The new Fiesta Popular Plus

The new Fiesta's leave the small car competition far behind. Take the Popular Plus for example. It has the new sleek aerodynamic shape and wrap round bumpers, improved suspension, bodyside moulding, heated rear window, tailgate wash/wipe, retrimmed seats, handsome new dashboard with digital clock—and much more.

Even the engines have been improved. The 1100cc version does 57.6 mpg at 56 mph.

It's quite a luxurious car at, of course, a very modest price.

† Gov. fuel economy figures for 1114 speed—mpg (litres/100 km)
Constant 56 mph (90 kmh) 57.6 (4.9),
constant 75 mph (120 kmh) 1.5 (6.8),
Urban cycle 45.6 (6.2)

Come and see the little car that thinks big.

FOREWORD

Once again, I am honoured to introduce this year's Handbook. With the 1986 season upon us, please forgive me for dwelling briefly on the past twelve months. The highlight was, of course, provided by our representative side who yet again did us proud by capturing the Midlands Club Cricket Conference Trophy for the fifth time in seven years. Also very satisfying was the competitiveness shown in our domestic game where almost all the Divisions were closely contested to 'the death'.

It would, however, be wrong of me to paint a picture of complete sweetness and light for last season provided me with one of my saddest memories since becoming Chairman, around seven years ago, when two clubs were expelled from the Village Knockout Competition. Without going into detail, I feel that a lack of communication was responsible for this regrettable situation arising and I sincerely hope that such action will never have to be repeated.

Turning to happier matters, you will be delighted to learn that the League's major sponsors, Furrows Ltd., are very satisfied with the way things have gone during their initial season with us. It is therefore up to everyone within our organisation to do our utmost to see that this state of affairs continues. Still on the subject of sponsorship, may I also express grateful thanks to the 'Shropshire Star', the 'Journal' newspapers and Peter Wilkinson for their so valuable contribution to cricket at this level.

1986 sees another new venture coming into operation, with the formation of an Umpires Panel, whose members will be appointed to take charge of all Division One and League Knockout matches. This innovation is in no way a reflection on those who have umpired over the years, but in fact was put forward by the Shropshire branch of the ACU. It goes without saying that we wish them well.

Congratulations and thanks are in order to the 'Editor in Chief' of this Handbook, Glyn Brace, who has once more undertaken the job in his usual efficient manner.

Finally, I am most grateful to everyone who has aided league cricket during the past campaign, not least the members of the Executive Committee, and I trust that your help and assistance will continue throughout the coming twelve months. With that, may I wish one and all a very happy and enjoyable 1986 season.

RULES AND PLAYING ARRANGEMENTS

1. GENERAL

The Rules and Arrangements set out below will apply to all Divisions of the Shropshire League from 1st April, 1986, and will continue until officially amended on the authority of the Executive Committee of the League.

2. QUALIFICATION OF PLAYERS

(a) No player shall be brought in from an outside League to play in the Shropshire League during the playing season without first obtaining the written consent of the Rules Sub-Committee of the League.

Any new players must also be registered with the League Secretary.

(c) Any bona fide member of a club may take part in League matches provided that:

(i) after transferring from another club in this League he has applied for and obtained the sanction of the Rules Sub-Committee to represent his new Club. Such applications must be received four clear days before his first match with his new club and must be accompanied by a letter from the Secretary of his old club confirming that he has fulfilled his obligations to that Club.

(ii) if he has played in 12 or more first team matches, he shall not be allowed to play in any of the last three matches in a lower division or in a second team match without the approval of the Rules Sub-Committee.

(iii) if he has played in 12 or more first or second team matches, he shall not be allowed to play in any of the last three matches in a lower division without the approval of the Rules Sub-Committee.

3. RULES FOR THE CONDUCT OF ALL MATCHES

(a) The twelve clubs in the First Division shall each run a team in the Reserve Division thereof. There shall also be other Divisions. All teams shall play each other on a home and away basis, fixtures being arranged by the League Fixture Secretary between mid-April and mid-September. All fixtures shall take place on a Saturday unless clubs are desirous of re-arranging a fixture after they have been published. In this case BOTH clubs must give written notice to the League Secretary not less than ten days before the date of the proposed alteration and must be granted permission before carrying out any change. Any infringement of this rule will result in the match being declared void.

(b) Matches shall be played in accordance with the LAWS of CRICKET subject to such specific points as are hereinafter stipulated.

(c) No underarm bowling will be allowed in the League.

4. HOURS AND CONDITIONS OF PLAY

- (a) All matches shall commence at 2.00 p.m. except in September when all matches shall commence at 1.30 p.m.
- (b) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time. In the event of a team not being able to comply, the opposing team may, if it so wishes, exercise the right to claim the toss.
- (c) The duration of play shall be limited to 100 six-ball overs in April, May, June, July and August with an interval of 20 minutes for tea between innings. In September the duration of play will be 90 six-ball overs with an interval of 20 minutes for tea between innings, but:-
 - (i) The side batting first shall receive not more than 50 overs in April, May, June, July and August and not more than 45 overs in September.
 - (ii) The other side shall, in addition to its 45 or 50 overs, utilise the balance, if any, of that same quota not used by the side batting first. In this case, any odd balls bowled shall constitute a complete over.
 - (iii) In conjunction with the scorers, the Umpire shall ensure that the recording of overs and runs is correctly made and adequately displayed.
Before the first ball of the last over of each innings, the Umpires shall call 'last over' clearly so that both sides understand.
 - (iv) Captains may agree to reduce the overs before the toss takes place if in their opinion the weather conditions so indicate. The minimum number of overs to constitute a match to be forty.

5. LATE START

No match shall start after 5.00 p.m., and if the start is delayed the Captains shall decide on a proportionate number of overs for play in relation to the finishing times stipulated in Rule 6. The minimum number of overs to constitute a match to be forty.

6. INTERRUPTION OF PLAY

- (a) In the event of interference by weather, light or unforeseen circumstances amounting to 30 minutes or more after a match has started, play shall cease at 8.00 p.m. during the months of April to August inclusive with a minimum of 20 overs being bowled from 7.00 p.m. or on completion of the number of overs that constitute that particular match. In September, play shall cease at 7.30 p.m. with a minimum of 20 overs being bowled from 6.30 p.m. or on completion of the number of overs that constitute that particular match.
If a further interruption of play occurs during the final 20 overs, the number of overs will be reduced by one over for every full three minutes lost. If the reduced number of overs are completed before 8.00 p.m. (7.30 p.m. in September), play will continue until 8.00 p.m. (7.30 p.m. in September).
The time lost is to be noted by the umpires and allowed for in the calculation of the over rate.
- (b) If, at the scheduled finishing times in (a) above, the side batting second still occupy the crease, and have received at least as many overs as the side batting first, then the game shall be a draw and the points allocated in accordance with Rule 7.
- (c) If the side batting second do not receive as many overs as the side batting first then the game shall be abandoned.
- (d) If a bowler is incapacitated during an over, that over shall be completed by any member of the fielding side other than he who bowled the previous over.

7. ALLOCATION OF POINTS

OVER RATE : Overs are required to be bowled at 18 per Hour and each club's rate will be reviewed halfway through the season and again at the end of the season.
At each review any club which has not attained an average over rate of 18 per Hour will have 6 points deducted from their accumulation of points to date.
The rate for the first innings will be taken from 2.00 p.m. and the second innings from 20 minutes after the completion of the first innings.
N.B. This Rule applies in Division One and Reserve Division only.

8. THE BALL

Two new balls purchased through the League shall be used in all First Division games. One new ball shall be used in all Division Two and Three games. In Reserve and Other Divisions, a new ball need not be provided for every match but the ball to be used shall be in good condition and of good quality. This shall be submitted to and approved by the Captains before the toss.

9. QUALIFICATION OF UMPIRES

- (a) An umpire may be required to satisfy the Rules Sub-Committee as to his competence either on appointment or at any time thereafter.
- (b) If one side provides an umpire and the other side does not provide one, that one umpire should be the official umpire for the match and should stand at the Bowler's end throughout the match.
- (c) Umpires should be responsible for noting and recording the over rate - viz. overs bowled and time taken - and will be required to note this information on the official League Score Sheet.
- (d) The Shropshire Association of Cricket Umpires will be responsible for appointing umpires to all Division One and League Knockout fixtures.
- (e) No fee as such is payable to umpires appointed from the panel. Expenses will be met by the Shropshire Association of Cricket Umpires with all Division One Clubs being expected to submit, on request, a one-off payment to the Shropshire A.C.U. to cover such costs.

11. PLAYERS CROSSING

The attention of Captains is drawn to Note 2 (b) of Law 31, whereby it is one of their duties to ensure the incoming batsman passes the outgoing one before the latter leaves the field of play.

13

12. **CANCELLATION OF MATCHES**
In the event of any ground being unfit for play owing to weather or other circumstances, it shall be the responsibility of the home club to inform the visiting club of this fact.
This should be carried out on the day of match not before 11.00 a.m. and not later than 12.00 noon.
13. **NOTIFICATION OF RESULTS**
It shall be the responsibility of the home club to send full details of the match played on the Score Sheet issued by the League which is signed by both Captains. This Score Sheet must reach the League Secretary by the first post each Thursday after the match has been played. Failure to comply with this rule will result in two points being deducted from the offending club.
14. **PROTEST**
(a) Any protest shall be lodged with the League Secretary in writing within four days following the match.
(b) A copy of such protest shall be sent to the club against whom the protest is made.
(c) Each protest is to be accompanied by a fee of £5 which shall be forfeited if the Disputes Sub-Committee deems the protest to be trivial.
(d) The club sustaining the protest or objection shall have the points added to its total points gained, but such points not to exceed the maximum for a win. The club against whom the protest has been made to lose any points gained and to be fined the number of points equivalent to a win.
(e) Clubs when making a protest shall state under which rule the protest is made.
15. **DISPUTES**
Any dispute having reference to the Laws of Cricket, shall be referred to the Cricket Council for settlement and their decision shall be final, but in all other matters the decision of the League shall be final.
16. **LEAGUE POSITIONAL PLACINGS**
In the event of two or more teams finishing on the same number of points at the end of a season, the following factors shall be used to determine final placings : firstly - most wins; if still equal - least defeats; if still equal - most winning draws; if still equal - most away wins. In the event of these four instances not separating the teams, the points tally of League matches played that season between the teams involved shall determine the final League placings.

KNOCKOUT COMPETITION RULES

1. **Object**

The object of the competition is to promote an eleven-a-side evening Knock-out competition among member clubs of the League. The games will be played according to the M.C.C. Laws of Cricket (1980 Code) modified as under 3 below.
2. **Organisation**

The Shropshire League Knock-out competition shall be open to the twelve Division One clubs together with the four clubs emerging from the qualifying competition to be known as the Shropshire League Village Knock-out. This will be open to all Division Two, Three, Four and Five Clubs (other than second and third elevens) and arranged on an area basis with one club emerging from each of four zones. These four qualifiers will also compete as semi-finalists in the Village Knock-out.
3. **Rules**

Law 1
 - (a) Each player must be a member of the club he represents and a current Shropshire League player as defined under League rules.
 - (b) A player who is a member of more than one club can play only for one club in the competition.

Law 3
 - (a) Umpires should note that no appeal against the light shall be allowed after the commencement of the second innings unless both captains agree that further play is undesirable.

Law 5
 - (a) A new ball will not be used, but a suitable re-polished or re-varnished ball of sound quality, which is acceptable to both captains, will be used throughout the game.

Law 12
 - (a) Excepting Finals, each side will have one innings consisting of twenty six-ball overs.
 - (b) Provided that both captains agree prior to the commencement of play, the match may be contested over a lesser number of overs in the event of bad weather or a late start.
 - (c) Before the toss for innings, the umpires shall acquaint themselves with the number of overs agreed upon by the two captains.

Law 16
 - (a) The interval between each innings shall be not more than ten minutes.

Law 21
 - (a) A match is won by the side scoring the higher number of runs in the agreed number of overs. In the event of scores being level, the side losing fewer wickets shall be declared the winner. If this is also equal the match is tied and will be replayed on the ground chosen by the visiting team.

Law 22
 - (a) No bowler may bowl more than five overs out of the allotted twenty. If a match of fewer overs is agreed upon, no bowler may bowl more than one quarter of the total.

Restriction on placement of fielders (League K.O. only)

At the instant of delivery, a minimum of four fielders (plus bowler and wicket-keeper) must be within an area bounded by two semi-circles, centred on each middle stump, each with a radius of 30 yards and joined by a parallel line on each side of the pitch. In the event of an infringement the square-leg umpire shall call 'no-ball.'

The fielding circles may be marked by white painted dots at five yard intervals or if possible by white plastic or rubber (not metal) discs measuring approximately seven inches in diameter.

4. **Fixtures**
 - (a) Both Village Knock-out and League Knock-out competitions shall be pre-drawn as far as the semi-final stages and the full draw will be notified to all clubs by the preceding 1st March and printed in the League Handbook.
 - (b) The matches shall be played on the ground chosen by the side drawn as the home side.
 - (c) Each round of both competitions will be played on a conference date specified by the Knock-out Sub-Committee and printed in the League Handbook. However, in the event of both teams agreeing, the match may be played on an earlier date than that which is laid down in the Rules providing the League Secretary is notified at least forty-eight hours prior to any such rearranged match.
 - (d) In the event of inclement weather not allowing the match to be completed on the conference date, a revised date (within seven days of the original) must be agreed by both clubs immediately and communicated within 24 hours to a member of the Knockout Sub-Committee by the home club. Failure to agree on a new date will result in the Knockout Sub-Committee defining a date on which the match shall take place.
 - (e) No match shall be played after the conference date - other than one rearranged under Rule 4(d). If it is found that clubs do arrange a match after the conference date, both clubs will be expelled from the competition.
 - (f) If either club is unable to play on the conference date and are not able to agree an earlier date they shall forfeit the match.
 - (g) Matches shall normally commence not later than 6.30 p.m. on the day arranged. The umpires shall call play not later than 6.45 p.m. and any side refusing to play shall lose the match.
 - (h) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time of 6.30 p.m. In the event of a team not being available to comply, the opposing team may, if it so wishes, exercise the right to claim the toss.
 - (i) The winning clubs - in each round of both competitions - shall notify the League Secretary of the result within 48 hours of the fixture taking place.
5. **Finals**
 - (a) The finals of both competitions shall be played on an afternoon basis on dates to be ratified by the Knock-out sub-committee.
 - (b) A neutral ground selected by the Knock-out sub-committee shall be used. In the event of no ground being available the two sides will toss a coin to decide on a venue of the winner's choosing.
 - (c) The finals shall be played over two innings each side of twenty overs per innings which shall be taken alternately.
 - (d) The league will provide two new balls of good quality for each final.
 - (e) The members of teams competing in finals will be presented with small trophies as mementoes of the occasion.
6. **Umpires**
 - (a) All League Knockout matches shall be taken charge of by umpires appointed by the Shropshire Association of Cricket Umpires.
 - (b) Umpires for the semi-finals and final of the Village Knockout will be appointed by the Shropshire Association of Cricket Umpires.
 - (c) On request, the Shropshire Association of Cricket Umpires will also endeavour to supply umpires for the qualifying rounds of the Village Knockout.
