FOREWORD

Our League continues to flourish and the addition of four new sides for 2006 means we can continue to run seven divisions, each with 12 sides.

This brings our total of teams joining our League to 16 within the last three seasons and more than compensates for the annual loss of our champion XI and its second team to the Shropshire Premier League, where we wish Welshpool well for their first endeavours this year.

Thanks once again go to our main sponsors Rollinson Smith for their continued support. Their input means cash is spread through the whole structure, with prizemoney for the first four sides in each division, the financing of our youth sections, and the subsidising of match balls.

We are also pleased to announce the sponsorship of our KO competition by Shrewsbury property agents Holland Broadbridge, and hope this proves a longstanding arrangement.

Last year all divisions remained competitive virtually throughout which shows the strength of our League. In most cases the promotion slots went right to the wire, most notably in Division Three, and only a few became obvious come September.

Congratulations to Welshpool, Bomere Heath, Wrekin, St Georges III, Shifnal III, Corvedale and Much Wenlock II for topping their sections. Well done too to British Sugar for their victory in the Knockout final against Much Wenlock in what was a great game to watch with a close result. Thanks to all at Lilleshall for hosting the event.

Junior cricket continues to flourish and we are grateful to all the people who gave their time to make these matches possible. Youth of course is the lifeblood of our league and we should do everything we can to promote these games. My thanks to Jamie Dowley for taking on the task of organising the junior sections this year, which sees one change to the age sections – we have an under-17 competition instead of under-18 which we feel is more appropriate.

Our representative side lost to a very strong Northants Premier League, and then bowed out of the subsidiary cup to the Merseyside League. We thanks Graham Trow and his players for their efforts on our behalf.

All clubs and sides must now make use of the website, and are required to post their results by noon on the Monday following matches. This is in everyone's interests, and enables us all to see up-to-date league positions. Please co-operate and give Tim Clare the information he needs.

We have an incentive rule for teams to provide an umpire for all games. All sides in Divisions One to Four inclusive are required to provide a qualified official, and each time they do so they will be awarded one bonus point on top of any points they gain through performance. Other rules have not changed as much as last season. We have increased the points for a side that wins batting first from 22 to 23.

Ian Ramsay is hopeful that all child protection officers will be qualified this season.

A sincere thank-you to all the local Press for their coverage of our games throughout the season – players around the county enjoy reading about themselves after good on-field performances.

The same kind of thanks go to the whole Management Committee for their efforts on your behalf, especially to Peter Wilkinson who has proved to be a real working President; and also to the clubs for their participation and involvement in the League.

DAVE RALPHS, Chairman

RULES AND PLAYING ARRANGEMENTS

1. GENERAL

- 1.1 The **Rules and Playing Arrangements** set out below apply to all Divisions of the Shropshire Cricket League and will continue in force until officially amended on the authority of the Management Committee of the League.
- 1.2 These Rules are binding on all players and clubs in the Shropshire Cricket League and the Management Committee may take action against defaulting clubs or players.
- 1.3 The subscription shall be £19.00 per team, to be paid to the Treasurer not later than 1st May, by Direct Debit or Standing Order if possible. (See also Rule 15.1.)
- 1.4 All clubs in the League must appoint a Child Protection Officer and must register, in writing, any changes to that appointment with the League's Child Protection Officer.

2. PLAYERS

2.1 Registration

- 2.1.1 All players in Shropshire Cricket League matches must be registered with the League; player registration must be in accordance with current ECB regulations. No suspended players will be permitted to play in the Shropshire League.
- 2.1.2 A list of playing members, from whom teams for the current season will be selected, must be submitted to the Registrations Secretary each year **not later than 31st May**. Failure to comply may mean that a team will accrue no points thereafter until the list of registered players is submitted.
- 2.1.3 Any additions to the list of playing members must normally be registered in writing with the Registrations Secretary before they play their first League match. Any transferred player must also comply with the provisions of Rules 2.3.1, 2.3.2 and 2.3.3.
- 2.1.4 Clubs must declare the date of birth of any player who was under the age of 19 on 31st August of the previous year.
- 2.1.5 **In exceptional circumstances** a player (not involved in a transfer) may be registered by 11.00 a.m. on the day of his first match by obtaining the verbal permission of the Registrations Secretary, or if he is not available, any member of the Rules Sub-Committee.
- 2.1.6 New players may not normally be registered after 1st August. In **exceptional circumstances**, however, the Registrations Secretary may permit the registration of a player after the closing date.
- 2.1.7 Registrations made in accordance with Rule 2.1.5 or 2.1.6 must be confirmed in writing to the Registrations Secretary **within 5 days** of the match being played. Failure to do so will render the player ineligible for subsequent matches.

Note: In 2007, the latest date for player registrations will be brought forward to 15 April

2.2 Qualification

- 2.2.1 Subject to Rule 2.3 no player who plays Saturday League cricket for, or is registered as a player with, a different club in another League may play for, or be registered as a player with, a Shropshire Cricket League club in the same season. The Management Committee reserves the right to deduct points from any club fielding players who are not *bona fide* members of that club.
- 2.2.2 If a player who has been registered with a Shropshire Cricket League club plays Saturday League cricket for a different club in another League that player's registration with the Shropshire Cricket League shall be deemed to have ceased forthwith and he is then ineligible to play in the Shropshire Cricket League.

2.3 Transfers

- 2.3.1 Any club wishing to transfer a player from another club, whether it be a member club of the Shropshire Cricket League or another League, must obtain the consent of the Registrations Secretary before he becomes eligible to play for his new club.
- 2.3.2 The player's new club shall complete an official Transfer Form, obtainable from the Registrations Secretary, and shall forward the completed form, together with a letter from the player's previous club confirming that he has fulfilled his obligations to that club, to the Registrations Secretary; he may not play in a League match for his new club until permission has been granted.
- 2.3.3 No transfers will be permitted after 1st August.

2.4 Eligibility

- 2.4.1 A player who has played in a total of 12 or more first/second/third team matches during the season shall not be allowed to play in any of the last three matches in a lower division without the prior approval of the Registrations Secretary.
- 2.4.2 The 3rd and 4th teams of clubs whose senior teams play in other Leagues may use players from their senior teams provided those players are registered with the Shropshire Cricket League and are in compliance with Rule 2.4.1.
- 2.4.3 If a club or team plays an ineligible player the Committee may at its discretion disallow all points gained by both teams from the match and may award up to 20 points to the non-offending team; further points may be deducted from the offending team.

3. RULES FOR THE CONDUCT OF ALL MATCHES

- 3.1 A fixture list shall be issued by the League Fixtures Secretary and all matches shall take place on the appointed date.
- 3.1.1 When a Sunday match is published in the fixture list no player may play in the match if he also played for any of his club's other League teams on the same weekend.
- 3.1.2 No player is permitted to play in more than one match published in the fixture list to be played on the same date.
- 3.1.3 If a club wishes to re-arrange a match to be played on a different date from the one published in the fixture list **both** clubs must give written notice to, and obtain permission from, the League Secretary not less than **ten days** before either the date shown in the fixture list or the re-arranged date, whichever occurs first, before playing the match. Any infringement of this rule will result in the match being declared void.
- 3.2 Matches shall be played in accordance with current **Laws of Cricket (2000 Code, 2nd Edition – 2003)** and current **England and Wales Cricket Board Directives**, with the following provisos:-
- (a) A player arriving more than 2 hours after a match has started will only be permitted to play if the opposing captain agrees.
- (b) Penalty runs (defined in Law 42) will not be awarded, except those accruing from:
- No balls;
 - Wides;
 - Ball striking protective helmet belonging to the fielding side whilst it is on the ground within the field of play (Law 41.3);
 - Unfair fielding of the ball (Law 41.2).
- (c) No underarm bowling shall be allowed in the League.
- 3.3 Prior to the toss, captains shall submit team sheets to the umpires; these sheets must identify all players, including the Age Group of those under 19 at midnight on 31st August in the previous year. If no umpire is present, captains will exchange their lists.

3.4 Restriction on Placement of Fielders

In all divisions, at the instant of delivery of the ball, a minimum of four fielders plus the wicket-keeper and the bowler shall be within an area bounded by two semi-circles centred on each middle stump, each with a radius of 30 yards (27.4 m), and joined by two straight lines, parallel to, and on each side of, the pitch.

In the event of an infringement the square-leg umpire shall call and signal "no-ball".

The fielding circles shall be marked at ten-yard intervals by white painted dots or preferably by white plastic or rubber discs (NOT metal) approximately seven inches (178 mm) in diameter.

- 3.5 Any club which intends to call off a match for reasons other than provided for in Rule 10 shall cancel its 2nd team game in preference to that of its 1st team; and similarly with the 3rd and 4th teams of clubs whose senior teams play in other Leagues. (See also Rules 15.2 and 15.3.)
- 3.6 All clubs shall be responsible for the behaviour of their players, officials and supporters at matches. Any inappropriate behaviour will be subject to investigation by the League and any necessary action will be taken against the offending club by the Disputes Sub-Committee.

4. HOURS AND CONDITIONS OF PLAY

- 4.1 All matches played before the third Saturday in August shall commence at 2.00 p.m. All matches played on or after the third Saturday in August shall commence at 1.00 p.m. Start times may be brought forward with the agreement of both captains.
- 4.2 Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the agreed starting time. In the event of a team not being able to comply, the opposing team may, if it so wishes, exercise the right to claim the toss. Teams who arrive late without satisfactory explanation will be dealt with by the Disputes Sub-Committee, who may deduct points from the record of the offending club.
- 4.3 In Divisions One and Two a match shall normally consist of 100 overs and 90 overs in all other divisions; however, with the agreement of both captains (before the toss), this number may be increased to a maximum of 100 or reduced to a minimum of 70 overs. In all divisions the **minimum number of overs** to constitute a match shall be **70**.
- 4.4 The side batting first may receive a maximum of half of the allotted overs.
- 4.5 The side batting second shall utilise the balance of the overs not used by the side batting first. For this purpose the last over of the first innings shall be counted as a completed over.
- 4.6 The umpires shall ensure that the scorers sit together in close proximity to the scoreboard ensuring that the recording of overs, runs and wickets is correctly made and adequately displayed at the end of each over.
- 4.7 Before the first ball of the last over of each innings, the umpire shall call "last over" clearly so that both sides understand.
- 4.8 Immediately upon the conclusion of each innings the captains, scorers and umpires shall agree the accuracy of the recorded scores. The umpires' decision shall be final.
- 4.9 No match shall start later than 3 hours after the official starting time.
- 4.10 In all Divisions, teams must use at least five bowlers in their allotted overs, all of whom must bowl a minimum of four overs each; alternatively, the overs of any bowler (usually but not necessarily the fifth) may be shared with a 6th, 7th or 8th bowler, provided that the aggregate of overs bowled by these players is at least 4. Irrespective of the number of overs agreed by the captains (see Rule 4.3) and the ECB Fast Bowling Directive for U19s, no bowler may bowl more than 20 overs.

5. INTERRUPTION OF PLAY

- 5.1 In the event of interference by weather, light or other unforeseen circumstances amounting to 30 minutes or more after the scheduled starting time, play shall cease at 8.30 p.m. (7.30 p.m. on or after the third Saturday in August), or on the completion of the number of overs that constitute that particular match, or on the completion of the final 20 overs, as per the Laws of Cricket, commencing at 7.30 p.m. (6.30 p.m. on or after the third Saturday in August).
- 5.2 If an interruption of play occurs during the final 20 overs, the number of overs will be reduced by one over for every full three minutes lost and if the reduced number of overs is completed before 8.30 p.m. (7.30 p.m. on or after the third Saturday in August), and unless the number of overs constitutes the conclusion of the particular match, play will continue until 8.30 p.m. (7.30 p.m. on or after the third Saturday in August), or until the completion of the number of overs calculated to be bowled in the last hour, whichever shall be the later.
- 5.3 If the teams are off the field of play at the scheduled closing times detailed above, play shall be abandoned.
- 5.4 If the side batting second do not receive as many overs as the side batting first without achieving a result then the game shall be deemed to be "abandoned".

6. ALLOCATION OF POINTS

Win: 23 points are available for sides batting first, 20 points for sides batting second (includes maximum bonus points in each case, plus 3 extra for batting first).

Lose: Bonus points only.

Draw: Bonus points for both sides, plus 10 points divided between the teams, as follows (points for side batting first are shown first):–

- 5–5 if the scores are tied;
- 6–4 if 90% or more of the first innings total is scored;
- 7–3 if 80% or more of the first innings total is scored;
- 8–2 if 70% or more of the first innings total is scored;
- 9–1 if 60% or more of the first innings total is scored;
- 10–0 if less than 60% of the first innings total is scored.

Bowling bonus points: 1 point for every 2 wickets taken (2, 4, 6, 8 and 10) – see Rule 6.1 & 6.2.

Batting bonus points: 1 point for reaching 100, 125, 150, 175, 200 runs

Umpire bonus points: 1 point for teams in Divisions 1, 2, 3 & 4 providing a suitably qualified and registered umpire – see Rules 8.2, 8.3, 8.4 and 8.5

Abandoned: 4 points to each side plus bonus points including Umpire bonus points (Note: Umpires bonus points will only be available if a minimum of 10 overs is played in the match).

Not Started: 4 points to each side.

- 6.1 In the event of a declaration or, if a side is still batting at the end of its allotted overs, only wickets taken shall count towards the number of bowling bonus points awarded.
- 6.2 If the innings ends because a side is all out, the fielding side shall be awarded maximum bowling bonus points.

7. THE BALL

- 7.1 In all Divisions, two new balls, specified by and purchased through the League, shall be used in each game. Each team shall provide one ball.
- 7.2 If a ball is lost it shall be the responsibility of the fielding side to provide a suitable replacement.
- 7.3 The cost of League balls shall be notified to member clubs and payment shall be made to the Treasurer by the due date (see also Rule 15.4).

- 7.4 If a team is withdrawn from the League after its allocation of balls has been ordered or purchased by the League that club shall be liable to reimburse the League for the cost of same (see also Rule 15.6).
- 7.5 Balls, Handbooks, Teamsheets, etc., will be available for collection at the pre-season Captain's Meeting. Any club not attending that meeting may be penalised at the Committee's discretion.

8. UMPIRES AND SCORERS

- 8.1 Teams in all divisions shall endeavour to provide an umpire and a scorer in all League games.
- 8.2 All Division 1, 2, 3 and 4 teams will be required to provide a suitably qualified and registered umpire at all matches.
- 8.3 A suitably qualified umpire is one who has either passed the ACU & S exams or has obtained a certificate from the League following attendance at the League's own courses.
- 8.4 Clubs must register their umpires with the Registrations Secretary before the start of the season.
- 8.5 In Divisions One, Two, Three and Four, **1 point** will be awarded to a team in every match where it provides a suitably qualified and registered umpire.
- 8.6 If one side provides an umpire and the other does not, that one umpire shall be the official umpire for the match and shall stand at the bowler's end throughout the match.
- 8.7 Umpires are encouraged to comment to the League Secretary on the co-operation of teams and captains.

9. PITCHES AND FACILITIES

- 9.1 Matches will normally be played on grass pitches. In exceptional circumstances the League may consent to a team playing all its home matches on an artificial pitch.
- 9.2 Provided the home team notifies the visiting team **not less than 24 hours** before the scheduled starting time, a match may be played on an artificial pitch.
- 9.3 Provided both captains are in agreement to do so, a match may be played on an artificial pitch when conditions would otherwise prevent it being played.
- 9.4 Before the toss is made, the home captain should advise his opposite number whether covers are available.
- 9.5 The Management Committee reserves the right to withhold promotion from any team if its pitch and facilities are not up to the required standard – see also Constitution Clause 3(k). No team will be promoted if it does not have toilets and running water. No team will be promoted to Division One unless it has a roller, covers, sightscreens and changing facilities, including showers.

10. CANCELLATION OF MATCHES

- 10.1 If, in the opinion of the home club, the ground is unfit for play owing to weather or other circumstances it shall be the responsibility of the home club to inform the visiting club of this fact on the day of the match **between 11.00 a.m. and 12 noon** (10.00 a.m. and 11.00 a.m. from the third Saturday in August).
- 10.2 The match can be called off between the times stated above only if both captains agree. If, however, the visiting team advises the home team that it will exercise its option to travel to the appointed venue, the match can only be called off at the scheduled starting time and with both teams present and available to play.

11. NOTIFICATION OF RESULTS

11.1 League Scoresheet

- 11.1.1 In all Divisions it shall be the responsibility **of the home club** to complete an official League Scoresheet for each League match, including any which were abandoned without a ball being bowled.

11.1.2 The Scoresheet must be posted (by First Class Post) to the League Secretary before the last collection time on the Monday following the match. Alternatively the Scoresheet may be faxed not later than 12 noon on the Tuesday following the match. Failure to comply with this Rule will result in points being deducted from the offending club.

11.1.3 The Scoresheet shall contain full details of the game and, when play has taken place, shall include the names of ALL players and shall be signed by both captains and the umpires.

11.1.4 Captains shall ensure that players are consistently and uniquely listed with Christian or first names on the Scoresheet; this is to assist the League in correctly identifying players for its records.

11.2 Electronic Notification of Results

11.2.1 The summary results (see Note 1 below) of **matches in all Divisions** shall be posted on the League's web-site **by the home club** not later than 12 noon on the Monday following the match.

11.2.2 Clubs shall make every effort to notify the result of their game to the media in time for publication.

Note: *The information required under Rule 11.2.1 is as follows:-*

- *scores and wickets for both teams;*
- *name and score of any batsman scoring more than 20 runs;*
- *wickets and runs for any bowler taking 3 or more wickets;*
- *statement of result, including points awarded to each team.*

12. DISPUTES, PROTESTS AND DISCIPLINE

12.1 Any protest shall be lodged with (i) the League Secretary, (ii) the Chair of the Disputes Sub-Committee and (iii) the Secretary of the club against whom the protest is made, by the Club Secretary (or other authorised club official) in writing within five days of the date of the alleged breach.

12.2 The protest must be accompanied by a fee of £20.

12.3 Only clubs **directly** affected by the alleged breach shall have the right to lodge a protest.

12.4 When making a protest, clubs shall state under which rule the protest is being made.

12.5 The Disputes Sub-Committee (referred to as the Sub-Committee throughout this section) will hear the protest within 14 days of it being received by the League. The League will give clubs at least 7 days notice of the hearing.

12.6 The £20 fee shall be forfeited if the Sub-Committee consider the protest to be trivial.

12.7 The Sub-Committee may, at its discretion, require officials and/or players from all clubs involved in the dispute to attend the hearing of that protest or dispute. Umpires may also be invited.

12.8 The Sub-Committee may, at its discretion, impose fines against clubs, ban players or award or deduct points. Any fine exceeding £20, any ban exceeding 2 weeks or any award or deduction of points exceeding 20 must first be ratified by the Management Committee.

12.9 The League's decision shall be conveyed in writing to all parties to the dispute within 7 days of the hearing or, if Rule 12.8 applies, of the date of the Management Committee meeting.

12.10 Any protest which arises from interpretation of the Laws of Cricket may be referred to the appropriate national body for settlement and their decision shall be final; on all other matters the League shall be the final arbiter.

13. APPEALS

13.1 A club may appeal against any decision of the League under the provisions of Rule 12; such appeal will be heard by the Appeals Sub-Committee as constituted by the Management Committee.

- 13.2 Any appeal shall be lodged with (i) the League Secretary, (ii) the Chair of the Appeals Sub-Committee, and (iii) any other parties involved in the original dispute, by the Club Secretary (or other authorised club official) in writing within 14 days of the League's decision being notified to them, stating the reasons for the appeal in full.
- 13.3 The appeal shall be accompanied by a fee of £50 as a contribution towards the costs of hearing the appeal. The Appeals Sub-Committee may at its discretion retain or refund all or part of the fee.
- 13.4 The Appeals Sub-Committee (referred to as the Sub-Committee throughout this section) will hear the appeal within 14 days of it being received by the League. The League will give clubs at least 7 days notice of the hearing.
- 13.5 The club(s) will be permitted to have two representatives to present its case at the hearing; the Sub-Committee may require clubs/officials to attend the hearing.
- 13.6 The Sub-Committee is empowered to over-rule the decision of the Disputes Sub-Committee. Any fine exceeding £20, any ban exceeding two weeks or any award or deduction of points exceeding 20, must first be ratified by the Management Committee.

- 13.8 Decisions by the Sub-Committee shall be final and binding on all parties involved and no further appeal shall be permitted.

14. LEAGUE POSITIONAL PLACINGS

In the event of two or more teams finishing the season on the same number of points, the following criteria shall be applied successively to determine final placings:

1. Most points gained by the teams in matches played between them during the season;
2. The highest number of wins as a percentage of completed matches;
3. The lowest number of defeats as a percentage of completed matches;
4. The highest number of wickets taken in the season; and
5. The highest number of runs scored in the season.

15. PENALTIES, FINES AND SURCHARGES

- 15.1 Any club which has not paid its subscription by the due date (see Rule 1) shall be liable to a surcharge of £5 per team for every month or part of a month that it is in arrears.
- 15.2 Any club which fails to fulfil a League fixture shall have 5 points deducted for each offence.
- 15.3 If an away team cancels a fixture within 48 hours of the scheduled start of a match it may be required to make a contribution towards any reasonable costs unavoidably incurred by the home team in preparing for the match.
- 15.4 Any club which has not paid for its allocation of League balls by the due date (see Rule 7.3) shall be liable to a surcharge of £10 per team.
- 15.5 Any club which does not return a trophy by September 1st will be fined and/or points will be deducted. If any trophy is found to be damaged or requires cleaning when returned, the offending club will be invoiced with the cost of the renovation work.
- 15.6 Any club which resigns or withdraws any of its teams from the League after the date specified in Clauses 3(g) and 3(h) of the Constitution is liable to be charged the full League subscription for the coming season, plus any expenses incurred by the League on its behalf (see also Rule 7.4).
- 15.7 If a club fails to pay any fine or surcharge within 21 days of the due date, one point will be deducted from each of its teams playing in the League for each day that the fine remains unpaid thereafter.
- 15.8 In the event of any contravention of these **Rules and Playing Arrangements** the Management Committee and its constituent sub-Committees shall have powers to award or deduct points, declare a match void and/or levy fines on any offending member club.

16. LEAGUE HANDBOOK

All clubs shall submit information about their club (Club Secretary name, address and telephone; Captain(s) and telephone; weekend contacts and, where appropriate, ground information) for inclusion in the new League Handbook. The information must be received by the Handbook Editor **not later than 13th March** prior to the start of the season. Failure to do so by this date will result in a maximum of 5 points (at the discretion of the Management Committee) being deducted from each team when the season starts.

DANGEROUS AND UNFAIR BOWLING (LAW 42)

The Laws of Cricket (2000 Code) have re-defined Dangerous and Unfair Bowling and amended the penalties.

Law 42.6 (a) – Bowling of fast short pitched balls.

1. The bowling of **fast short pitched balls** is dangerous and unfair if the umpire at the bowler's end considers that by their repetition and taking into account their length, height and direction they are likely to inflict physical injury on the striker, irrespective of the protective equipment he may be wearing. The relative skill and age of the striker shall also be taken into consideration.
2. Any delivery which, after pitching, passes or would have passed **above head height** of the striker standing upright at the crease, **although not threatening physical injury**, is deemed to be unfair and the umpire shall call and signal **"No Ball"**.

Law 42.6 (b) – Bowling of high full pitched balls.

1. Any delivery, **other than a slow paced one**, which passes or would have passed **on the full above waist height** of the striker standing upright at the crease is dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.
2. A **slow delivery** which passes or would have passed **on the full above shoulder height** of the striker standing upright at the crease is dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.

Law 42.7 – Dangerous and unfair bowling – action by the umpire.

1. In the event of Dangerous and/or Unfair Bowling, the umpire shall call and signal **"No Ball"** and **issue a caution** to the bowler and the captain.
2. In the event of repetition, the umpire shall additionally inform the bowler that this is a **final warning**.
3. In the event of further repetition, the umpire shall additionally instruct the captain to **take off the bowler forthwith**, the over being completed by another player. The bowler shall not bowl again in that match and the umpire shall report the incident to the League Secretary.

Law 42.8 – Deliberate bowling of high full pitched balls.

If the umpire considers that a high full pitched ball was bowled **deliberately**, he shall call and signal **"No Ball"** and **shall instruct the captain to take the bowler off forthwith**, i.e. without going through the procedure of issuing warnings, etc. (as in Law 42.7). The bowler shall not bowl again in that match and the umpire shall report the incident to the League Secretary.

Law 25 – Wide Ball.

It should be noted that a ball which passes "so high over the wicket that, in the opinion of the umpire, it passes out of reach of the striker" will no longer be a "Wide". It will be called and signalled **"No Ball"** and Law 42.7 (or 42.8) will apply.

SAFETY RULES ON THE WEARING OF CRICKET HELMETS BY YOUNG PLAYERS

The England and Wales Cricket Board's safety guidelines on the wearing of cricket helmets by young players are as follows:

- It is recommended that a helmet is worn by young players when batting and when standing up to the stumps when keeping wicket against a hard cricket ball in matches and in practice.

- A young player should not be allowed to bat or to stand up to the stumps when keeping wicket without a helmet against a hard ball except with written parental consent. Coaches, teachers, managers and umpires should always ensure that a young player wears a helmet if this written parental consent has not been received.
- Players should regard a helmet with a faceguard as a normal item of protective equipment when batting against a hard ball, together with pads, gloves and, for boys, an abdominal protector (box).
- There is a British Standard (BS7928:1998) for cricket helmets and it is in the best interests of players to ensure that their helmet conforms to this standard.

The ECB is recommending that this guidance is followed by all players up to the age of 18. It applies to young players in adult cricket as well as to all junior cricket played with a hard cricket ball.

The ECB is requesting that the new guidance is communicated to the parents or guardians of all young players through clubs and schools, and that parental consent is always obtained before young players are allowed to bat or stand up to the stumps when keeping wicket against a hard ball without wearing a helmet.

The ECB has also extended the existing regulations covering the minimum fielding distances for young players in all matches where a hard ball is used.

- No young player in the Under 15 age group or younger shall be allowed to field closer than 8 yards (7.3 metres) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.
- For players in the Under 13 age group and below the distance is 11 yards (10 metres).
- These minimum distances apply even if the player is wearing a helmet.
- Should a young player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back.
- In addition any young player in the Under 16 to Under 18 age groups, who has not reached the age of 18, must wear a helmet and, for boys, an abdominal protector (box) when fielding within 6 yards (5.5 metres) of the bat, except behind the wicket on the off side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.
- These fielding regulations are applicable to all cricket in England and Wales. Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season.

ECB FAST BOWLING MATCH DIRECTIVES

Issued March 2002.

For any subsequent changes visit www.play-cricket.com

| Age | Max. overs per spell | Max. overs per day |
|----------|--------------------------|-------------------------|
| Up to 13 | 4 overs per spell | 8 overs per day |
| U14, U15 | 5 overs per spell | 10 overs per day |
| U16, U17 | 6 overs per spell | 18 overs per day |
| U19 | 7 overs per spell | 21 overs per day |

For the purpose of these Directives a fast bowler should be defined as a bowler to whom a wicket keeper in the same age group would **in normal circumstances** stand back to take the ball.

Having completed a spell the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his* spell have been bowled from the same end. A bowler can change ends without ending his current spell provided that he bowls the next over that he legally can from the other end. If this does not happen his spell is deemed to be concluded. If play is interrupted, for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end. If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match he cannot exceed the maximum number of overs per day for his age group even if he subsequently bowls spin. He can exceed the maximum overs per spell if bowling spin, but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end. If he bowls spin without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast.

Captains, Team Managers and Umpires are asked to ensure that these Directives are followed at all times.

Play-Cricket FAQs

QUESTION 1

How can I activate my club's site on the Play-Cricket network?

ANSWER 1

To set up a club site on Play-Cricket you need to take the following steps:

1. Go to <http://www.play-cricket.com> and register yourself creating a username and password
 2. Click on 'Club Sites' in the top menu bar
 3. Click on 'apply for your site'
 4. Next to 'sub site name or first letter' enter all or part of your clubs name and then search for your site. From the list returned below 'pick' your club from the list (if your site is not returned try searching with counties showing 'all' or call the information desk on 020 7432 1172)
 5. Enter your club details and submit
 6. Set up your teams (every team at your club as they will probably have games entered on the Play-Cricket system) and affiliations (your county board)
- You will then receive an email confirming that your site has been activated with a link to your home page
 - Once on your site log on using your username and password and an 'admin' button will appear at the bottom of the left hand menu under 'interact'
 - Click on the 'admin' button and this will take you to the administration area of your web site where you can control all the information that is published

QUESTION 2

How can I become an online member of my club's Play-Cricket website?

ANSWER 2

To become an online member of your club please take the following steps (if you activated the club site you will already be a member):

1. Register with Play-Cricket by either clicking on the 'register' button on the Play-Cricket home page or on your club home page. This will create your Play-Cricket username and password
 2. Either following your registration or after you have logged on using your Play-Cricket username and password click on the 'my profile' button on the top right hand side of the page. Once you are in your profile click on the 'site memberships/roles' option
 3. In 'site memberships/ roles' click on 'apply for new membership' and search for your club
 4. In the list returned click on 'apply for membership' next to your club name
 5. Complete the necessary details in the form, agree to the terms and conditions and click 'apply for membership'
- Your application will be reviewed by your club web site administrator and once accepted you will be notified by email

QUESTION 3

How can I set up another administrator for my site and how many administrators can a Play-Cricket website have?

ANSWER 3

To set up a new online administrator for your club they will need to become an online member of your club first (as described above). Your site can have as many administrators as required. Once they are a member there are actions for both of you to carry out:

1. You need to log on and go to the administration area of your web site
2. Next go to the 'members' area and then 'member database'. Click on 'review applications' and accept or reject any requests for membership (note you should only accept online members who are actual members of your club)

3. If you accept a member they will be compared to existing names in your database. If there is an existing name that is the exact same person click on 'match' and you will avoid duplication in your member database. If they do not already exist in your database click on 'grant membership without matching'
 4. Once a person is an online member of your club you can make them an administrator of your club web site. Next to the name of the new administrator click on 'roles icon' (teacher's hat) and under 'web roles' apply for them to have the type of administration roles you would like them to have. This will send the new administrator an email and make them a pending administrator
 5. The new administrator on receiving the email needs to go to the your club's home page and log on. Once logged on an 'admin' button will appear at the bottom of the left hand menu. They need to click on this and accept the terms and conditions
 6. Once accepted they will also be an administrator of your club system and be able to update area of the site they have administration rights for+
- + Please note that if you grant an online member administration rights they will have full access to change all the information on your Play-Cricket system so they must be responsible members of your club.

QUESTION 4

What basic information do I need to complete on my Play-Cricket website and how can I do it?

ANSWER 4

Once your club site has been activated on Play-Cricket it is important that it carries the most basic level of information about your club so that it is useful for people who access it. The two most important areas to complete are the 'about us' section and a link to an existing web site if you have one. To complete the 'about us' section take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'about us' area and 'club details'
3. Under 'office' complete the address of your ground, club contact number and email address and click 'save'. The most important part of this information is the post code as it drives a map link that allows users to see where your ground is located. If your ground does not have a post code it is often useful to find the closest post code and use that instead

To complete a link to an existing web site take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'site settings' area and 'site set up'
3. Half way down the page enter the URL of your existing web site next to where it says 'existing web site' and then click 'save settings' at the bottom of the page

This will create a link to your existing web site from the centre of your club's home page on the Play-Cricket network.

QUESTION 5

How can I update my club's member database?

ANSWER 5

On your member database there are two types of member. There are temporary members (who have a astrix next to their name) and actual members. A temporary member is a member of your club who has been entered onto the database by an administrator. An actual member is a member of your club who has completed the online membership process (see above). To ensure the data held on your members is valuable to your club it is crucial that you do not have multiple instances of an individual member. To prevent this we have introduced a 'matching' process (described below) so that members should only be deleted when they actually leave the club. You will also be able to add multiple roles to your members and add them to playing squads and email lists. To enter new members of your site (without them applying) take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'club members' area and 'member database'

3. Click on 'create new user with this role'
4. Enter the individual's details and click 'add user'

If you have two or more instances of a club member on your database you need to match them together. If they are all temporary members you can match either one to the other. If you have an actual member and a temporary member then you need to match from the actual member. To match individuals take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'club members' area and 'member database'
3. Search for the individual who has multiple entries
4. Next to the entry you wish to keep (the actual member or either of the temporary ones if they are both temporary) click on the match icon
5. From the list of possible matches click 'match' next to the name that is the same

QUESTION 6

How do I enter a summary level result?

ANSWER 6

At 12.00pm all the fixtures that have been entered for that day will move automatically from the fixtures area of your web site to the results area allowing you to enter the scores. It is this information that calculates any league tables that are associated with the result or works out who progresses to the next round of a cup competition. To enter a summary level results take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'results' area
3. Search for result that you wish to enter (it defaults to the latest) and click the 'edit' icon
4. Complete all the compulsory information (this includes the result of the game and each teams runs and wickets)
5. Taker the option to complete further information (the rest of the information in the form)
6. Click 'save' and all the information will be updated in the relevant areas (club site, league site or cup site)

QUESTION 7

How do I complete a full scorecard on my Play-Cricket website?

ANSWER 7

Once the summary level result has been entered it can be 'locked' by a cup or league administrator to prevent clubs from changing the information. However clubs can still enter a full scorecard which can be published on the site and will also generate comprehensive statistics on each team and player. To enter scorecards take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'results' area
3. Search for result that you wish to enter (it defaults to the latest) and click the 'edit' icon
4. Complete the summary result
5. Confirm the players that played for each team (teams can be selected in the same way from the fixtures area before a game is played and this allows you to email those selected informing them of the game's details)
6. Complete the scorecard for each innings. This is done by clicking on the right hand panel to select method of the dismissals and the players involved (fielders and bowlers) and then enter the numbers using your keypad

HOLLAND BROADBRIDGE KNOCKOUT COMPETITION RULES

1. GENERAL

The purpose of the Competition is to enable teams from member clubs of all Divisions to play each other in an eleven-a-side evening knock-out tournament. The Competition is intended to provide additional cricket for those players who play regularly for their club in its League matches during the season.

2. ORGANISATION

- 2.1 Teams will be drawn before the season starts and the fixtures will be published in the League's Handbook.
- 2.2 Teams will be notified by the League Secretary who their opponent will be as the competition progresses.
- 2.3 Matches must be played in accordance with these rules and results must be sent promptly to the League Secretary.
- 2.4 The competitions are organised and run by the Knock-out-Competitions Sub-Committee.

3. ELIGIBILITY OF PLAYERS

- 3.1 All players must be *bona fide* members of the club for which they play in the Competition and must be registered with the League in accordance with Rule 3 of the League's "Rules and Playing Arrangements".
- 3.2 To qualify to play in the Second and later rounds of the Competition, all players must have taken part in at least 20% of their club's **Shropshire Cricket League matches** played before that round. [Note: A League match which has been abandoned without a ball being bowled does not count when determining a player's eligibility.]
- 3.3 No player may take part in the Competition if he plays in any other League on Saturdays.
- 3.4 No player may play for more than one club in the Competition.
- 3.5 PROVIDED application is made to the Chairman of the Knock-out Competition Sub-Committee NOT LESS THAN SEVEN DAYS BEFORE the match is due to be played, explaining the reasons for the request, the League Knock-out Sub-Committee is prepared to consider a relaxation of Rule 3.2 when:-
 - (a) a club is genuinely unable to raise a full team of eligible players for a particular match; or
 - (b) a club wishes to include a player who is unable to play for his club on Saturdays (provided Rule 3.3 does not apply in his case).
- 3.6 Any club found to have used an ineligible player will be expelled from the competition and may be debarred from entry in subsequent years.

4. MATCH ARRANGEMENTS

- 4.1 Matches shall be played on the ground chosen by the home side.
- 4.2 Matches shall be played on the **Wednesday evening** of the specified week unless **both** clubs agree to play on a different evening **of the same week**.
- 4.3 If clubs can not agree the date of their match, the Knock-out Competition Sub-Committee will instruct them when it shall be played and its decision will be binding on both clubs.
- 4.4 If any club fails to fulfil a fixture without giving at least 48 hours notice to the opposing team it will be expelled from the Competition and the match will be awarded to the opposing team.
- 4.5 If bad weather prevents a match being played or completed during the specified week, the clubs must re-arrange it immediately to take place not later than the following week and the **home club** must notify the Chairman of the Knock-out Competition Sub-Committee of the revised date within 24 hours.

- 4.6 No match, other than one re-arranged in accordance with Rule 4.5, shall be played after the specified week.
- 4.7 If any match is not played by the latest permitted date without good reason both clubs shall be expelled from the competition.
- 4.8 Matches shall commence at 6.30 p.m. and prompt starts are essential.
- 4.9 Each side shall have one innings consisting of a maximum of twenty six-ball overs. If there is a late start or if weather conditions make this desirable, the captains may, before the toss takes place, agree to reduce the number of overs.
- 4.10 The toss for innings shall take place not later than 6.20 p.m. In the event of a team not complying with this, the opposing team may, if it so wishes, claim the toss.
- 4.11 If one side is not ready to play by 6.45 p.m. that team shall be awarded to the other by default.
- 4.12 The match ball shall be provided by the home side; it shall be approved by both captains before the toss and used throughout the game. It need not be new but must be of good quality and in good condition.
- 4.13 No bowler may bowl more than one quarter (rounded up to the nearest whole number) of the agreed overs.
- 4.14 The interval between innings shall not exceed ten minutes.
- 4.15 No appeal against the light is allowed after the commencement of the second innings unless the umpires decide that it would be unreasonable or dangerous for play to continue.
- 4.16 A match is won by the side scoring the greater number of runs in the agreed overs; if the scores are level, the side which has lost fewer wickets shall be the winner; if the number of wickets taken is also equal, the side scoring the greater number of runs after half the agreed overs have been bowled shall be the winner. If these also are the same, the winner shall be decided by the toss of a coin.
- 4.17 It shall be the responsibility of the **winning club** to ensure that a **fully completed** official Shropshire League Knock-out Score Sheet, signed by both captains and umpires, is sent to the League Secretary, to arrive not later than two days after the match was played. Captains should note that the names of **all** players **must** appear on the Score Sheet, together with the number of matches which each player has played with that club in the League in the current season prior to the match.
- 4.18 The League Secretary will inform clubs who their opponents will be in the next round and will send an official Score Sheet to the home side.

5. FINAL

- 5.1 The date and a neutral venue for the Final shall be determined by the Management Committee.
- 5.2 The league will provide two new balls of good quality, one for each team's use.
- 5.3 Each team shall have two innings, each consisting of twenty six-ball overs. The captains may, however, agree, before the toss takes place, to reduce the number of overs, if the weather conditions make this desirable.
- 5.4 No bowler may bowl more than one quarter (rounded up to the nearest whole number) of the agreed overs in an innings.
- 5.5 If the scores are level at the end of the match, the side losing fewer wickets during the match shall be declared the winner. If the number of wickets lost is equal, the side scoring the greater number of runs in the first innings shall be the winner. If these are also the same, the trophy shall be shared.
- 5.6 The players of both teams and the umpires will be presented with small trophies as mementoes of the occasion.
- 5.7 The umpires will be invited to nominate, and a trophy will be presented to the Man of the Match.

6. UMPIRES

- 7.1 The Knock-out Competition Sub-Committee will appoint umpires for the Semi-Finals and the Final. The League will pay them reasonable expenses.
- 7.2 If requested to do so, the Knock-out Competition Sub-Committee will endeavour to appoint umpires for matches in the earlier rounds of the competition; it will, however, be the responsibility of the team(s) making the request to pay the umpires' reasonable expenses.
- 7.3 Umpires are urged to apply a strict and consistent interpretation of **Law 25 "Wide Ball"**, especially to a ball delivered down the leg side and passing wide of the batsman standing in a normal guard position or passing more than 18" (450 mm) outside the off stump.

CONSTITUTION

1. NAME

The organisation shall be known as **The Shropshire Cricket League**, hereafter referred to as "the League". The name of the League's sponsor shall wherever appropriate be incorporated into that of the League, the form of such to be as decided by the Management Committee.

2. OBJECT

To promote and develop the best interests of cricket in Shropshire and its bordering counties.

3. MEMBERSHIP

(a) The League shall consist of member Clubs who satisfy the requirements of the League and Management Committee, hereafter referred to as "the Committee", with regard to status, playing strength and standard of grounds and facilities.

(b) All member clubs must be in possession of Public Liability Insurance cover and shall produce written confirmation of same to the League if requested to do so.

(c) All member clubs shall abide by the current England and Wales Cricket Board's (E&WCB) Directives regarding safety and child protection.

(d) All member clubs must be affiliated to their relevant Cricket Board. Failure to do so could result in expulsion from the League.

(e) The teams of member Clubs shall play in Divisions, as determined by the Committee.

(f) There shall normally be promotion and relegation between Divisions. Promotion to Division One shall be open only to the first team of a member Club:-

- that has more than one team playing in the League; and
- whose facilities as defined in Clause 3(a) hereof meet the required standards for further promotion to recognised Leagues within the E&WCB's pyramid structure.

Promotion to Division One will not be open to a reserve team of any club whose senior team(s) play(s) in other Leagues. In exceptional circumstances the Committee may make other arrangements and shall notify all member Clubs of its decision.

(g) Any club desiring admission to, or any member Club seeking to change the number of its teams in, the League, shall apply in writing to the League Secretary not later than 15th October, indicating the number of teams it wishes to enter next season. Each application shall be considered by the Committee in accordance with the requirements of Clauses 3(a) 3(b), 3(c), 3(d) and 3(e) above. In exceptional circumstances, applications received after the closing date may be considered.

(h) Any member Club wishing to resign from the League shall give notice in writing to the League Secretary not later than 15th October.

(i) Clauses 3(g) and 3(h) above shall not apply to any club promoted to or relegated from another recognised League forming part of the E&WCB's pyramid structure.

(j) A member Club which removes its first team from the League shall be deemed to have resigned its membership: it may, however, apply to re-enter one or more of its lower teams and the application will be considered in accordance with the requirements of Clause 3(g) above.

(k) The Committee shall have powers to require any member Club to resign from the League if, in its opinion, its general conduct or appointments do not satisfy the requirements of the League. Any member Club against which such action is proposed shall receive not less than 14 days notice in writing of the proposed action and shall be entitled to be represented at that part of the Committee meeting at which the matter is to be considered.

(l) Any Club which ceases to be a member of the League shall at once forfeit any rights of participation in the assets of the League.

- (m) Following a recommendation from the Committee, the Annual General Meeting may confer the honour of Life Membership of the League on any person whom it considers worthy of special recognition by reason of services rendered to the League.

4. MANAGEMENT

Subject to the provisions of this Constitution, the control and management of the League shall be vested in the Management Committee, which shall make rules governing the general principles of the conduct of the League's affairs and shall have the powers to apply, create, alter or revoke such rules as it sees fit. The Committee shall have the power to convene a Special General Meeting of member Clubs.

5. MANAGEMENT COMMITTEE

- (a) The Committee shall consist of *ex officio* the Officers in 6(a) below, twelve elected Members and Life Members of the League.
- (b) One-third of the elected Members shall be elected at each Annual General Meeting for a term of three years, after which time they shall retire from the Committee and, if they wish, offer themselves for re-election.
- (c) Not more than two elected Members from the same Club shall serve on the Committee at the same time.
- (d) At least seven days notice of meetings shall be given. Accidental omission to give notice of any meeting or non-receipt of such notice by any Committee member shall not invalidate any resolution passed at any such meeting.
- (e) The Chairman shall preside at meetings of the Committee. If the Chairman is absent the Vice-Chairman shall preside; if both are absent, the Committee members present shall, before any other business is transacted, choose one of their number to preside at the meeting.
- (f) One-third of the Committee shall form a quorum.
- (g) All questions arising at a Committee meeting, other than questions of order, shall be decided by a simple majority of votes: in the event of an equality of votes, the chairman of the meeting shall have a second or casting vote.
- (h) Committee members shall "declare an interest" when an issue directly affecting their own club is to be discussed and shall normally abstain from any vote on such matter.
- (i) The Committee may appoint sub-committees with such powers and terms of reference as it thinks fit.
- (j) The Committee shall have power to co-opt to fill a vacancy. Co-opted members shall serve until the next Annual General Meeting when the vacancy shall be filled by election.
- (k) The decision of the Committee is final.
- (l) Committee members are expected to attend all of its meetings. Anyone other than a Life Member who fails to attend three or more consecutive meetings is liable to expulsion from the Committee.
- (m) Any Committee member whose club ceases to be a member of the League may be required, at the discretion of the Committee, to resign his position.

6. OFFICERS

- (a) The Officers of the League shall be the President, Chairman, Vice-Chairman, League Secretary, Treasurer, Fixtures Secretary and Registrations Secretary.
- (b) The Officers shall be elected annually at, and shall take office from the end of, the Annual General Meeting.

7. FINANCE

- (a) Each member Club shall pay to the Treasurer, not later than the end of April, an annual subscription for each team. Any club which fails to pay by the due date may be charged an additional penalty for each month or part of a month that it is in arrears. The amounts of the subscription and the penalty will be determined each year by the Committee and notified to all member Clubs.

- (b) If the subscription income is found to be insufficient to meet the League's needs, the Committee may levy an additional subscription on member Clubs.
- (c) The Committee shall cause proper account to be kept of all sums of money received and paid out by the League.
- (d) The financial year of the League shall end on 31st October.
- (e) The accounts of the League shall be examined annually by a qualified accountant, who shall certify their correctness.
- (f) A statement of accounts shall be presented by the Treasurer to the Annual General Meeting.
- (g) The funds of the League shall be invested as the Committee decides after considering the recommendations of the Treasurer and the day-to-day transactions shall be dealt with by and through one or more Bank accounts in the name of the League.
- (h) No moneys shall be paid from any account in the name of the League except upon the signatures of any two from the Chairman, Vice-Chairman, League Secretary and Treasurer who shall be the authorised signatories.

8. ANNUAL GENERAL MEETING

- (a) The Annual General Meeting, hereafter referred to as "the Meeting", shall be held in November each year or as practicable thereafter.
- (b) Notice of the Meeting shall be given in writing to all member Clubs at least twenty-eight days before the date thereof.
- (c) The President shall preside at the Meeting. If the President is absent the Chairman shall preside; if the Chairman is absent the Vice-Chairman shall preside; if all are absent, the member Clubs present shall, before any other business is transacted, appoint a chairman of the Meeting.
- (d) Nominations for President, Chairman, Vice-Chairman, League Secretary, Treasurer, Fixtures Secretary, Registrations Secretary and elected Members of the Committee shall be submitted in writing by member Clubs and received by the League Secretary at least seven days before the Meeting.
- (e) Each member Club shall have one vote. In the event of an equality of votes, the chairman of the Meeting shall have a single casting vote.
- (f) Proxy votes will not be accepted.
- (g) The Constitution may be altered at an Annual General Meeting or Special General Meeting only and such alteration shall require the assent of at least two-thirds of the votes cast.
- (h) Proposals to alter the Constitution must either be submitted by the Committee or be proposed and seconded by at least two member Clubs and received by the League Secretary not later than 30th September. The wording of any such proposed alteration to the Constitution shall be included in the Notice of Meeting.
- (i) One-third of the member Clubs shall form a quorum.

9. SPECIAL GENERAL MEETING

- (a) A Special General Meeting shall be called at the discretion of the Committee or on receipt by the League Secretary of a written request, signed by not less than one-third of member Clubs, stating the reason(s) why the meeting is being requested.
- (b) The provisions applicable to the Annual General Meeting shall, with the exception of 8(a) and 8(h) above, apply also to the Special General Meeting.
- (c) Proposals to alter the Constitution must either be submitted by the Committee or be proposed and seconded by at least two member Clubs and submitted to the League Secretary. The wording of any such proposed alteration to the Constitution shall be included in the Notice of Meeting.

10. TROPHIES

- (a) Trophies will be awarded to the Champions and Runners-up in all Divisions.
- (b) Additional awards may be made at the Committee's discretion.
- (c) Trophies remain the property of the League and must be returned to the League in good condition not later than 1st September.

11. FIXTURES

- (a) All League matches shall be played on the published dates.
- (b) Any Club which fails to fulfil a fixture shall be fined and is liable to be expelled from the League for a third offence in any one season. The amount of the fines shall be determined from time to time by the Committee and shall be published in the League Handbook.
- (c) Member Clubs will be informed of the dates on which a League Representative XI may be taking part in a Competition. Clubs should not under any circumstances withdraw a player selected to represent the League in favour of a Club competition.

12. WINDING UP

- (a) The League may be wound up only by the passing of a resolution by a majority of at least two-thirds of the member Clubs present and voting at a Special General Meeting convened for the purpose of considering such resolution.
- (b) In the event of the passing of a resolution to wind up the League, the meeting at which such resolution is passed shall appoint a committee which shall be empowered to distribute the League's assets, including cash and investments, between member Clubs, or other organisations having similar aims and objects as the League, in such proportions as they may, by simple majority, decide, provided that the same shall not be paid to, or divided between, any individual members of the Committee or the Officers. The Chairman, League Secretary and Treasurer shall be *ex officio* members of that committee. In the event of an equality of votes the Chairman shall have a second or casting vote.
- (c) In the event that such committee is unable to reach a decision with regard to the distribution of the assets, the Chairman shall have power to refer the matter to an independent arbitrator, the costs, if any, of such arbitration being a proper charge on the assets of the League.
