FOREWORD

At the time of writing, I have to say that much confusion surrounds the future of the Furrows Shropshire Cricket League. I do not wish to dwell here on this uncertainty but simply to express the hope that, in the interests of local cricket, the League will remain together as one unit and continue to command the respect which has been built up over so many years, both within the immediate vicinity and much further afield.

Looking back over the past year, it is only too apparent that playing standards have fallen since the mid 1980's. Sadly I believe this to be the case throughout the country at all levels of the game. Although I do not profess to know the remedies for these deficiencies, I am sure that those responsible for the well-being of our member clubs will do everything in their power to reverse this trend. I believe that a healthy game at grass roots level is a vital part of improving standards at all levels throughout the game.

Turning to results, 1992 provided a year to remember so far as Wem were concerned, resulting in their first ever Division One title. Frankton will also have special memories of the year they 'did the double' winning both the Division Two Championship and the Village Knockout Trophy while their reserve eleven ran away with the honours in Reserve Division Two. It was certainly a summer to cherish for the progressive North Shropshire club. Congratulations are, of course, due to all our member clubs who were among the honours in 1992.

Sadly, the League representative side found their season once again affected by restricted selections for the usual reasons. Even so, the team reached the semi-final of the Midland Conference Competition before suffering a narrow, last over defeat at the hands of the strong Willis Caroon League.

As we embark on another season, may I offer grateful thanks to our main sponsors, Furrows Ltd., and for the valued contributions from Peter Wilkinson, the Shropshire Star and the Chronicle Newspaper Group. Again, special thanks to our Handbook Chief, Brian Kitson, for all his efforts in producing this latest edition.

Finally, on behalf of your Executive Committee, may I wish everyone connected with Shropshire cricket an enjoyable season's sport in 1993.

KNOCKOUT COMPETITION RULES

1. **Object**
The object of the competition is to promote an eleven-a-side evening Knock-out competition among member clubs of the League. The games will be played according to the M.C.C. Laws of Cricket (1980 Code) modified as under 3 below.
2. **Organisation**
The Shropshire League Knock-out competition shall be open to the twelve Division One clubs together with the four clubs emerging from the qualifying competition to be known as the Shropshire League Village Knock-out. This will be open to all Division Two, Three and Four Clubs and arranged on an area basis with two clubs emerging from each of two zones. These four qualifiers will also compete as semi-finalists in the Village Knock-out.
3. **Rules**
 - Law 1
(a) Each player must be a member of the club he represents and a current Shropshire League player as defined under League rules.
(b) A player who is a member of more than one club can play only for one club in the competition.
(c) Any team failing to fulfil a fixture at any stage of either competition shall be automatically excluded from the following year's competition and will also be barred from entry in future years. Applications for re-admittance must be made to the League Executive Committee by no later than 1st October in the preceding year.
 - Law 3
(a) Umpires should note that no appeal against the light shall be allowed after the commencement of the second innings unless both captains agree that further play is undesirable.
 - Law 5
(a) A new ball will not be used, but a suitable re-polished or re-varnished ball of sound quality, which is acceptable to both captains, will be used throughout the game.
 - Law 12
(a) Excepting Finals, each side will have one innings consisting of twenty six-ball overs.
(b) Provided that both captains agree prior to the commencement of play, the match may be contested over a lesser number of overs in the event of bad weather or a late start.
(c) Before the toss for innings, the umpires shall acquaint themselves with the number of overs agreed upon by the two captains.
 - Law 16
(a) The interval between each innings shall be not more than ten minutes.
 - Law 21
(a) A match is won by the side scoring the higher number of runs in the agreed number of overs. In the event of scores being level, the side losing fewer wickets shall be declared the winner. If this is also equal, the side scoring the greater number of runs in the first ten overs (or at the half way point in their innings if different) shall be the winner. If this is also equal, the match is tied and will be replayed on a ground chosen by the visiting team.
 - Law 22
(a) No bowler may bowl more than five overs out of the allotted twenty. If a match of fewer overs is agreed upon, no bowler may bowl more than one quarter of the total.
 - Law 25
(a) In addition to the normal provisions of this law the umpire shall call and signal "wide ball" if the ball passes more than 18" outside the batsman's pads (to the legside), when he is standing at his normal position at the crease.

Restriction on placement of fielders (League K.O. only)

At the instant of delivery, a minimum of four fielders (plus bowler and wicket-keeper) must be within an area bounded by two semi-circles, centred on each middle stump, each with a radius of 30 yards and joined by a parallel line on each side of the pitch. In the event of an infringement the square-leg umpire shall call 'no-ball'. The fielding circles may be marked by white painted dots at five yard intervals or if possible by white plastic or rubber (not metal) discs measuring approximately seven inches in diameter.

4. **Fixtures**
 - (a) Both Village Knock-out and League Knock-out competitions shall be pre-drawn as far as the semi-final stages and the full draw will be notified to all clubs by the preceding 1st March and printed in the League Handbook.
 - (b) The matches shall be played on the ground chosen by the side drawn as the home side.
 - (c) Each round of both competitions will be played on a conference date specified by the Knock-out Sub-Committee and printed in the League Handbook. However, in the event of both teams agreeing, the match may be played on an earlier date than that which is laid down in the Rules providing the League Secretary is notified at least forty-eight hours prior to any such rearranged match.
 - (d) In the event of inclement weather not allowing the match to be completed on the conference date, a revised date (within seven days of the original) must be agreed by both clubs immediately and communicated within 24 hours to a member of the Knockout Sub-Committee by the home club. Failure to agree on a new date will result in the Knockout Sub-Committee defining a date on which the match shall take place.
 - (e) No match shall be played after the conference date - other than one rearranged under Rule 4(d). If it is found that clubs do arrange a match after the conference date, both clubs will be expelled from the competition.
 - (f) If either club is unable to play on the conference date and are not able to agree an earlier date they shall forfeit the match.
 - (g) Matches shall normally commence not later than 6.30 p.m. on the day arranged. The umpires shall call play not later than 6.45 p.m. and any side refusing to play shall lose the match.
 - (h) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time of 6.30 p.m. (6.15 p.m. for League Knock-out). In the event of a team not being available to comply, the opposing team may, if it so wishes, exercise the right to claim the toss.
 - (i) The winning clubs - in each round of both competitions - shall notify the League Secretary of the result within 48 hours of the fixture taking place.
5. **Finals**
 - (a) The finals of both competitions shall be played on an afternoon basis on dates to be ratified by the Knock-out Sub-Committee.
 - (b) A neutral ground selected by the Knock-out Sub-Committee shall be used. In the event of no ground being available the two sides will toss a coin to decide on a venue of the winner's choosing.
 - (c) The finals shall be played over two innings each side of twenty overs per innings which shall be taken alternately. No bowler may bowl more than five overs in each innings.
 - (d) In the event of the scores being equal at the end of the match the side losing fewer wickets shall be declared the winner. If this is also equal, the side scoring the greater number of runs in the first twenty overs of their innings shall be the winner. If this is also equal, the final shall be replayed.
 - (e) The league will provide two new balls of good quality for each final.
 - (f) The members of teams competing in finals will be presented with small trophies as mementoes of the occasion.
6. **Umpires**
 - (a) All League Knockout matches shall be taken charge of by umpires appointed by the Shropshire Association of Cricket Umpires.
 - (b) Umpires for the semi-finals and final of the Village Knockout will be appointed by the Shropshire Association of Cricket Umpires.
 - (c) On request, the Shropshire Association of Cricket Umpires will also endeavour to supply umpires for the qualifying rounds of the Village Knockout.

SHROPSHIRE ASSOCIATION OF CRICKET UMPIRES

The Division One Umpires Panel is organised by the Shropshire Association of Cricket Umpires, and admission to the list is dependent upon satisfactory attendance at its training courses.

Training courses are held each year at Wellington Cricket Club from mid-January to the end of March. Courses can be arranged at any suitable venue and this year a course was also run at Whittington Cricket Club in response to local demand.

As a result of attending training courses we welcome three new names to this year's panel and wish them well in their first season.

Dave Roberts - Chairman
Mike Sheehy - Secretary/Treasurer

FROM THE BOUNDARY'S EDGE

Extra extra ...

In the Reserve Division 4 game between Bromfield 2nd XI and Oswestry 4th XI, extras totalled 89 in an aggregate of 251 runs, 46 of which were wides!

Same again Rob ...

Robert Burton playing for Wroxeter 2nd XI scored centuries on consecutive Saturdays, 103 v. Shifnal 2nd XI on 23rd May and 102 v. Oswestry 2nd XI on 30th May.

At last ...

When Craven Arms defeated Quatt in a Division 3 game on 16th May it was their first win since beating Bromfield on 1st September, 1990!

What a spell ...

J. Boyce of Glynwed in a Division 4 game against N.A.L.G.O. on 25th April returned figures of 7-29 from 23.3 overs. After 20 overs he had figures of 0-27. He therefore took 7 wickets for 2 runs in 3.3 overs including a hat trick. Despite his magnificent efforts Glynwed lost the match by one run!

Nearly, but not quite ...

Cathedral had no century makers in 1992 but came mighty close on three occasions, Steve Rudd scoring 97 against Prees on 13th June and 98 v. Tibberton on 15th August whilst D. Grocock was left 99 not out against Colon Hall on 18th July.

Centuries galore ...

Excitement at Cound in the Division 3 match, Cound v. Alberbury on 23rd May. Alan Griffiths 132, Andy Parry 120 for the home side, Mark Jones 108 not out for Alberbury. Runs aggregate for the day almost 500!

Would you believe it ...

In their Division 4 game with Glynwed on 12th September, Hales and Warren were not only dismissed for the lowest score of the season, seventeen but found themselves on the wrong end of not one but two hat tricks. The first by J. Boyce coming off the first three balls of the innings! S. Doodson claimed the other.

What a performance (but all in vain) ...

Spare a thought for Oswestry veteran Jim Phillips playing in the Division 1 game at Newport on 6th June, he returned his seasons best figures of 7-30 from 23 overs to help dismiss Newport for 97. No happy endings though, for Oswestry were shot out for 54 with Jim top scoring with 22!

The Young and the Old ...

In the Division 1 game between Oswestry and Shrewsbury on 23rd May there was a difference of 70 years between the ages of the two scorers Leslie Blackshaw (Shrewsbury) 82 and Rueben Milner (Oswestry) 12. I'm told they did not miss a run between them all day!

So unlucky ...

That was Bridgnorth's Matt Turner who was stranded on 99 in the Division 1 game against Wellington on 1st August when the winning runs came from four byes when he was on strike!

Keeping up an end ...

Playing against British Sugar, with only ten players, Cathedral's last wicket pair of Ritchie Pike and Dick Wolf scored the 50 runs required for victory, with Dick's contribution being 1 while Ritchie finished on 67 not out!

Pointless? ...

In four successive games Tibberton amassed the grand total of 873 runs; their reward? - just 1 point!
