all times where possible. Before the toss is made, the home Captain should advise his opposite number whether covers are available.

11. PLAYERS CROSSING

The attention of Captains is drawn to Note 2 (b) of Law 31, whereby it is one of their duties to ensure the incoming batsman passes the outgoing one before the latter leaves the field of play.

12. CANCELLATION OF MATCHES

In the event of any ground being unfit for play owing to weather or other circumstances, it shall be the responsibility of the home club to inform the visiting club of this fact. This should be carried out on the day of match not before 11.00 a.m. and not later than 12.00 noon.

13. NOTIFICATION OF RESULTS

It shall be the responsibility of the home club to send full details of the match played on the Score Sheet issued by the League which is signed by both Captains. This Score Sheet must reach the League Secretary by the first post each Thursday after the match has been played. Failure to comply with this rule will result in two points being deducted from the offending club.

14. PROTEST

- (a) Any protest shall be lodged with the League Secretary in writing within four days following the match. *Reply within 7 days?*  
 (b) A copy of such protest shall be sent to the club against whom the protest is made.  
 (c) Each protest is to be accompanied by a fee of £1 which shall be forfeited if the Disputes Sub-Committee deems the protest to be trivial.  
 (d) The club sustaining the protest or objection shall have the points added to its total points gained, but such points not to exceed the maximum for a win. The club against whom the protest has been made to lose any points gained and to be fined the number of points equivalent to a win.  
 (e) Clubs when making a protest shall state under which rule the protest is made.

15. DISPUTES

Any dispute having reference to the Laws of Cricket, shall be referred to the Cricket Council for settlement and their decision shall be final, but in all other matters the decision of the League shall be final.

## KNOCKOUT COMPETITION RULES

### 1. Object

The object of the competition is to promote an eleven-a-side evening Knock-out competition among member clubs of the League. The games will be played according to the M.C.C. Laws of Cricket (1980 Code) modified as under 3 below.

### 2. Organisation

The Shropshire League Knock-out competition shall be open to the twelve Division One clubs together with the four clubs emerging from the qualifying competition to be known as the Shropshire League Village Knock-out. This will be open to all Division Two, Three, Four and Five Clubs (other than second and third elevens) and arranged on an area basis with one club emerging from each of four zones. These four qualifiers will also compete as semi-finalists in the Village Knock-out.

### 3. Rules

#### Law 1

- (a) Each player must be a member of the club he represents and a current Shropshire League player as defined under League rules.
- (b) A player who is a member of more than one club can play only for one club in the competition.

#### Law 3

- (a) Each club shall provide one umpire except in the case of the semi-finals when the umpires will be appointed by the Knock-out sub-committee.
- (b) Umpires should note that no appeal against the light shall be allowed after the commencement of the second innings unless both captains agree that further play is undesirable. If play is interrupted by rain after the game has commenced, either captain shall have the right to declare the match void.

#### Law 5

- (a) A new ball will not be used, but a suitable re-polished or re-varnished ball of sound quality, which is acceptable to both captains, will be used throughout the game.

#### Law 12

- (a) Excepting Finals, each side will have one innings consisting of twenty six-ball overs.
- (b) Provided that both captains agree prior to the commencement of play, the match may be contested over a lesser number of overs in the event of bad weather or a late start.
- (c) Before the toss for innings, the umpires shall acquaint themselves with the number of overs agreed upon by the two captains.

#### Law 16

- (a) The interval between each innings shall be not more than ten minutes.

#### Law 21

- (a) A match is won by the side scoring the higher number of runs in the agreed number of overs. In the event of scores being level, the side losing fewer wickets shall be declared the winner. If this is also equal the match is tied and will be replayed on the ground of the visiting team.

#### Law 22

- (a) No bowler may bowl more than five overs out of the allotted twenty. If a match of fewer overs is agreed upon, no bowler may bowl more than one quarter of the total.

### 4. Fixtures

- (a) Both Village Knock-out and League Knock-out competitions shall be pre-drawn as far as the semi-final stages and the full draw will be notified to all clubs by the preceding 1st March and printed in the League Handbook.
- (b) The matches shall be played on the ground chosen by the side drawn as the home side.
- (c) Each round of both competitions will be played on a conference date specified by the Knock-out Sub-Committee and printed in the League Handbook. However, in the event of both teams agreeing, the match may be played on an earlier date than that which is laid down in the Rules providing the League Secretary is notified at least forty-eight hours prior to any such rearranged match.
- (d) In the event of inclement weather not allowing the match to be completed on the conference date, it must be replayed within seven days of that conference date.
- (e) No match shall be played after the conference date - other than one rearranged under Rule 4(d). If it is found that clubs do arrange a match after the conference date, both clubs will be expelled from the competition.
- (f) If either club is unable to play on the conference date and are not able to agree an earlier date they shall forfeit the match.
- (g) Matches shall normally commence not later than 6.30 p.m. on the day arranged. The umpires shall call play not later than 6.45 p.m. and any side refusing to play shall lose the match.
- (h) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time of 6.30 p.m. In the event of a team not being available to comply, the opposing team may, if it so wishes, exercise the right to claim the toss.
- (i) The winning clubs - in each round of both competitions - shall notify the League Secretary of the result within 48 hours of the fixture taking place.

### 5. Finals

- (a) The finals of both competitions shall be played on an afternoon basis on dates to be ratified by the Knock-out sub-committee.
- (b) A neutral ground selected by the Knock-out sub-committee shall be used. In the event of no ground being available the two sides will toss a coin to decide on a venue of the winner's choosing.
- (c) The finals shall be played over two innings each side of twenty overs per innings which shall be taken alternately.
- (d) Each finalist will provide one new ball.
- (e) The Knock-out sub-committee will appoint all umpires for the finals and semi-finals.
- (f) The members of teams competing in finals will be presented with small trophies as mementoes of the occasion.
