FOREWORD

The Year brought a successful season for the League with interest in all Divisions right to the end of the season.

Congratulations go to Newtown, Quatt, Shelton II, Condover, Acton Reynald, Tibberton II and Madeley III for winning their respective divisions.

Congratulations also to Tibberton for their win in the K.O. Final. This game was played in a spirit that was a credit to the League and Shelton were always in with a chance of winning. The matchwinning performance was put in by Dave Nock performing with the ball as much as with his customary batting.

Unfortunately the Shield Competition Final did not take place and the Committee will have to think how this can be improved.

The Junior Competitions run by Roger Dorricott again proved successful and are the lifeblood of our Clubs and League.

Off the field the League remains financially strong thanks to our Treasurer's guidance and the continued support of our Sponsors, Banks's. Our administration is first class in the capable hands of John Rees.

Your Management Committee work extremely hard on your behalf, often late into the night. Thankfully our Discipline and Disputes Committee was almost redundant and long may this continue.

Looking to the future, I hope the League continues its successful past. I would like all our first division clubs to reach the ground criteria for promotion to the Premier League and that we can get an umpires panel started to have at least one neutral umpire in each game.

I wish you all a successful season.

DAVE RALPHS, Chairman

RULES AND PLAYING ARRANGEMENTS

1. GENERAL

- 1.1 The *Rules and Playing Arrangements* set out below apply to all Divisions of the Shropshire Cricket League and will continue in force until officially amended on the authority of the Management Committee of the League.
- 1.2 These Rules are binding on all players and clubs in the Shropshire Cricket League and the Management Committee may take action against defaulting clubs or players.
- 1.3 The subscription shall be £19.00 per team, to be paid to the Treasurer not later than 1st May, by Direct Debit or Standing Order if possible. (See also Rule 15.1.)

2. QUALIFICATION OF PLAYERS

- 2.1 All players in Shropshire Cricket League matches must be registered with the League.
 - 2.1.1 No player who plays Saturday League cricket for a different club in another League may be registered as a player with a Shropshire Cricket League club.
 - 2.1.2 If a player who has been registered with a Shropshire Cricket League club plays Saturday League cricket for a different club in another League that player's registration with the Shropshire Cricket League shall be deemed to have ceased forthwith. The player is then ineligible to play in the Shropshire Cricket League.
- 2.2 A list of playing members, from whom teams for the current season will be selected, must be submitted to the Registrations Secretary each year **not later than 31st May**. Clubs must declare the date of birth of any player who was under the age of 19 on 31st August of the previous year. Failure to comply may mean that a team will accrue no points thereafter until the list of registered players is submitted.
 - 2.2.1 Any additions to the list of playing members must normally be registered in writing with the Registrations Secretary before they play their first League match. Any transferred player must also comply with the provisions of rules 2.3.1 and 2.3.2.

 - 2.2.3 New players may not normally be registered after 1st August. In **exceptional circumstances**, however, the Registrations Secretary may permit the registration of a player after the closing date.
 - 2.2.4 Registrations made in accordance with Rule 2.2.2 or 2.2.3 must be confirmed in writing to the Registrations Secretary **within 5 days** of the match being played.
 - 2.2.5 The 3rd and 4th teams of clubs whose senior teams play in other Leagues may use players from their 2nd team provided they are registered with the Shropshire Cricket League and Rules. 2.4.1 and 2.4.2 are compiled with.
- 2.3 **Transfers**
 - 2.3.1 Any club wishing to transfer a player from another club, whether it be a member club of the Shropshire Cricket League or another League, must obtain the consent of the Registrations Secretary before he becomes eligible to play for his new club.

The player's new club shall complete an official Transfer Form, obtainable from the League Secretary, and shall forward the completed form, together with a letter from the player's previous club confirming that he has fulfilled his obligations to that club, to the Registrations Secretary; he may not play in a League match for his new club until permission has been granted.
 - 2.3.2 No transfers will be permitted after 1st August.

2.4.1 A player who has played in 12 or more first team matches during the season shall not be allowed to play in any of the last three matches in a lower division without the approval of the Rules Sub-Committee.

2.4.2 A player who has played in a total of 12 or more first/second team matches during the season shall not be allowed to play in any of the last three matches in a lower division without the approval of the Rules Sub-Committee.

2.5 Penalty for Using Ineligible Player

If any club or team plays an ineligible player all points gained from the match shall be disallowed and 20 points shall be awarded to the non-offending team. Further points may be deducted from the offending team at the Committee's discretion.

3. RULES FOR THE CONDUCT OF ALL MATCHES

- 3.1 A fixture list shall be issued by the League Fixtures Secretary and all matches shall take place on the appointed Saturday.
 - 3.1.1 If a club wishes to play a match on a different date from the one published in the official fixture list **both** clubs must give written notice to the League Secretary not less than **ten days** before either the date shown in the official fixture list or the re-arranged date, whichever occurs first, and must obtain his permission before playing the match. Any infringement of this rule will result in the match being declared void.
 - 3.1.2 No player shall take part in more than one match published in the official fixture list to be played on the same day; this condition shall apply also when one or more of those matches has been re-arranged in accordance with Rule 3.1.1.
- 3.2 Matches shall be played in accordance with the **Laws of Cricket (2000 Code)** and current **England and Wales Cricket Board Directives** (shown elsewhere in this Handbook) with the following provisos:
 - (a) No underarm bowling shall be allowed in the League;
 - (b) Penalty runs (defined in Law 42) will not be awarded, except those accruing from:
 - No balls;
 - Wides;
 - Ball striking protective helmet belonging to the fielding side whilst it is on the ground within the field of play (Law 41.3);
 - Unfair fielding of the ball (Law 41.2).
 - (c) The maximum number of overs that may be bowled in a League match by a fast bowler in the U19 age category (ECB Fast Bowling Match Directive) shall be 20 (see also Rule 4.10).
- 3.3 **Restriction on Placement of Fielders**

In all divisions, at the instant of delivery of the ball, a minimum of four fielders plus the wicket-keeper and the bowler shall be within an area bounded by two semi-circles centred on each middle stump, each with a radius of 30 yards (27.4 m), and joined by two straight lines, parallel to, and on each side of, the pitch.

In the event of an infringement the square-leg umpire shall call and signal "no-ball".

The fielding circles shall be marked at five-yard intervals by white painted dots or preferably by white plastic or rubber discs (NOT metal) approximately seven inches (178 mm) in diameter.
- 3.4 Any club which intends to call off a match for reasons other than provided for in Rule 10 shall cancel its 2nd team game in preference to that of its 1st team; and similarly with the 3rd and 4th teams of clubs whose senior teams play in other Leagues. (See also Rule 15.2.)

3.5 All clubs shall be responsible for the behaviour of their supporters at matches. Any inappropriate behaviour will be subject to investigation by the League and any necessary action will be taken against the offending club by the Discipline Sub-Committee.

4. HOURS AND CONDITIONS OF PLAY

- 4.1 All matches played before the third Saturday in August shall commence at 2.00 p.m. All matches played on or after the third Saturday in August shall commence at 1.00 p.m.
- 4.2 Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time. In the event of a team not being able to comply, the opposing team may, if it so wishes, exercise the right to claim the toss. Clubs who arrive late without satisfactory explanation will be dealt with by the Management Committee, who may deduct points from the record of the offending club.
- 4.3 A match shall normally consist of 100 overs; however, the captains may agree to reduce the number of overs if, in their opinion, weather conditions so indicate. The minimum number of overs to constitute a match shall be 80. *70.*
- 4.4 The side batting first may receive a maximum of half of the allotted overs.
- 4.5 The side batting second shall utilise the balance of the overs not used by the side batting first. For this purpose the last over of the first innings shall be counted as a completed over.
- 4.6 In conjunction with the scorers, the umpires shall ensure that the recording of overs and runs is correctly made and adequately displayed at the end of each over.
- 4.7 Before the first ball of the last over of each innings, the umpires shall call "last over" clearly so that both sides understand.
- 4.8 Immediately upon the conclusion of each innings the scorers and umpires shall agree the accuracy of the recorded scores. The umpires' decision shall be final.
- 4.9 No match shall start later than 3 hours after the official starting time.
- 4.10 In all Divisions, teams must use at least five bowlers in their allotted overs, five of whom must bowl a minimum of three overs each. Irrespective of the number of overs agreed by the captains (see Rule 4.3) no bowler may bowl more than 20 overs.

5. INTERRUPTION OF PLAY

- Rain*
- 5.1 In the event of interference by weather, light or other unforeseen circumstances amounting to 30 minutes or more after the scheduled starting time, play shall cease at 8.30 p.m. (7.30 p.m. on or after the third Saturday in August) or on the completion of the final 20 overs, or on the completion of the number of overs that constitute that particular match, with the final 20 overs, as per the Laws of Cricket, commencing at 7.30 p.m. (6.30 p.m. on or after the third Saturday in August).
- 5.2 If an interruption of play occurs during the final 20 overs, the number of overs will be reduced by one over for every full three minutes lost and if the reduced number of overs is completed before 8.30 p.m. (7.30 p.m. on or after the third Saturday in August), and unless the number of overs constitutes the conclusion of the particular match, play will continue until 8.30 p.m. (7.30 p.m. on or after the third Saturday in August), or until the completion of the number of overs calculated to be bowled in the last hour, whichever shall be the later.
- 5.3 If the teams are off the field of play at the scheduled closing times detailed above, play shall be abandoned.
- 5.4 If the side batting second do not receive as many overs as the side batting first then the game shall be deemed to be "abandoned".

6. ALLOCATION OF POINTS

A maximum of 20 points are available per side, 10 of which are bonus points: 5 batting, 5 bowling.

Bowling bonus points: 1 point for every 2 wickets taken (2, 4, 6, 8 and after that, last wicket).

Batting bonus points: 1 point for reaching 100, 125, 150, 175, up to a maximum of 5 points on reaching 200 runs.

Win: 20 points awarded (includes maximum bonus points).

Lose: Bonus points only.

Draw: Bonus points for both sides, plus 10 points divided between the teams, as follows (points for side batting first are shown first):-

- Wing

- 5-5 if the scores are tied;
 - 6-4 if 90% or more of the first innings total is scored;
 - 7-3 if 80% or more of the first innings total is scored;
 - 8-2 if 70% or more of the first innings total is scored;
 - 9-1 if 60% or more of the first innings total is scored;
 - 10-0 if less than 60% of the first innings total is scored.

Abandoned: Three points to each side plus bonus points.

Not Started: Three points to each side.

Note: In the event of a declaration or, if a side is still batting at the end of its allotted overs, only wickets taken shall count towards the number of bowling bonus points awarded.

If the innings ends because a side is all out, the fielding side shall be awarded maximum bowling bonus points, irrespective of whether any batsmen have "Retired, Not Out" (as defined in Law 2.9(a)) and have been unable to resume their innings.

7. THE BALL

- 7.1 In all Divisions, two new balls, specified by and purchased through the League, shall be used in each game. Each team shall provide one ball.
- 7.2 If a ball is lost it shall be the responsibility of the fielding side to provide a suitable replacement.
- 7.3 The cost of League balls shall be notified to member clubs and payment shall be made to the Treasurer by the due date. (See also Rule 15.3.)

8. UMPIRES AND SCORERS

- 8.1 Teams shall endeavour to provide an umpire and a scorer in all League games.
- 8.2 If one side provides an umpire and the other does not, that one umpire shall be the official umpire for the match and shall stand at the bowler's end throughout the match.
- 8.3 Umpires are encouraged to comment to the League Secretary on the co-operation of teams and captains.

9. PITCHES

- 9.1 Matches will normally be played on grass pitches. In exceptional circumstances the League may consent to a team playing all its home matches on an artificial pitch.
- 9.2 Provided the home team notifies the visiting team **not less than 24 hours** before the scheduled starting time, a match may be played on an artificial pitch.
- Match
pitch*
- 9.3 Provided both captains are in agreement to do so, a match may be played on an artificial pitch when conditions would otherwise prevent it being played.
- 9.4 Before the toss is made, the home captain should advise his opposite number whether covers are available.

10. CANCELLATION OF MATCHES

- 10.1 If, in the opinion of the home club, the ground is unfit for play owing to weather or other circumstances it shall be the responsibility of the home club to inform the visiting club of this fact on the day of the match **between 11.00 a.m. and 12.00 noon** (10.00 a.m. and 11.00 a.m. from the third Saturday in August).

10.2 The match can be called off between the times stated above if both captains agree. If, however, the visiting team advises the home team that it will exercise its option to travel to the appointed venue, the match can only be called off at the scheduled starting time and with both teams present.

11. NOTIFICATION OF RESULTS

- 11.1 It shall be the responsibility of the home club to complete an official League Score Sheet. The Score Sheet shall contain full details of the game, including the names of ALL players, and shall be signed by both captains and, where appropriate, the umpires.
- 11.2 The Score Sheet must be posted (by First Class Post) to the League Secretary before the last collection time on the Monday following the match. Alternatively the Score Sheet may be faxed not later than 12 noon on the Tuesday following the match. Failure to comply with this Rule will result in points being deducted from the offending club.
- 11.3 Clubs shall make every effort to notify the result of their game to the media in time for publication.
- 11.4 Captains shall ensure that players are consistently and uniquely listed on the Score Sheet; this is to assist the League in correctly identifying players for its records.
- 11.5 When a match is abandoned without a ball being bowled the home team shall send a Score Sheet to the League Secretary.

12. PROTESTS

- 12.1 Any protest shall be lodged with the League Secretary by the Club Secretary (or other authorised club official) in writing within four days following the match.
- 12.2 A copy of such protest shall be sent to the club against whom the protest is made.
- 12.3 Each protest is to be accompanied by a fee of £10 which shall be forfeited if the Disputes Sub-Committee deems the protest to be trivial.
- 12.4 The club sustaining the protest or objection may have points added to its total points gained, but such points shall not exceed the maximum for a win. (See also Rule 3.3.)
- 12.5 When making a protest clubs shall state under which rule the protest is being made.
- 12.6 Clubs or players who are the subject of protests or disputes may be required to attend the hearing of that protest or dispute.
- 12.7 Any fine exceeding £20, any ban exceeding two weeks or any award or deduction of points exceeding 20, must first be endorsed by the Management Committee.
- 12.8 Any protest which arises from interpretation of the Laws of Cricket shall be referred to the appropriate national body for settlement and their decision shall be final; in all other matters the decision of the League shall be final.

13. APPEALS

- 13.1 A club may appeal against any decision of the Disputes Sub-Committee; such appeal will be heard by the Appeals Sub-Committee as constituted by the Management Committee.
- 13.2 Any appeal shall be lodged with the League Secretary by the Club Secretary (or other authorised club official) in writing within 14 days of the Disputes Sub-Committee's decision being notified to them.
- 13.3 A copy of the appeal shall be sent to any other club involved in the protest.
- 13.4 The appeal shall be accompanied by a fee of £20 as a contribution towards the costs of hearing the appeal. The Appeals Sub-Committee may at its discretion retain or refund all or part of the fee.
- 13.5 The appeal must include a full statement explaining why it is being lodged.

22.

13.6 The club will be permitted to have two representatives to present its case at the hearing; the Appeals Sub-Committee may require clubs/officials to attend the hearing.

13.7 The Appeals Sub-Committee is empowered to over-rule the decision of the Disputes Sub-Committee. Any fine exceeding, £20, any ban exceeding two weeks or any award or deduction of points exceeding 20, must first be endorsed by the Management Committee.

14. LEAGUE POSITIONAL PLACINGS

In the event of two or more teams finishing the season on the same number of points, the following criteria shall be applied successively to determine final placings:

1. The highest number of wins;
2. The lowest number of defeats;
3. The number of points gained by the teams in matches played between them during the season;
4. The highest number of wickets taken in the season and;
5. The highest number of runs scored in the season.

15. PENALTIES, FINES AND SURCHARGES

- 15.1 Any club which has not paid its subscription by the due date (see Rule 1) shall be liable to a surcharge of £5 per team for every month or part of a month that it is in arrears.
- 15.2 Any club which fails to fulfil a League fixture shall be fined £10 for each offence.
- 15.3 Any club which has not paid for its allocation of League balls by the due date (see Rule 7) shall be liable to a surcharge of £10 per team.
- 15.4 Any club which does not return a trophy by September 1st will be fined and/or points will be deducted. If any trophy is found to be damaged or requires cleaning when returned, the offending club will be invoiced with the cost of the renovation work.
- 15.5 If a club fails to pay any fine or surcharge within 14 days of the due date, points will also be deducted.
- 15.6 In the event of any contravention of these *Rules and Playing Arrangements* the Management Committee and its constituent sub-Committees shall have powers to award or deduct points, declare a match void and/or levy fines on any offending member club.

DANGEROUS AND UNFAIR BOWLING (LAW 42)

The Laws of Cricket (2000 Code) have re-defined Dangerous and Unfair Bowling and amended the penalties.

Law 42.6 (a) – Bowling of fast short pitched balls.

1. The bowling of **fast short pitched balls** is dangerous and unfair if the umpire at the bowler's end considers that by their repetition and taking into account their length, height and direction they are likely to inflict physical injury on the striker, irrespective of the protective equipment he may be wearing. The relative skill and age of the striker shall also be taken into consideration.
2. Any delivery which, after pitching, passes or would have passed **above head height** of the striker standing upright at the crease, **although not threatening physical injury**, is deemed to be unfair and the umpire shall call and signal "No Ball".

Law 42.6 (b) – Bowling of high full pitched balls.

1. Any delivery, other than a **slow paced one**, which passes or would have passed on the **full above waist height** of the striker standing upright at the crease is dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.
2. A **slow delivery** which passes or would have passed on the **full above shoulder height** of the striker standing upright at the crease is dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.

Law 42.7 – Dangerous and unfair bowling – action by the umpire.

1. In the event of Dangerous and/or Unfair Bowling, the umpire shall call and signal "No Ball" and **issue a caution** to the bowler and the captain.
2. In the event of repetition, the umpire shall additionally inform the bowler that this is a **final warning**.
3. In the event of further repetition, the umpire shall additionally instruct the captain to **take off the bowler forthwith**, the over being completed by another player. The bowler shall not bowl again in that match and the umpire shall report the incident to the League Secretary.

Law 42.8 – Deliberate bowling of high full pitched balls.

If the umpire considers that a high full pitched ball was bowled **deliberately**, he shall call and signal "No Ball" and shall **instruct the captain to take the bowler off forthwith**, i.e. without going through the procedure of issuing warnings, etc. (as in Law 42.7). The bowler shall not bowl again in that match and the umpire shall report the incident to the League Secretary.

Law 25 – Wide Ball.

It should be noted that a ball which passes "so high over the wicket that, in the opinion of the umpire, it passes out of reach of the striker" will no longer be a "Wide". It will be called and signalled "No Ball" and Law 42.7 (or 42.8) will apply.

SAFETY RULES ON THE WEARING OF CRICKET HELMETS BY YOUNG PLAYERS

The England and Wales Cricket Board's safety guidelines on the wearing of cricket helmets by young players are as follows:

- It is recommended that a helmet is worn by young players when batting and when standing up to the stumps when keeping wicket against a hard cricket ball in matches and in practice.
- A young player should not be allowed to bat or to stand up to the stumps when keeping wicket without a helmet against a hard ball except with written parental consent. Coaches, teachers, managers and umpires should always ensure that a young player wears a helmet if this written parental consent has not been received.
- Players should regard a helmet with a faceguard as a normal item of protective equipment when batting against a hard ball, together with pads, gloves and, for boys, an abdominal protector (box).
- There is a British Standard (BS7928:1998) for cricket helmets and it is in the best interests of players to ensure that their helmet conforms to this standard.

The ECB is recommending that this guidance is followed by all players up to the age of 18. It applies to young players in adult cricket as well as to all junior cricket played with a hard cricket ball.

The ECB is requesting that the new guidance is communicated to the parents or guardians of all young players through clubs and schools, and that parental consent is always obtained before young players are allowed to bat or stand up to the stumps when keeping wicket against a hard ball without wearing a helmet.

The ECB has also extended the existing regulations covering the minimum fielding distances for young players in all matches where a hard ball is used.

- No young player in the Under 15 age group or younger shall be allowed to field closer than 8 yards (7.3 metres) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.
 - For players in the Under 13 age group and below the distance is 11 yards (10 metres).
 - These minimum distances apply even if the player is wearing a helmet.
 - Should a young player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back.
 - In addition any young player in the Under 16 to Under 18 age groups, who has not reached the age of 18, must wear a helmet and, for boys, an abdominal protector (box) when fielding within 6 yards (5.5 metres) of the bat, except behind the wicket on the off side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.
 - These fielding regulations are applicable to all cricket in England and Wales. Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season.

ECB FAST BOWLING MATCH DIRECTIVES

Issued March 2002.

For any subsequent changes visit www.play-cricket.com

Age	Max. overs per spell	Max. overs per day
Up to 13	4 overs per spell	8 overs per day
U14, U15	5 overs per spell	10 overs per day
U16, U17	6 overs per spell	18 overs per day
U19	7 overs per spell	21 overs per day

For the purpose of these Directives a fast bowler should be defined as a bowler to whom a wicket keeper in the same age group would in normal circumstances stand back to take the ball.

Having completed a spell the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his* spell have been bowled from the same end. A bowler can change ends without ending his current spell provided that he bowls the next over that he legally can from the other end. If this does not happen his spell is deemed to be concluded. If play is interrupted, for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end. If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match he cannot exceed the maximum number of overs per day for his age group even if he subsequently bowls spin. He can exceed the maximum overs per spell if bowling spin, but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end. If he bowls spin without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast.

Captains, Team Managers and Umpires are asked to ensure that these Directives are followed at all times.

GILTEDGE PAVING KNOCKOUT COMPETITION RULES

1. GENERAL

The purpose of the Competition is to enable teams from member clubs of all Divisions to play each other in an eleven-a-side evening knock-out tournament. The Competition is intended to provide additional cricket for those players who play regularly for their club in its League matches during the season.

2. ORGANISATION

- 2.1 Teams will be drawn before the season starts and the fixtures will be published in the League's Handbook.
- 2.2 Teams will be notified by the League Secretary who their opponent will be as the competition progresses.
- 2.3 Matches must be played in accordance with these rules and results must be sent promptly to the League Secretary.
- 2.4 The competitions are organised and run by the Knock-out-Competitions Sub-Committee.

3. ELIGIBILITY OF PLAYERS

- 3.1 All players must be *bona fide* members of the club for which they play in the Competition and must be registered with the League in accordance with Rule 3 of the League's "Rules and Playing Arrangements".
- 3.2 To qualify to play in the Second and later rounds of the Competition, all players must have taken part in at least 20% of their club's *Shropshire Cricket League matches* played before that round. [Note: A League match which has been abandoned without a ball being bowled does not count when determining a player's eligibility.]
- 3.3 No player may take part in the Competition if he plays in any other League on Saturdays.
- 3.4 No player may play for more than one club in the Competition.
- 3.5 PROVIDED application is made to the Chairman of the Knock-out Competition Sub-Committee NOT LESS THAN SEVEN DAYS BEFORE the match is due to be played, explaining the reasons for the request, the League Knock-out Sub-Committee is prepared to consider a relaxation of Rule 3.2 when:-
 - (a) a club is genuinely unable to raise a full team of eligible players for a particular match; or
 - (b) a club wishes to include a player who is unable to play for his club on Saturdays (provided Rule 3.3 does not apply in his case).
- 3.6 Any club found to have used an ineligible player will be expelled from the competition and may be debarred from entry in subsequent years.

4. MATCH ARRANGEMENTS

- 4.1 Matches shall be played on the ground chosen by the home side.
- 4.2 Matches shall be played on the **Wednesday evening** of the specified week unless **both** clubs agree to play on a different evening of the same week.
- 4.3 If clubs can not agree the date of their match, the Knock-out Competition Sub-Committee will instruct them when it shall be played and its decision will be binding on both clubs.
- 4.4 If any club fails to fulfil a fixture without giving at least 48 hours notice to the opposing team it will be expelled from the Competition and the match will be awarded to the opposing team.
- 4.5 If bad weather prevents a match being played or completed during the specified week, the clubs must re-arrange it immediately to take place not later than the following week and the **home club** must notify the Chairman of the Knock-out Competition Sub-Committee of the revised date within 24 hours.

- 4.6 No match, other than one re-arranged in accordance with Rule 4.5, shall be played after the specified week.
 - 4.7 If any match is not played by the latest permitted date without good reason both clubs shall be expelled from the competition.
 - 4.8 Matches shall commence at 6.30 p.m. and prompt starts are essential.
 - 4.9 Each side shall have one innings consisting of a maximum of twenty six-ball overs. If there is a late start or if weather conditions make this desirable, the captains may, before the toss takes place, agree to reduce the number of overs.
 - 4.10 The toss for innings shall take place not later than 6.20 p.m. In the event of a team not complying with this, the opposing team may, if it so wishes, claim the toss.
 - 4.11 If one side is not ready to play by 6.45 p.m. that team shall be awarded to the other by default.
 - 4.12 The match ball shall be provided by the home side; it shall be approved by both captains before the toss and used throughout the game. It need not be new but must be of good quality and in good condition.
 - 4.13 No bowler may bowl more than one quarter (rounded up to the nearest whole number) of the agreed overs.
 - 4.14 The interval between innings shall not exceed ten minutes.
 - 4.15 No appeal against the light is allowed after the commencement of the second innings unless the umpires decide that it would be unreasonable or dangerous for play to continue.
 - 4.16 A match is won by the side scoring the greater number of runs in the agreed overs; if the scores are level, the side which has lost fewer wickets shall be the winner; if the number of wickets taken is also equal, the side scoring the greater number of runs after half the agreed overs have been bowled shall be the winner. If these also are the same, the winner shall be decided by the toss of a coin.
 - 4.17 It shall be the responsibility of the **winning club** to ensure that a **fully completed** official Shropshire League Knock-out Score Sheet, signed by both captains and umpires, is sent to the League Secretary, to arrive not later than two days after the match was played. Captains should note that the names of **all** players **must** appear on the Score Sheet, together with the number of matches which each player has played with that club in the League in the current season prior to the match.
 - 4.18 The League Secretary will inform clubs who their opponents will be in the next round and will send an official Score Sheet to the home side.
- ### 5. FINAL
- 5.1 The date and a neutral venue for the Final shall be determined by the Management Committee.
 - 5.2 The league will provide two new balls of good quality, one for each team's use.
 - 5.3 Each team shall have two innings, each consisting of twenty six-ball overs. The captains may, however, agree, before the toss takes place, to reduce the number of overs, if the weather conditions make this desirable.
 - 5.4 No bowler may bowl more than one quarter (rounded up to the nearest whole number) of the agreed overs in an innings.
 - 5.5 If the scores are level at the end of the match, the side losing fewer wickets during the match shall be declared the winner. If the number of wickets lost is equal, the side scoring the greater number of runs in the first innings shall be the winner. If these are also the same, the trophy shall be shared.
 - 5.6 The players of both teams and the umpires will be presented with small trophies as mementoes of the occasion.
 - 5.7 The umpires will be invited to nominate, and a trophy will be presented to the Man of the Match.

CONSTITUTION

1. NAME

The organisation shall be known as **The Shropshire Cricket League Sponsored by Banks's**, hereafter referred to as "the League".

2. OBJECT

To promote and develop the best interests of cricket in Shropshire and its bordering counties.

3. MEMBERSHIP

- (a) The League shall consist of member Clubs who satisfy the requirements of the League and Management Committee, hereafter referred to as "the Committee", with regard to status, playing strength and standard of grounds and facilities.
- (b) All member clubs must be in possession of Public Liability Insurance cover and shall produce written confirmation of same to the League if requested to do so.
- (c) All member clubs must be affiliated to their relevant Cricket Board. Failure to do so could result in expulsion from the League.
- (d) The teams of member Clubs shall play in Divisions, as determined by the Committee.
- (e) There shall normally be promotion and relegation between Divisions. In exceptional circumstances the Committee may make other arrangements and shall notify all member Clubs of its decision.
- (f) Any club desiring admission to, or any member Club seeking to change the number of its teams in, the League, shall apply in writing to the League Secretary not later than 15th October, indicating the number of teams it wishes to enter next season. Each application shall be considered by the Committee in accordance with the requirements of Clauses 3(a) 3(b), 3(c) and 3(d) above. In exceptional circumstances, applications received after the closing date may be considered.
- (g) Any member Club wishing to resign from the League shall give notice in writing to the League Secretary not later than 15th October.
- (h) Clauses 3(f) and 3(g) above shall not apply to any club promoted to or relegated from another recognised League forming part of the English Cricket Board's pyramid structure.
- (i) A member Club which removes its first team from the League shall be deemed to have resigned its membership: it may, however, apply to re-enter one or more of its lower teams and the application will be considered in accordance with the requirements of Clause 3(f) above.
- (j) The Committee shall have powers to require any member Club to resign from the League if, in its opinion, its general conduct or appointments do not satisfy the requirements of the League. Any member Club against which such action is proposed shall receive not less than 14 days notice in writing of the proposed action and shall be entitled to be represented at that part of the Committee meeting at which the matter is to be considered.
- (k) Any Club which ceases to be a member of the League shall at once forfeit any rights of participation in the assets of the League.
- (l) Following a recommendation from the Committee, the Annual General Meeting may confer the honour of Life Membership of the League on any person whom it considers worthy of special recognition by reason of services rendered to the League.

4. MANAGEMENT

Subject to the provisions of this Constitution, the control and management of the League shall be vested in the Management Committee, which shall make rules governing the general principles of the conduct of the League's affairs and shall have the powers to apply, create, alter or revoke such rules as it sees fit. The Committee shall have the power to convene a Special General Meeting of member Clubs.

5. MANAGEMENT COMMITTEE

- (a) The Committee shall consist of *ex officio* the Officers in 6(a) below, fifteen elected Members and Life Members of the League.
- (b) One-third of the elected Members shall be elected at each Annual General Meeting for a term of three years, after which time they shall retire from the Committee and, if they wish, offer themselves for re-election.
- (c) Not more than two elected Members from the same Club shall serve on the Committee at the same time.
- (d) At least seven days notice of meetings shall be given. Accidental omission to give notice of any meeting or non-receipt of such notice by any Committee member shall not invalidate any resolution passed at any such meeting.

- (f) One-third of the Committee shall form a quorum.
- (g) All questions arising at a Committee meeting, other than questions of order, shall be decided by a simple majority of votes: in the event of an equality of votes, the chairman of the meeting shall have a second or casting vote.
- (h) Committee members shall "declare an interest" when an issue directly affecting their own club is to be discussed and shall normally abstain from any vote on such matter.
- (i) The Committee may appoint sub-committees with such powers and terms of reference as it thinks fit.
- (j) The Committee shall have power to co-opt to fill a vacancy. Co-opted members shall serve until the next Annual General Meeting when the vacancy shall be filled by election.
- (k) The decision of the Committee is final.
- (l) Committee members are expected to attend all of its meetings. Anyone other than a Life Member who fails to attend three or more consecutive meetings is liable to expulsion from the Committee.
- (m) Any Committee member whose club ceases to be a member of the League may be required, at the discretion of the Committee, to resign his position.

6. OFFICERS

- (a) The Officers of the League shall be the President, Chairman, Vice-Chairman, League Secretary, Treasurer, Fixtures Secretary and Registrations Secretary.
- (b) The Officers shall be elected annually at, and shall take office from the end of, the Annual General Meeting.

Any club which fails to pay by the due date may be charged an additional penalty for each month or part of a month that it is in arrears. The amounts of the subscription and the penalty will be determined each year by the Committee and notified to all member Clubs.
- (b) If the subscription income is found to be insufficient to meet the League's needs, the Committee may levy an additional subscription on member Clubs.
- (c) The Committee shall cause proper account to be kept of all sums of money received and paid out by the League.
- (d) The financial year of the League shall end on 31st October.
- (e) The accounts of the League shall be examined annually by a qualified accountant, who shall certify their correctness.
- (f) A statement of accounts shall be presented by the Treasurer to the Annual General Meeting.

(g) The funds of the League shall be invested as the Committee decides after considering the recommendations of the Treasurer and the day-to-day transactions shall be dealt with by and through one or more Bank accounts in the name of the League.

(h) No moneys shall be paid from any account in the name of the League except upon the signatures of any two from the Chairman, Vice-Chairman, League Secretary and Treasurer who shall be the authorised signatories.

8. ANNUAL GENERAL MEETING

(a) The Annual General Meeting, hereafter referred to as "the Meeting", shall be held in November each year or as practicable thereafter.

(b) Notice of the Meeting shall be given in writing to all member Clubs at least twenty-eight days before the date thereof.

(c) The President shall preside at the Meeting. If the President is absent the Chairman shall preside; if the Chairman is absent the Vice-Chairman shall preside; if all are absent, the member Clubs present shall, before any other business is transacted, appoint a chairman of the Meeting.

(d) Nominations for President, Chairman, Vice-Chairman, League Secretary, Treasurer, Fixtures Secretary, Registrations Secretary and elected Members of the Committee shall be submitted in writing by member Clubs and received by the League Secretary at least seven days before the Meeting.

(e) Each member Club shall have one vote. In the event of an equality of votes, the chairman of the Meeting shall have a single casting vote.

(f) Proxy votes will not be accepted.

(g) The Constitution may be altered at an Annual General Meeting or Special General Meeting only and such alteration shall require the assent of at least two-thirds of the votes cast.

(h) Proposals to alter the Constitution must either be submitted by the Committee or be proposed and seconded by at least two member Clubs and received by the League Secretary not later than 30th September. The wording of any such proposed alteration to the Constitution shall be included in the Notice of Meeting.

(i) One-third of the member Clubs shall form a quorum.

9. SPECIAL GENERAL MEETING

(a) A Special General Meeting shall be called at the discretion of the Committee or on receipt by the League Secretary of a written request, signed by not less than one-third of member Clubs, stating the reason(s) why the meeting is being requested.

(b) The provisions applicable to the Annual General Meeting shall, with the exception of 8(a) and 8(h) above, apply also to the Special General Meeting.

(c) Proposals to alter the Constitution must either be submitted by the Committee or be proposed and seconded by at least two member Clubs and submitted to the League Secretary. The wording of any such proposed alteration to the Constitution shall be included in the Notice of Meeting.

10. TROPHIES

(a) Trophies will be awarded to the Champions and Runners-up in all Divisions.

(b) Additional awards may be made at the Committee's discretion.

(c) Trophies remain the property of the League and must be returned in good condition to the League Secretary not later than 30th September. Any member Club failing to do so may be invoiced for the cost of a replacement.

11. FIXTURES

(a) All League matches shall be played on the published dates.

(b) Any Club which fails to fulfil a fixture shall be fined and is liable to be expelled from the League for a third offence in any one season. The amount of the fines shall be determined from time to time by the Committee and shall be published in the League Handbook.

(c) Member Clubs will be informed of the dates on which a League Representative XI may be taking part in a Competition. Clubs should not under any circumstances withdraw a player selected to represent the League in favour of a Club competition.

12. WINDING UP

(a) The League may be wound up only by the passing of a resolution by a majority of at least two-thirds of the member Clubs present and voting at a Special General Meeting convened for the purpose of considering such resolution.

(b) In the event of the passing of a resolution to wind up the League, the meeting at which such resolution is passed shall appoint a committee which shall be empowered to distribute the League's assets, including cash and investments, between member Clubs, or other organisations having similar aims and objects as the League, in such proportions as they may, by simple majority, decide, provided that the same shall not be paid to, or divided between, any individual members of the Committee or the Officers. The Chairman, League Secretary and Treasurer shall be *ex officio* members of that committee. In the event of an equality of votes the Chairman shall have a second or casting vote.

(c) In the event that such committee is unable to reach a decision with regard to the distribution of the assets, the Chairman shall have power to refer the matter to an independent arbitrator, the costs, if any, of such arbitration being a proper charge on the assets of the League.
