FOREWORD

As was the case some twelve months ago, at the time of 'penning' this foreword, I am unable to give any indication of what the future may hold, in regard to whether the League structure remains as we have basically known it for 'nigh-on' a quarter of a century, or indeed if it is in danger of fragmenting, relative to the seemingly on going 'saga' involving the respective merits, for and against, the possibility of division one becoming embroiled in the promotion and relegation system.

Although representatives of both factions have met several times throughout the winter months in an attempt to find a solution acceptable to the two parties, it is almost certain that the situation will only be resolved when 'you', the member clubs, have the opportunity of recording your intentions by voting on the issue.

While 1993 saw a more competitive 'edge' being shown by players, especially in Division One, which of course, if channelled in the right direction, can only be good for the game, it was brought to the attention of the executive committee, that there was a noticeable decline, involving a small minority of players' attitudes' towards umpires. Needless to say, that should this trend not be reversed, stern action will be taken against such offenders, but just as important if disrespect aimed at officials is continued, it could in all probability herald the demise of the Umpire's Panel system, something which I am sure you will all agree, would be to the detriment of the game within this county.

On behalf of everyone connected with this League Competition, it is my pleasure to offer grateful and sincere thanks to our main sponsors - Furrows Ltd., "The Shropshire Star", "The Chronicle" Newspaper Group, BBC Radio Shropshire and to all those individuals who work so tirelessly in their efforts to maintain and improve the standards, both on and off the field of play, in regard to each and every one of the League Member Clubs. Grateful thanks are also due to Peter Wilkinson for his generous sponsorship over recent seasons of the young player of the year awards. Sadly, these did not receive the support of member clubs. A special thank you also to our handbook editor Brian Kitson, for once again producing this latest edition and lastly, but by no means least, may I wish cricket lovers, the length and breadth of Shropshire, all that is best in the sport for 1994.

NAME: This organisation to be known as
THE FURROWS SHROPSHIRE CRICKET LEAGUE

OBJECT: To promote the best interests of cricket in Shropshire and its bordering counties and to foster and develop amateur talent in the game.

In the event of any complaint against a member Club, that Club shall receive 14 days prior notice of the Committee's intention to hear that complaint and will be invited to send representatives to attend that part of the meeting hearing the complaint. This action shall be in addition to any steps taken under "Rules for the Conduct of Matches".
- (h) Any Club ceasing to be a member of the League shall at once forfeit any rights of participation in the assets of the League.

RULES AND PLAYING ARRANGEMENTS

1. GENERAL
The Rules and Arrangements set out below will apply to all Divisions of the Shropshire League from 1st April, 1994, and will continue until officially amended on the authority of the Executive Committee of the League.
2. QUALIFICATION OF PLAYERS
- (a) No player shall be brought in from an outside League to play in the Shropshire League during the playing season without first obtaining the written consent of the Rules Sub-Committee of the League. An exemption will be made to this rule for clubs with teams competing in another league (i.e. Madeley 3rd XI). No permission will be given to a club to register a player after 1st August.
 - (b) A list of playing members for the coming season, from whom teams for the season will be selected, must be submitted to the League Secretary no later than 31st May.
Any new players must also be registered with the League Secretary.
 - (i) In exceptional circumstances players may be registered on the day of the game with the permission of the Rules Sub-Committee.
 - (ii) Transfer Forms - issued by the League - are to be completed by both Clubs and acknowledged by the Rules Sub-Committee before players are eligible to play - any such transfers are to be completed within seven days.
 - (c) Any bona fide member of a club may take part in League matches provided that:
 - (i) after transferring from another club in this League he has applied for and obtained the sanction of the Rules Sub-Committee to represent his new Club. Such applications must be received four clear days before his first match with his new club and must be accompanied by a letter from the Secretary of his old club confirming that he has fulfilled his obligations to that Club.
 - (ii) if he has played in 12 or more first team matches, he shall not be allowed to play in any of the last three matches in a lower division or in a second team match without the approval of the Rules Sub-Committee.
 - (iii) if he has played in 12 or more first or second team matches, he shall not be allowed to play in any of the last three matches in a lower division without the approval of the Rules Sub-Committee.
3. RULES FOR THE CONDUCT OF ALL MATCHES
- (a) All teams shall play each other on a home and away basis, fixtures being arranged by the League Fixture Secretary between mid-April and mid-September. All fixtures shall take place on a Saturday unless clubs are desirous of re-arranging a fixture after they have been published. In this case BOTH clubs must give written notice to the League Secretary not less than ten days before the date of the proposed alteration and must be granted permission before carrying out any change. Any infringement of this rule will result in the match being declared void.
 - (b) Matches shall be played in accordance with the LAWS of CRICKET subject to such specific points as are hereinafter stipulated.
 - (c) No underarm bowling will be allowed in the League.
 - (d) (i) The Executive Committee shall have the discretion to call a match void if they deem it necessary and may award or deduct points at their discretion.
(ii) In games with panel umpires officiating (e.g. Division One Games) umpires are instructed to apply a strict and consistent interpretation of the law covering 'Wide Ball' in order to prevent negative bowling, especially down the leg side or over the batsman's head.
The following criteria should be adopted as a guide to umpires:-
(a) If in the umpire's opinion the ball passes either side of the wicket, sufficiently wide to make it virtually impossible for the batsman to play a normal 'cricketing stroke' - both from where he is standing and where he should normally be standing at the crease, the umpire shall call and signal 'wide ball'.

- (b) If the ball passes over head height of the batsman - standing upright at the crease, the umpire shall call and signal 'wide ball'.
Note: The aforementioned provisions do not apply if the striker makes contact with the ball or if it passes below head height between the striker and the wicket.
- (iii) After the toss has been made umpires officiating in Division One games shall be the sole arbiters of ground, weather and light conditions and are instructed that play shall not start, re-start or proceed when rain is falling.

4. HOURS AND CONDITIONS OF PLAY

- (a) All matches shall commence at 2.00 p.m. except in September when all matches shall commence at 1.00 p.m.
- (b) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time. In the event of a team not being able to comply, the opposing team may, if it so wishes, exercise the right to claim the toss. Clubs who arrive late without a satisfactory explanation will be dealt with by the Executive Committee who may deduct two points from the record of the offending club.
- (c) (i) The duration of play shall be limited to 100 six-ball overs with an interval of 20 minutes for tea between innings.
(ii) The side batting first shall receive not more than 50 overs.
(iii) The other side shall, in addition to its 50 overs, utilise the balance, if any, of that same quota not used by the sidebatting first. In this case, any odd balls bowled shall constitute a complete over.
(iv) In conjunction with the scorers, the umpires shall ensure that the recording of overs and runs is correctly made and adequately displayed.
Before the first ball of the last over of each innings, the umpires shall call 'last over' clearly so that both sides understand.
(v) Captains may agree to reduce the overs before the toss takes place if in their opinion the weather conditions so indicate. In these circumstances the provisions of Rule 5 will have no bearing unless 30 minutes have been lost. The minimum number of overs to constitute a match to be forty.
(vi) No match shall start after 5.00 p.m. (4.00 p.m. in September)

5. INTERRUPTION OF PLAY

- (a) In the event of interference by weather, light or unforeseen circumstances amounting to 30 minutes or more after the scheduled starting time 2.00 p.m. April-August and 1.00 p.m. in September, play in the months of April to July inclusive shall cease at 8.30 p.m. or on the completion of the final 20 overs, whichever shall be the later, or on the completion of the number of overs that constitute that particular match, with the final 20 overs, as per the laws of cricket, commencing at 7.30 p.m.
In August play shall cease at 8.00 p.m. or on the completion of the final 20 overs, whichever shall be the later, or on the completion of the number of overs that constitute that particular match, with the final 20 overs, as per the laws of cricket, commencing at 7.00 p.m.
In September play shall cease at 7.00 p.m. or on the completion of the final 20 overs, whichever shall be the later, or on the completion of the number of overs that constitute that particular match, with the final 20 overs, as per the laws of cricket, commencing at 6.00 p.m.
If a further interruption of play occurs during the final 20 overs, the number of overs will be reduced by one over for every full three minutes lost, and if the reduced number of overs are completed in April-July inclusive, before 8.30 p.m., and unless the number of overs bowled during that time constitute the completion of that particular match, play will continue until 8.30 p.m. or on the completion of the number of overs calculated to be bowled in the last hour, whichever shall be the later. The same will apply in August (8.00 p.m.) and in September (7.00 p.m.).
Note: If the teams are off the field at the scheduled closing times detailed above, play shall be abandoned.

- (b) If, at the scheduled finishing times in (a) above, the side batting second still occupy the crease, and have received at least as many overs as the side batting first, then the game shall be a draw and the points allocated in accordance with Rule 6.
- (c) If the side batting second do not receive as many overs as the side batting first then the game shall be abandoned.
- (d) If a bowler is incapacitated during an over, that over shall be completed by any member of the fielding side other than he who bowled the previous over.

6. ALLOCATION OF POINTS

- WIN: 8 points. Note: The side batting second by choice will obtain 8 points if they bowl out the opposition and win. If they fail to bowl out the opposition and win, they will receive 7 points.
- TIE: 4 points to each side only when scores are equal and the team batting second are all out or have used their allocation of overs (Subject to Rule 5 (b) and 5 (c)).
- WINNING DRAW: 4 points to the side scoring the greater number of runs in a completed match subject to rule 5(b) and 5(c).
- LOSING DRAW: 1 point, provided that the side batting second scores more than 75% of the runs scored by the side batting first in a completed match. Note: If the side batting second fails to score more than 75% of the runs scored by the side batting first in a completed match, the side batting first shall receive 5 points.
- NOT STARTED: 1 point to each side.
- ABANDONED: 1 point to each side.
- OVER RATE: Overs are required to be bowled at 18 overs per hour. Any side failing to attain an average of 18 overs per hour will have 8 points deducted from their points total at the end of the season. This rule applies to Division One and Reserve Division One only.

7. THE BALL

- Two new balls purchased through the League shall be used in all Division One games. One new ball purchased through the League shall be used in all Division Two, Three, Three A and Four games and also in all reserve Division One games. Any Club not having paid for its allocation by the due date shall be liable to a surcharge of £10. In all other Reserve Divisions, a new ball need not be provided for every match but the ball to be used shall be in good condition and of good quality. This shall be submitted to and approved by the Captains before the toss. Two new balls, purchased through the League may be provided by the home side for use in any League Match outside Division One subject to the agreement of the opposing Captain prior to the toss taking place.

8. QUALIFICATION OF UMPIRES

- (a) An umpire may be required to satisfy the Rules Sub-Committee as to his competence either on appointment or at any time thereafter.
- (b) If one side provides an umpire and the other side does not provide one, that one umpire should be the official umpire for the match and should stand at the bowler's end throughout the match.
- (c) Umpires should be responsible for noting and recording the over rate - viz. overs bowled and time taken - and will be required to note this information on the official League Score Sheet.
- (d) The Shropshire Association of Cricket Umpires will be responsible for appointing umpires to all Division One and League Knockout fixtures.
- (e) No fee as such is payable to umpires appointed from the panel. Expenses will be met by the Shropshire Association of Cricket Umpires with all Division One Clubs being expected to submit, on request, a one-off payment to the Shropshire A.C.U. to cover such costs.
- (f) Captains are to award marks out of ten to panel umpires officiating in Division One matches and to submit the forms provided by the League together with the result sheets to the League Secretary. Umpires will also be empowered to comment on ground facilities and the co-operation of teams and captains.

9. PREPARATION OF PITCHES
 (a) Preparation of pitches must be in accordance with the M.C.C. Laws and Instruction. Pitches should not be watered in the 48 hour period preceding any match.
 (b) Pitches may be wholly covered at all times where possible. Before the toss is made, the home Captain should advise his opposite number whether covers are available.
10. PLAYERS CROSSING
 (a) The attention of Captains is drawn to Note 2(b) of Law 31, whereby it is one of their duties to ensure the incoming batsman passes the outgoing one before the latter leaves the field of play.
11. CANCELLATION OF MATCHES
 In the event of any ground being unfit for play owing to weather or other circumstances it shall be the responsibility of the home club to inform the visiting club of this fact.
 This should be carried out on the day of the match NOT before 11.00 a.m. and NOT later than 12.00 noon. (10.00 a.m. and 11.00 a.m. in September). Opponents have the option to travel.
12. NOTIFICATION OF RESULTS
 It shall be the responsibility of the home club to send full details of the match played on the score sheet issued by the League which is signed by both Captains. This score sheet must reach the League Secretary by the first post each Thursday after the match has been played. Failure to comply with this rule will result in two points being deducted from the offending club.
13. PROTEST
 (a) Any protest shall be lodged with the League Secretary in writing within four days following the match.
 (b) A copy of such protest shall be sent to the club against whom the protest is made.
 (c) Each protest is to be accompanied by a fee of £5 which shall be forfeited if the Disputes Sub-Committee deems the protest to be trivial.
 (d) The club sustaining the protest or objection shall have the points added to its total points gained, but such points not to exceed the maximum for a win. The club against whom the protest has been made to lose any points gained.
 (e) Clubs when making a protest shall state under which rule the protest is made.
14. DISPUTES
 Any dispute having reference to the Laws of Cricket shall be referred to the Cricket Council for settlement and their decision shall be final, but in all other matters the decision of the League shall be final.
15. LEAGUE POSITIONAL PLACINGS
 In the event of two or more teams finishing on the same number of points at the end of a season, the following factors shall be used to determine final placings: firstly - the number of points gained from least completed matches; if still equal, most wins; if still equal, least defeats; if still equal, most winning draws; if still equal, most away wins; if still equal, the points tally of League matches played that season between the teams involved; if still equal, most wickets taken during the season.
16. These rules are binding on all players and clubs in the Furrows Shropshire Cricket League and the Executive Committee may take action against defaulting clubs or players.
17. ARTIFICIAL PITCHES
 Clubs outside Division One who wish to play a League fixture on an artificial pitch, must notify and obtain agreement from the opposing team ten days before the fixture is due to played. Failure to comply with this requirement may result in the loss of points.

KNOCKOUT COMPETITION RULES

1. **Object**

The object of the competition is to promote an eleven-a-side evening Knock-out competition among member clubs of the League. The games will be played according to the M.C.C. Laws of Cricket (1980 Code) modified as under 3 below.
2. **Organisation**

The Shropshire League Knock-out competition shall be open to the twelve Division One clubs together with the four clubs emerging from the qualifying competition to be known as the Shropshire League Village Knock-out. This will be open to all Division Two, Three and Four Clubs and arranged on an area basis with two clubs emerging from each of two zones. These four qualifiers will also compete as semi-finalists in the Village Knock-out.
3. **Rules**
 - Law 1
 - (a) Each player must be a member of the club he represents and a current Shropshire League player as defined under League rules.
 - (b) A player who is a member of more than one club can play only for one club in the competition.
 - (c) Any team failing to fulfil a fixture at any stage of either competition shall be automatically excluded from the following year's competition and will also be barred from entry in future years. Applications for re-admittance must be made to the League Executive Committee by no later than 1st October in the preceding year.
 - Law 3
 - (a) Umpires should note that no appeal against the light shall be allowed after the commencement of the second innings unless both captains agree that further play is undesirable.
 - Law 5
 - (a) A new ball will not be used, but a suitable re-polished or re-varnished ball of sound quality, which is acceptable to both captains, will be used throughout the game.
 - Law 12
 - (a) Excepting Finals, each side will have one innings consisting of twenty six-ball overs.
 - (b) Provided that both captains agree prior to the commencement of play, the match may be contested over a lesser number of overs in the event of bad weather or a late start.
 - (c) Before the toss for innings, the umpires shall acquaint themselves with the number of overs agreed upon by the two captains.
 - Law 16
 - (a) The interval between each innings shall be not more than ten minutes.
 - Law 21
 - (a) A match is won by the side scoring the higher number of runs in the agreed number of overs. In the event of scores being level, the side losing fewer wickets shall be declared the winner. If this is also equal, the side scoring the greater number of runs in the first ten overs (or at the half way point in their innings if different) shall be the winner. If this is also equal, the match is tied and will be replayed on a ground chosen by the visiting team.
 - Law 22
 - (a) No bowler may bowl more than five overs out of the allotted twenty. If a match of fewer overs is agreed upon, no bowler may bowl more than one quarter of the total.
 - Law 25
 - (a) In addition to the normal provisions of this law the umpire shall call and signal "wide ball" if the ball passes more than 18" outside the batsman's pads (to the legside), when he is standing at his normal position at the crease.

Restriction on placement of fielders (League K.O. only)

At the instant of delivery, a minimum of four fielders (plus bowler and wicket-keeper) must be within an area bounded by two semi-circles, centred on each middle stump, each with a radius of 30 yards and joined by a parallel line on each side of the pitch. In the event of an infringement the square-leg umpire shall call 'no-ball'.

The fielding circles may be marked by white painted dots at five yard intervals or if possible by white plastic or rubber (not metal) discs measuring approximately seven inches in diameter.

4. **Fixtures**
 - (a) Both Village Knock-out and League Knock-out competitions shall be pre-drawn as far as the semi-final stages and the full draw will be notified to all clubs by the preceding 1st March and printed in the League Handbook.
 - (b) The matches shall be played on the ground chosen by the side drawn as the home side.
 - (c) Each round of both competitions will be played on a conference date specified by the Knock-out Sub-Committee and printed in the League Handbook. However, in the event of both teams agreeing, the match may be played on an earlier date than that which is laid down in the Rules providing the League Secretary is notified at least forty-eight hours prior to any such rearranged match.
 - (d) In the event of inclement weather not allowing the match to be completed on the conference date, a revised date (within seven days of the original) must be agreed by both clubs immediately and communicated within 24 hours to a member of the Knockout Sub-Committee by the home club. Failure to agree on a new date will result in the Knockout Sub-Committee defining a date on which the match shall take place.
 - (e) No match shall be played after the conference date – other than one rearranged under Rule 4(d). If it is found that clubs do arrange a match after the conference date, both clubs will be expelled from the competition.
 - (f) If either club is unable to play on the conference date and are not able to agree an earlier date they shall forfeit the match.
 - (g) Matches shall normally commence not later than 6.30 p.m. on the day arranged. The umpires shall call play not later than 6.45 p.m. and any side refusing to play shall lose the match.
 - (h) Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time of 6.30 p.m. (6.15 p.m. for League Knock-out). In the event of a team not being available to comply, the opposing team may, if it so wishes, exercise the right to claim the toss.
 - (i) The winning clubs – in each round of both competitions – shall notify the League Secretary of the result within 48 hours of the fixture taking place.
5. **Finals**
 - (a) The finals of both competitions shall be played on an afternoon basis on dates to be ratified by the Knock-out Sub-Committee.
 - (b) A neutral ground selected by the Knock-out Sub-Committee shall be used. In the event of no ground being available the two sides will toss a coin to decide on a venue of the winner's choosing.
 - (c) The finals shall be played over two innings each side of twenty overs per innings which shall be taken alternately. No bowler may bowl more than five overs in each innings.
 - (d) In the event of the scores being equal at the end of the match the side losing fewer wickets shall be declared the winner. If this is also equal, the side scoring the greater number of runs in the first twenty overs of their innings shall be the winner. If this is also equal, the final shall be replayed.
 - (e) The league will provide two new balls of good quality for each final.
 - (f) The members of teams competing in finals will be presented with small trophies as mementoes of the occasion.
6. **Umpires**
 - (a) All League Knockout matches shall be taken charge of by umpires appointed by the Shropshire Association of Cricket Umpires.
 - (b) Umpires for the semi-finals and final of the Village Knockout will be appointed by the Shropshire Association of Cricket Umpires.
 - (c) On request, the Shropshire Association of Cricket Umpires will also endeavour to supply umpires for the qualifying rounds of the Village Knockout.

FROM THE BOUNDARY'S EDGE

Following in father's footsteps ...

16 year old Richard Burton son of former County star Rob, playing for Wroxeter 2nd XI scored 87 n.o., 54 n.o., 64 n.o., 52 and 67 n.o. in consecutive innings, for an average of 324!! I wonder if Dad managed such an impressive sequence during his career?

Where have all the bowlers gone ...

Incredibly 35 centuries were scored in Division One compared with only 9 in 1992, whilst the toiling bowlers could only dismiss 7 or more batsmen on 7 occasions, one less than in 1992.

In a hurry ... (or what a performance!)

Oswestry's Gary Phillips hit 53 in only 33 balls against Ludlow on 24 July and then completed a tremendous all round effort by taking 6-54 dismissing the last Ludlow batsman off the penultimate ball of the match!

Making the most of your chances ...

Perkins 3rd XI batsman Gordon Smith (who has previously represented Scotland) only batted on 9 occasions but managed to record 3 centuries.

What a debut...

Bishops Castle, playing their first ever game in the League, dismissed Guilsfield for 11 runs (yes eleven!) in their Division 5 game on April 24, Neil Perks taking 5-3 and Howard Jones 5-7!

How Old? ...

Richard Moores, playing for Bridgnorth 3rd XI against Oswestry 3rd XI on 7 August took 8-23 with his leg spinners, and went on to take a total of 40 wickets, at an average of 15.73. No mean feat for a 14 year old!

Talking about kicking yourself ...

Needing 2 runs to win off the last 5 balls of their match with Cathedral on 1 May, Coton Hall attempted an ill fated run off the second ball and then succumbed to a "Wink" Martindale hat trick leaving Cathedral winners by 1 run with one ball to spare!

That's the way to do it ... (or cometh the man!)

In the game against Hodnet on 21 August, Knockin were struggling at 40-5 in reply to Hodnet's 86 until Julian Gallimore strode to the wicket and smashed an unbeaten 47 off only 18 deliveries to win the game.

I wonder why? ...

Newport's Keith Parsons scored 117 against Wroxeter in the Division One game on 7 August but the following week found himself in the 2nd XI in the game with Shrewsbury! Undeterred he proceeded to hit his second successive century finishing unbeaten on 117!
