<b>OPEN AGE CRICKET</b> The club has received in writing a parental consent form allowing any player in the under 12/13 age group to participate in open age cricket. It is very important to note that only a very low number of under 12 age group cricketers are eligible to play open age cricket. Almost all juniors in the U12 age group are ineligible, for further details please see ECB guidelines for Junior Players in Open Age cricket. Clubs must ensure that their player registration procedures ensure that consent I obtained. Players covered by parental consent .....	

I can confirm that I am an authorised signatory on behalf of the club and that I have read and understood the ECB safety guidance and the ECB Fast Bowling Directives. I agree that prior to the toss I have discussed with the umpires the age group of young players taking part in this match.
