FOREWORD

The commencement of the 1992 season provides an appropriate time to look back at the changes which have taken place in the structure of our League over the past eighteen months or so. The Foreword in last year's Handbook covered the 'streaming' system which was introduced to, I believe, most clubs' satisfaction in 1991. This season we are able to extend a welcome to a further eleven clubs to the Furrows Shropshire Cricket League. The majority of the new clubs were, of course, formerly members of the Border Counties League, now sadly no more. I would like to wish all our new recruits a long and happy association with our organisation.

Last year's Foreword also mentioned the changed format for the finals of Village and League Knock-out competitions. This change did not prove popular and member clubs will, in general, welcome the fact that the two finals are returning to the original two innings per side arrangement which, with one or two exceptions, has served the respective competitions so well over the years.

Congratulations are due once again to the League's representative side who, for the seventh time in twelve seasons, reached the final of the Midlands Conference limited over competition. Sadly, we were to suffer our first ever defeat at that stage but even so, six out of seven successes is not a bad record, is it!

On behalf of everyone connected with the League, many thanks are due to our main sponsors, Furrows Limited, for their continued support which, I am delighted to report, has been confirmed for a further twelve months. We are also grateful to Peter Wilkinson, the Chronicle group and the Shropshire Star whose contributions are much appreciated. A special thank-you also goes to Brian Kitson for the many hours he spends on the production of this Handbook.

Finally, on behalf of the Executive Committee and indeed myself, I would like to wish all players, officials and spectators all that is best in cricket for the coming season.

THANK YOU LESLIE

After nearly four decades of stalwart service to League Cricket in Shropshire, Leslie Blackshaw recently announced that he had decided to 'call it a day', in regard to holding any official capacity on the Executive Committee, so on behalf of all connected with cricket within our county, we would just like to say 'Thank you Leslie' for your so valuable contribution to the game of cricket!

RULES AND PLAYING ARRANGEMENTS

1. GENERAL

The Rules and Arrangements set out below will apply to all Divisions of the Shropshire League from 1st April, 1992, and will continue until officially amended on the authority of the Executive Committee of the League.

2. QUALIFICATION OF PLAYERS

- (a) No player shall be brought in from an outside League to play in the Shropshire League during the playing season without first obtaining the written consent of the Rules Sub-Committee of the League. An exemption will be made to this rule for clubs with teams competing in another league (i.e. Madeley 3rd XI).
- (b) A list of playing members for the coming season, from whom teams for the season will be selected, must be submitted to the League Secretary no later than the date of commencement of that season. Any new players must also be registered with the League Secretary.
- (c) Any bona fide member of a club may take part in League matches provided that:
 - (i) after transferring from another club in this League he has applied for and obtained the sanction of the Rules Sub-Committee to represent his new Club. Such applications must be received four clear days before his first match with his new club and must be accompanied by a letter from the Secretary of his old club confirming that he has fulfilled his obligations to that Club.
 - (ii) if he has played in 12 or more first team matches, he shall not be allowed to play in any of the last three matches in a lower division or in a second team match without the approval of the Rules Sub-Committee.
 - (iii) if he has played in 12 or more first or second team matches, he shall not be allowed to play in any of the last three matches in a lower division without the approval of the Rules Sub-Committee.

3. RULES FOR THE CONDUCT OF ALL MATCHES

- (a) All teams shall play each other on a home and away basis, fixtures being arranged by the League Fixture Secretary between mid-April and mid-September. All fixtures shall take place on a Saturday unless clubs are desirous of re-arranging a fixture after they have been published. In this case BOTH clubs must give written notice to the League Secretary not less than ten days before the date of the proposed alteration and must be granted permission before carrying out any change. Any infringement of this rule will result in the match being declared void.
- (b) Matches shall be played in accordance with the LAWS of CRICKET subject to such specific points as are hereinafter stipulated.
- (c) No underarm bowling will be allowed in the League.
- (d) The Executive Committee shall have the discretion to call a match void if they deem it necessary and may award or deduct points at their discretion.

4. HOURS AND CONDITIONS OF PLAY

- (a) All matches shall commence at 2.00 p.m. except in September when all matches shall commence at 1.00 p.m.
- (b) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time. In the event of a team not being able to comply, the opposing team may, if it so wishes, exercise the right to claim the toss. Clubs who arrive late without a satisfactory explanation will be dealt with by the Executive Committee who may deduct two points from the record of the offending club.

- (c) (i) The duration of play shall be limited to 100 six-ball overs with an interval of 20 minutes for tea between innings.
- (ii) The side batting first shall receive not more than 50 overs.
- (iii) The other side shall, in addition to its 50 overs, utilise the balance, if any, of that same quota not used by the side batting first. In this case, any odd balls bowled shall constitute a complete over.
- (iv) In conjunction with the scorers, the umpires shall ensure that the recording of overs and runs is correctly made and adequately displayed.
Before the first ball of the last over of each innings, the umpires shall call 'last over' clearly so that both sides understand.
- (v) Captains may agree to reduce the overs before the toss takes place if in their opinion the weather conditions so indicate. In these circumstances the provisions of Rule 5 will have no bearing unless 30 minutes have been lost. The minimum number of overs to constitute a match to be forty.
- (vi) No match shall start after 5.00 p.m. (4.00 p.m. in September)

5. INTERRUPTION OF PLAY

- (a) In the event of interference by weather, light or unforeseen circumstances amounting to 30 minutes or more after the scheduled starting time (2.00 p.m. April to August and 1.00 p.m. September), play shall cease at 8.30 p.m. during the months of April to August inclusive with a minimum of 20 overs being bowled from 7.30 p.m. or on completion of the number of overs that constitute that particular match. In September, play shall cease at 7.30 p.m. with a minimum of 20 overs being bowled from 6.30 p.m. or on completion of the number of overs that constitute that particular match.
If a further interruption of play occurs during the final 20 overs, the number of overs will be reduced by one over for every full three minutes lost. If the reduced number of overs are completed before 8.30 p.m. (7.30 p.m. in September), play will continue until 8.30 p.m. (7.30 p.m. in September).
The time lost is to be noted by the umpires and allowed for in the calculation of the over rate.
- (b) If, at the scheduled finishing times in (a) above, the side batting second still occupy the crease, and have received at least as many overs as the side batting first, then the game shall be a draw and the points allocated in accordance with Rule 6.
- (c) If the side batting second do not receive as many overs as the side batting first then the game shall be abandoned.
- (d) If a bowler is incapacitated during an over, that over shall be completed by any member of the fielding side other than he who bowled the previous over.

6. ALLOCATION OF POINTS

WIN: 6 points to the winning side.
TIE: 3 points to each side only when scores are equal and the team batting second are all out or have used their allocation of overs (Subject to Rule 5 (b) and 5 (c)).
NOT STARTED: 1 point to each side.
ABANDONED: 1 point to each side.
DRAW: 4 points to the side scoring the greater number of runs and 1 point to the other side when the agreed number of overs have been bowled without a definite result having been achieved. (Subject to Rule 5 (b) and 5 (c)). To receive 1 point, the side batting second must score more than 50% of the total runs scored by the side batting first.

OVER RATE: Overs are required to be bowled at 17 per hour and each club's rate will be reviewed halfway through the season and again at the end of the season.

At each review any club which has not attained an average over rate of 17 per hour will have 6 points deducted from their accumulation of points to date.

The rate for the first innings will be taken from 2.00 p.m. and the second innings from 20 minutes after the completion of the first innings.
N.B. This Rule applies in Division One and Reserve Division only.

7. THE BALL

Two new balls purchased through the League shall be used in all Division One games. One new ball purchased through the League shall be used in all Division Two, Three, Three A and Four games and also in all reserve Division One games. Any Club not having paid for its allocation by the due date shall be liable to a surcharge of £10. In all other Reserve Divisions, a new ball need not be provided for every match but the ball to be used shall be in good condition and of good quality. This shall be submitted to and approved by the Captains before the toss.

8. QUALIFICATION OF UMPIRES

- (a) An umpire may be required to satisfy the Rules Sub-Committee as to his competence either on appointment or at any time thereafter.
- (b) If one side provides an umpire and the other side does not provide one, that one umpire should be the official umpire for the match and should stand at the bowler's end throughout the match.
- (c) Umpires should be responsible for noting and recording the over rate - viz. overs bowled and time taken - and will be required to note this information on the official League Score Sheet.
- (d) The Shropshire Association of Cricket Umpires will be responsible for appointing umpires to all Division One and League Knockout fixtures.
- (e) No fee as such is payable to umpires appointed from the panel. Expenses will be met by the Shropshire Association of Cricket Umpires with all Division One Clubs being expected to submit, on request, a one-off payment to the Shropshire A.C.U. to cover such costs.

9. PREPARATION OF PITCHES

- (a) Preparation of pitches must be in accordance with the M.C.C. Laws and Instruction. Pitches should not be watered in the 48 hour period preceding any match.
- (b) Pitches may be wholly covered at all times where possible. Before the toss is made, the home Captain should advise his opposite number whether covers are available.

10. PLAYERS CROSSING

- (a) The attention of Captains is drawn to Note 2(b) of Law 31, whereby it is one of their duties to ensure the incoming batsman passes the outgoing one before the latter leaves the field of play.

11. CANCELLATION OF MATCHES

In the event of any ground being unfit for play owing to weather or other circumstances it shall be the responsibility of the home club to inform the visiting club of this fact.
This should be carried out on the day of the match NOT before 11.00 a.m. and NOT later than 12.00 noon. (10.00 a.m. and 11.00 a.m. in September).

12. **NOTIFICATION OF RESULTS.**
It shall be the responsibility of the home club to send full details of the match played on the score sheet issued by the League which is signed by both Captains. This score sheet must reach the League Secretary by the first post each Thursday after the match has been played. Failure to comply with this rule will result in two points being deducted from the offending club
13. **PROTEST**
(a) Any protest shall be lodged with the League Secretary in writing within four days following the match.
(b) A copy of such protest shall be sent to the club against whom the protest is made.
(c) Each protest is to be accompanied by a fee of £5 which shall be forfeited if the Disputes Sub-Committee deems the protest to be trivial.
(d) The club sustaining the protest or objection shall have the points added to its total points gained, but such points not to exceed the maximum for a win. The club against whom the protest has been made to lose any points gained and to be fined the number of points equivalent to a win.
(e) Clubs when making a protest shall state under which rule the protest is made.
14. **DISPUTES**
Any dispute having reference to the Laws of Cricket shall be referred to the Cricket Council for settlement and their decision shall be final, but in all other matters the decision of the League shall be final.
15. **LEAGUE POSITIONAL PLACINGS**
In the event of two or more teams finishing on the same number of points at the end of a season, the following factors shall be used to determine final placings: firstly - most wins; if still equal - least defeats; if still equal - most winning draws; if still equal - most away wins. In the event of these four instances not separating the teams, the points tally of League matches played that season between the teams involved shall determine the final League placings.
16. These rules are binding on all players and clubs in the Furrows Shropshire Cricket League and the Executive Committee may take action against defaulting clubs or players.

KNOCKOUT COMPETITION RULES

1. **Object**
The object of the competition is to promote an eleven-a-side evening Knock-out competition among member clubs of the League. The games will be played according to the M.C.C. Laws of Cricket (1980 Code) modified as under 3 below.
2. **Organisation**
The Shropshire League Knock-out competition shall be open to the twelve Division One clubs together with the four clubs emerging from the qualifying competition to be known as the Shropshire League Village Knock-out. This will be open to all Division Two, Three and Four Clubs and arranged on an area basis with two clubs emerging from each of two zones. These four qualifiers will also compete as semi-finalists in the Village Knock-out.
3. **Rules**
Law 1
(a) Each player must be a member of the club he represents and a current Shropshire League player as defined under League rules.
(b) A player who is a member of more than one club can play only for one club in the competition.
(c) Any team failing to fulfil a fixture at any stage of either competition shall be automatically excluded from the following year's competition and will also be barred from entry in future years. Applications for re-admittance must be made to the League Executive Committee by no later than 1st October in the preceding year.
Law 3
(a) Umpires should note that no appeal against the light shall be allowed after the commencement of the second innings unless both captains agree that further play is undesirable.
Law 5
(a) A new ball will not be used, but a suitable re-polished or re-varnished ball of sound quality, which is acceptable to both captains, will be used throughout the game.
Law 12
(a) Excepting Finals, each side will have one innings consisting of twenty six-ball overs.
(b) Provided that both captains agree prior to the commencement of play, the match may be contested over a lesser number of overs in the event of bad weather or a late start.
(c) Before the toss for innings, the umpires shall acquaint themselves with the number of overs agreed upon by the two captains.
Law 16
(a) The interval between each innings shall be not more than ten minutes.
Law 21
(a) A match is won by the side scoring the higher number of runs in the agreed number of overs. In the event of scores being level, the side losing fewer wickets shall be declared the winner. If this is also equal, the side scoring the greater number of runs in the first ten overs (or at the half way point in their innings if different) shall be the winner. If this is also equal, the match is tied and will be replayed on a ground chosen by the visiting team.
Law 22
(a) No bowler may bowl more than five overs out of the allotted twenty. If a match of fewer overs is agreed upon, no bowler may bowl more than one quarter of the total.
Law 25
(a) In addition to the normal provisions of this law the umpire shall call and signal "wide ball" if the ball passes more than 18" outside the batsman's pads (to the legside), when he is standing at his normal position at the crease.

Restriction on placement of fielders (League K.O. only)

At the instant of delivery, a minimum of four fielders (plus bowler and wicket-keeper) must be within an area bounded by two semi-circles, centred on each middle stump, each with a radius of 30 yards and joined by a parallel line on each side of the pitch. In the event of an infringement the square-leg umpire shall call 'no-ball'.
The fielding circles may be marked by white painted dots at five yard intervals or if possible by white plastic or rubber (not metal) discs measuring approximately seven inches in diameter.

4. **Fixtures**
(a) Both Village Knock-out and League Knock-out competitions shall be pre-drawn as far as the semi-final stages and the full draw will be notified to all clubs by the preceding 1st March and printed in the League Handbook.
(b) The matches shall be played on the ground chosen by the side drawn as the home side.
(c) Each round of both competitions will be played on a conference date specified by the Knock-out Sub-Committee and printed in the League Handbook. However, in the event of both teams agreeing, the match may be played on an earlier date than that which is laid down in the Rules providing the League Secretary is notified at least forty-eight hours prior to any such rearranged match.
(d) In the event of inclement weather not allowing the match to be completed on the conference date, a revised date (within seven days of the original) must be agreed by both clubs immediately and communicated within 24 hours to a member of the Knockout Sub-Committee by the home club. Failure to agree on a new date will result in the Knockout Sub-Committee defining a date on which the match shall take place.
(e) No match shall be played after the conference date - other than one rearranged under Rule 4(d). If it is found that clubs do arrange a match after the conference date, both clubs will be expelled from the competition.
(f) If either club is unable to play on the conference date and are not able to agree an earlier date they shall forfeit the match.
(g) Matches shall normally commence not later than 6.30 p.m. on the day arranged. The umpires shall call play not later than 6.45 p.m. and any side refusing to play shall lose the match.
(h) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time of 6.30 p.m. (6.15 p.m. for League Knock-out). In the event of a team not being available to comply, the opposing team may, if it so wishes, exercise the right to claim the toss.
(i) The winning clubs - in each round of both competitions - shall notify the League Secretary of the result within 48 hours of the fixture taking place.
5. **Finals**
(a) The finals of both competitions shall be played on an afternoon basis on dates to be ratified by the Knock-out Sub-Committee.
(b) A neutral ground selected by the Knock-out Sub-Committee shall be used. In the event of no ground being available the two sides will toss a coin to decide on a venue of the winner's choosing.
(c) The finals shall be played over two innings each side of twenty overs per innings which shall be taken alternately. No bowler may bowl more than five overs in each innings.
(d) In the event of the scores being equal at the end of the match the side losing fewer wickets shall be declared the winner. If this is also equal, the side scoring the greater number of runs in the first twenty overs of their innings shall be the winner. If this is also equal, the final shall be replayed.
(e) The league will provide two new balls of good quality for each final.
(f) The members of teams competing in finals will be presented with small trophies as mementoes of the occasion.
6. **Umpires**
(a) All League Knockout matches shall be taken charge of by umpires appointed by the Shropshire Association of Cricket Umpires.
(b) Umpires for the semi-finals and final of the Village Knockout will be appointed by the Shropshire Association of Cricket Umpires.
(c) On request, the Shropshire Association of Cricket Umpires will also endeavour to supply umpires for the qualifying rounds of the Village Knockout.

SHROPSHIRE ASSOCIATION OF CRICKET UMPIRES

The Division One Umpires Panel is organised by the Shropshire Association of Cricket Umpires, and admission to the list is dependent upon satisfactory attendance at its training courses.

Training courses are held each year at Wellington Cricket Club from mid-January to the end of March. Courses can be arranged at any suitable venue and this year a course was also run at Whittington Cricket Club in response to local demand.

As a result of attending training courses we welcome three new names to this year's panel and wish them well in their first season.

Dave Roberts - Chairman
Mike Sheehy - Secretary/Treasurer

FROM THE BOUNDARY'S EDGE

Consistency ...

The Leagues leading run getter Wellington's Tony Parton (986), scored two centuries both against Bridgnorth 134 not out on 18 May and 116 on 3 August. He also compiled two nineties and three eighties.

Repeat performance ...

Hywel Evans (Pontesbury) leading league wicket taker (83) took 9 wickets on two consecutive Saturdays 9-43 v. Ellesmere 25 May 9-38 v. Hanwood 1 June.

Runs and more runs ...

Of the 7 centuries compiled in division three Hanwood claimed three. One of their centurions Phil Price after scoring a 100 against Ellesmere on 20 July followed up with 95 and 96 on the 3rd and 10 August v. Pontesbury and Alberbury respectively.

All round performance ...

A. Parry (Cound) scored 116 not out off 106 balls v. Edgmond on 17 August including 3 sixes and 14 fours. If this wasn't enough he then proceeded to take 7-14 off 7.5 overs giving his side a handsome victory.

What a stand ...

Keith Miller and A. Gleave Overton 2nd XI shared an unbeaten stand of 259 against Madeley 3rd XI on 20 July, Miller finishing on 177 not out and Gleave unbeaten on 71 in a final total of 275-1.

Tumbling wickets ...

Tony Robinson Perkins 3rd XI took 8-3 against Oswestry 4th XI on 18 May of his 7.5 overs 6 were maidens Oswestry tumbled to 18 all out, the lowest score of the season.

Taking advantage ...

Of 267 runs scored from the bat Andy Perry totalled 200 not out for Bomere Heath against Prees on 7 September, this being the highest individual score of the season. Andy hit six 6's and twenty four 4's. However, Prees were handicapped by only having 9 players!

Fastest (and again) ...

Cathedral's Kevin Bland hit his Clubs fastest century (115 balls, 119 mins) in the first match of the season against B.S.F., and ended the season in the same vein with the fastest fifty (46 balls, 58 mins) against Craven Arms on 21 September.

A 'Fiery' innings ...

Wem's Brian Perry received a nasty shock when batting in one game, when after feeling a burning sensation in his leg, he discovered that one of his pads was on fire! He had stubbed out a cigarette in his pad in his rush to get to the wicket!

It's a funny old game ...

Following seven successive victories, Whittington found themselves in all sorts of trouble at 27-6 in their game at Glynwed on 17 August. They then rallied to reach 100 all out, but things did not appear too rosy when Glynwed reached 60 for 3 in reply. However, five wickets then fell for only 2 runs, and they were all out for 84 giving Whittington victory by 16 runs.

And finally (or blowing one's own trumpet or Editorial licence!) ...

The Editor of this publication had never managed a half century in over six seasons with Perkins 2nd XI until making a 'guest' appearance for the 3rd XI at Cound in the first game of the season on 28 April. He made up for lost time, hitting a 'brilliant' 124 in total of 252-2 sharing an opening partnership of 210 with fifteen year old Daniel Hough who scored 76!!
