FOREWORD

This will be the first season in 41 that the League will not benefit from both the general and results secretarial work of John Rees who died suddenly on November 4th about a fortnight after he attended his last League Committee meeting as a Life member. Many people with cricket connections attended his funeral in Newtown. He had kept much League memorabilia including the score sheets for 40 years and most of the hand books. These will be archived at Shrewsbury and will be available for research if and when required.

The League has 87 teams representing 53 clubs. The only new XI this year is Much Wenlock III. There was no relegation from the Marston's League as they are playing a 14 team 26 fixture league this summer and if they reduce this to 12 we may have more than one team relegated next year with consequences to relegation in our system. Our 7th division will have 15 teams with again the necessity to play a few matches on Sundays. Yet again Neil Bennett and Shaun Southern have produced a fixture list in good time.

We again look forward to a successful season with our sponsors FBC Manby Bowdler LLP who were very active in their support last season. Last year Frankton beat Montgomery in the KO final staged ably by Wroxeter. This year Montgomery has agreed to host the final. Allscott CC, formerly British Sugar, has overcome severe difficulties with the closure of the factory sufficiently well to gain promotion to the Marston's League. They were also able to stage the Cedric Rhoades final last year when nearly all pitches for hundreds of miles were unfit. Hopefully the League XI run by Nick Bevan and Graham Trow can go one better in 2009. They did beat the Marston's League in an early round. We think this was a first.

Ian Crawshaw, who umpired in Alberbury matches, won the first division's award last year. Jamie Dowley and his sub committee have redesigned the scoring system this year and I hope that the new system will detect more winners and also umpires who lack the confidence of the marking captains. There is still no scorer's training locally. If there were, maybe clubs would find candidates for introductory courses at least. Scoring standards, with some glowing exceptions, remain low.

Attempts were made during the winter to unify Shropshire Youth Cricket but we still have our own system mainly in the west of the county. I hope that clubs will put in the requisite amount of administration to support the efforts of Darrell Corfield and his sub committee in this area. When this happens we need a much drier June and July. We hope that clubs can endorse the Kidz in Sport brochure.

With five new Committee members the workload involved in the smooth running of the League can be spread out a bit more, I am confident that Mike Hall, Nick Broadbent, Elwyn Jones, Lesley Hopkins, Dave Ralphs, Ian Ramsay, Brian Hunt, Ed Nicholas and Peter Wilkinson will still produce high quality input together with those mentioned previously. Adam Phillips made such a success with publicity last year that it is difficult to believe he had time to play for his club Beacon CC in their third successive league champions' campaign. The Clubs are also helping with admin being done more efficiently and all clubs attended the 2008 Captains' meeting for the first time.

We must thank the local media such as the Shropshire Star, Shrewsbury Chronicle and others for their support for cricket in our League.

In 2010 we are going to be tighter on our insistence of electronic recording of results by the Monday mainly to get more results consistently in the press. In 2009 the usual match in Division 2 will be of 90 overs duration like divisions 3–7. Division 1 stays at 100 overs. Any individual bowler can now bowl 18 overs not 20 in all divisions. Of course other restrictions remain unaltered.

Points penalties for transgressions have been formalised in the relevant rule. As flagged last year only one overseas player can play for a club in our League and clubs must fit in with the Home Office regulations on their status.

Teams playing regularly on artificial pitches will have restricted promotion beyond Division 4. Any team failing to play 5 matches during a season will be expelled forthwith. If disciplinary action involving the possible changing of points awarded occurs as a result of incidents in the last 2 or 3 matches of the season League tables may be amended. So clubs ought to restrain themselves until FINAL TABLES are published in the press.

2009 is my third season as Chairman of the League. We are overdue a dry season when most matches can proceed without recourse to rain interruption.

BILL HOPKINS, Chairman

JOHN WYNDHAM REES 1930–2008

John (in England), Wyn (in Wales), was the inaugural secretary of the Shropshire League in the late 1960s and kept the honorary position for about 40 years. He was results secretary until the end of the 2007 season, an even longer run of service, as the league expanded to around 90 teams. John was installed as a Life Member by 1980. While secretary he missed only one meeting, even though he lived in Newtown and did not drive, when he was in hospital. It took five people to replace him until such time as he could take up the reins again. John attended his last meeting three weeks before his sudden death.

John was secretary of the Shrewsbury based club now called Quayside for about 50 years and played for them in his younger days.

In old age regional and national honours came his way from the Shropshire Cricket Board, MCCC and an ECB OSCA. Unfortunately he was unable to go to Lord's to accept this since characteristically he felt that his 100 year old neighbour needed his daily assistance.

John was unmarried. He spent his working life at the Shrewsbury Civic Hall. The many stories of his basic decency and generosity are legion.

Many of a cricketing background attended his funeral in Newtown to pay a final tribute to a man who gave so much time to the organisation of the game.

RULES AND PLAYING ARRANGEMENTS

1. GENERAL

- 1.1 The **Rules and Playing Arrangements** set out below apply to all Divisions of the Shropshire Cricket League and will continue in force until officially amended on the authority of the Management Committee of the League.
- 1.2 These Rules are binding on all players and clubs in the Shropshire Cricket League and the Management Committee may take action against defaulting clubs or players.
- 1.3 The Committee shall adjudicate on all matters not specifically covered by these Rules, having particular regard to the best interests of the League, fair play and the spirit of the game. The League's judgment shall be binding on all clubs.
- 1.4 The subscription shall be £25.00 per team, to be paid to the Treasurer not later than 1st May, by Direct Debit or Standing Order if possible. (See also Rule 15.1.)
- 1.5 All clubs in the League must appoint a Child Protection Officer and must register, in writing, any changes to that appointment with the League's Child Protection Officer.

2. PLAYERS

2.1 Registration

- 2.1.1 All players in Shropshire Cricket League matches must be registered with the League; player registration must be in accordance with current ECB regulations. No suspended players will be permitted to play in the Shropshire League.
- 2.1.2 A list of playing members, from whom teams for the current season will be selected, must be submitted to the Registrations Secretary each year **not later than 15 April**. Failure to comply may mean that a team will accrue no points thereafter until the list of registered players is submitted.
- 2.1.3 Any additions to the list of playing members must normally be registered in writing with the Registrations Secretary before they play their first League match. Any transferred player must also comply with the provisions of Rules 2.3.1, 2.3.2 and 2.3.3.
- 2.1.4 Clubs must declare the date of birth of any player aged 19 or less on 31st August of the previous year.
- 2.1.5 In **exceptional circumstances** a player (not involved in a transfer) may be registered by 11.00 a.m. on the day of his first match by obtaining the verbal permission of the Registrations Secretary, or if he is not available, any member of the Rules Sub-Committee.
- 2.1.6 New players may not normally be registered after 1st August. In **exceptional circumstances**, however, the Registrations Secretary may permit the registration of a player after the closing date.
- 2.1.7 Registrations made in accordance with Rule 2.1.5 or 2.1.6 must be confirmed in writing to the Registrations Secretary **within 5 days** of the match being played. Failure to do so will render the player ineligible for subsequent matches.
- 2.1.8 No established 1st XI player of a club in another league may be registered without the express permission of the Registrations Secretary. An "established 1st XI player" is defined as one who plays, or expects to play, the majority of his cricket in the 1st XI (clubs are reminded of Rule 1.3).

2.2 Qualification

- 2.2.1 Subject to Rule 2.3 no player who plays Saturday League cricket for, or is registered as a player with, a different club in another League may play for, or be registered with, a Shropshire Cricket League club in the same season. The Management Committee reserves the right to deduct points from any club fielding players who are not *bona fide* members of that club.

- 2.2.2 If a player who has been registered with a Shropshire Cricket League club plays Saturday League cricket for a different club in another League that player's registration with the Shropshire Cricket League shall be deemed to have ceased forthwith and he is then ineligible to play in the Shropshire Cricket League.
- 2.2.3 All clubs in the League may field only one overseas player in any game. An overseas player is defined as one without a valid European Union passport. Any club which intends to play an overseas player must observe the regulations established by HM Government, and ECB. Any overseas players must be registered as such with the League. Note: an exception may be made for any overseas players who are under 19, and in full-time education.

2.3 Transfers

- 2.3.1 Any club wishing to transfer a player from another club, whether a member club of the Shropshire Cricket League or another League, must obtain the consent of the Registrations Secretary before he becomes eligible to play for his new club.
- 2.3.2 The player's new club shall complete an official Transfer Form, obtainable from the Registrations Secretary, and shall forward the completed form, together with a letter from the player's previous club confirming that he has fulfilled his obligations to that club, to the Registrations Secretary; he may not play in a League match for his new club until permission has been granted.
- 2.3.3 No transfers will be permitted after 1st August.

2.4 Eligibility

- 2.4.1 A player who has played in a total of 12 or more first/second/third team matches during the season shall not be allowed to play in any of the last three matches in a lower division without the prior approval of the Registrations Secretary.
- 2.4.2 The 3rd and 4th teams of clubs whose senior teams play in other Leagues may use players from their senior teams provided those players are registered with the Shropshire Cricket League and are in compliance with Rules 2.1.8 and 2.4.1.

2.5 Penalties for Playing Ineligible Players

- 2.5.1 Any team that fields a player in contravention to Rules 2.1.8, 2.3.1 or 2.4.1 shall have all points gained from that match disallowed. The offending team will also be deducted a further 10 points, and the non-offending team shall be awarded 20 points, all subject to the discretion of the Disputes Sub-Committee.
- 2.5.2 A two-point deduction will apply for fielding each unregistered player not covered by Rule 2.5.1.

3. RULES FOR THE CONDUCT OF ALL MATCHES

- 3.1 A fixture list shall be issued by the League Fixtures Secretary and all matches shall take place on the appointed date.
 - 3.1.1 When a Sunday match is published in the fixture list no player may play in the match if he also played for any of his club's other League teams on the same weekend.
 - 3.1.2 In the event of a fixture being re-arranged (see Rule 3.1.3) no player is permitted to play in more than one match published in the fixture list to be played on the same date.
 - 3.1.3 If a club wishes to re-arrange a match to be played on a different date from the one published in the fixture list **both** clubs must give written notice to, and obtain permission from, the League Secretary not less than **ten days** before either the date shown in the fixture list or the re-arranged date, whichever occurs first, before playing the match. Any infringement of this rule will result in the match being declared void.

- 3.2 Matches shall be played in accordance with current **Laws of Cricket (2000 Code, 2nd Edition – 2003)** and current **England and Wales Cricket Board Directives**, with the following provisos:–
- (a) A player arriving more than 2 hours after a match has started will only be permitted to play if the opposing captain agrees.
 - (b) Penalty runs (defined in Law 42) will not be awarded, except those accruing from:
 - No balls and wides;
 - Ball striking protective helmet belonging to the fielding side whilst it is on the ground within the field of play (Law 41.3);
 - Unfair fielding of the ball (Law 41.2).
 - (c) No underarm bowling shall be allowed in the League.
- 3.3 Prior to the toss, captains shall submit team sheets to the umpires; these sheets must identify all players, including the Age Group of those under 19 at midnight on 31st August in the previous year. If no umpire is present, captains will exchange their lists.
- 3.4 All clubs shall be responsible for the behaviour of their players, officials and supporters at matches. Any inappropriate behaviour will be subject to investigation by the League and any necessary action will be taken against the offending club by the Disputes Sub-Committee.

4. CONDITIONS AND HOURS OF PLAY

- 4.1 All matches played before the third Saturday in August shall commence at 2.00 p.m. All matches played on or after the third Saturday in August shall commence at 1.00 p.m. Start times may be brought forward with the agreement of both captains.
- 4.2 Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the agreed starting time. In the event of a team not being able to comply, the opposing team may, if it so wishes, exercise the right to claim the toss. Teams who arrive late without satisfactory explanation will be dealt with by the Disputes Sub-Committee, who may deduct points from the record of the offending club.
- 4.3 A match shall normally consist of 100 overs in Division One, and 90 overs in all other divisions; however, with the agreement of both captains (before the toss), these numbers may be increased to a maximum of 100 or reduced to a minimum of 70 overs. In all divisions the **minimum number of overs** to constitute a match shall be **70**.
- 4.4 The side batting first may receive a maximum of half of the allotted overs.
- 4.5 The side batting second shall utilise the balance of the overs not used by the side batting first. For this purpose the last over of the first innings shall be counted as a completed over.
- 4.6 The umpires shall ensure that the scorers sit together in close proximity to the scoreboard ensuring that overs, runs and wickets are correctly recorded and adequately displayed at the end of each over.
- 4.7 Before the first ball of the last over of each innings, the umpire shall call "last over" clearly so that both sides understand.
- 4.8 Immediately upon the conclusion of each innings the captains, scorers and umpires shall agree the accuracy of the recorded scores. The umpires' decision shall be final.
- 4.9 No match shall start later than 3 hours after the official starting time.
- 4.10 In all Divisions, teams must use at least five bowlers in their allotted overs, all of whom must bowl a minimum of four overs each; alternatively, the overs of any bowler (usually but not necessarily the fifth) may be shared with a 6th, 7th or 8th bowler, provided that the aggregate of overs bowled by these players is at least 4. Irrespective of the number of overs agreed by the captains (see Rule 4.3) and the ECB Fast Bowling Directive for U19s, no bowler may bowl more than 18 overs.

4.11 Restriction on Placement of Fielders

In all divisions, at the instant of delivery of the ball, not more than five fielders shall be outside an area bounded by two semi-circles centred on each middle stump, each with a radius of 30 yards (27.4 m), and joined by two straight lines, parallel to, and on each side of, the pitch.

In the event of an infringement the square-leg umpire shall call and signal "no-ball".

The fielding circles shall be marked at ten-yard intervals by white painted dots or preferably by white plastic or rubber discs (NOT metal) approximately seven inches (178 mm) in diameter.

5. INTERRUPTION OF PLAY

- 5.1 In the event of interference by weather, light or other unforeseen circumstances amounting to 30 minutes or more after the scheduled starting time, play shall cease on the completion of at least 20 overs in the final hour of play (accepting that play will continue until the end of that hour, as per the Laws of Cricket), commencing at 7.30 pm (6.30 pm on or after the third Saturday in August), or on the completion of the number of overs that constitute that particular match.
- 5.2 If an interruption of play occurs during the final 20 overs, the number of overs will be reduced by one over for every full three minutes lost and if the reduced number of overs is completed before 8.30 p.m. (7.30 p.m. on or after the third Saturday in August), and unless the number of overs constitutes the conclusion of the particular match, play will continue until 8.30 p.m. (7.30 p.m. on or after the third Saturday in August), or until the completion of the number of overs calculated to be bowled in the last hour, whichever shall be the later.
- 5.3 If the teams are off the field of play at the scheduled closing times detailed above, play shall be abandoned.
- 5.4 If the side batting second do not receive as many overs as the side batting first without achieving a result then the game shall be deemed to be abandoned and points will be awarded accordingly.

6. ALLOCATION OF POINTS

Win: **23 points** are available for sides batting first, **20 points** for sides batting second (includes maximum bonus points in each case, plus 3 extra for batting first). Note: **1 bonus point** is also available to teams providing a suitably qualified umpire in Divisions 1, 2, 3 and 4 – see below.

Loss: Bonus points only.

Draw: Bonus points for both sides, *plus* 10 points divided between the teams, as follows (points for side batting first are shown first):–

- | | |
|-------------|--|
| 5–5 | if the scores are tied; |
| 6–4 | if 90% or more of the first innings total is scored; |
| 7–3 | if 80% but less than 90% of the first innings total is scored; |
| 8–2 | if 70% but less than 80% of the first innings total is scored; |
| 9–1 | if 60% but less than 70% of the first innings total is scored; |
| 10–0 | if less than 60% of the first innings total is scored. |

Bowling bonus points: **1 point** for every 2 wickets taken (2, 4, 6, 8 and 10) – see Rule 6.1 & 6.2.

Batting bonus points: **1 point** for reaching 100, 125, 150, 175, 200 runs.

Umpire bonus points: **1 point** for teams in Divisions 1, 2, 3 & 4 providing a suitably qualified and registered umpire – see Rules 8.2, 8.3, 8.4 and 8.5.

Abandoned: **4 points** to each side *plus* bonus points *including* Umpire bonus points (Note: Umpires bonus points will only be available if a minimum of 10 overs is played).

Not Started: **4 points** to each side.

- 6.1 In the event of a declaration or, if a side is still batting at the end of its allotted overs, only wickets taken shall count towards the number of bowling bonus points awarded.
- 6.2 If the innings ends because a side is all out, the fielding side shall be awarded maximum bowling bonus points.

7. THE BALL

- 7.1 In all Divisions, two new balls, specified by and purchased through the League, shall be used in each game. Each team shall provide one ball.
- 7.2 If a ball is lost it shall be the responsibility of the fielding side to provide a suitable replacement.
- 7.3 The cost of League balls shall be notified to member clubs and payment shall be made to the Treasurer by the due date (see also Rule 15.5).
- 7.4 If a team is withdrawn from the League after its allocation of balls has been ordered or purchased by the League that club shall be liable to reimburse the League for the cost of same (see also Rule 15.7).
- 7.5 Balls, Handbooks, Teamsheets, etc., will be available for collection at the pre-season Captain's Meeting. Any club not attending that meeting may be penalised at the Committee's discretion.

8. UMPIRES AND SCORERS

- 8.1 Teams in all divisions shall endeavour to provide an umpire and a scorer in all League games.
- 8.2 All Division 1, 2, 3 and 4 teams will be required to provide a suitably qualified and registered umpire at all matches.
- 8.3 A suitably qualified umpire is one who has either passed the official ECB umpiring exams or has obtained a certificate from the League following attendance at the League's own courses.
- 8.4 Clubs must register their umpires with the Registrations Secretary before the start of the season.
- 8.5 In Divisions One, Two, Three and Four, **1 point** will be awarded to a team in every match where it provides a suitably qualified and registered umpire for the whole match.
- 8.6 If one side provides an umpire and the other does not, that one umpire shall be the official umpire for the match and shall stand at the bowler's end throughout the match.
- 8.7 Captains will be required to assess the umpire's performance as indicated on the Scoresheet. Umpires are encouraged to comment to the League Secretary on the conduct of teams and captains.

9. PITCHES AND FACILITIES

- 9.1 Matches will normally be played on grass pitches. If no suitable alternatives exist the League may consent to a team playing all its home matches on an artificial pitch. Before the start of the season, the home team must write to all other teams in their division to advise them accordingly.
- 9.2 In exceptional circumstances a match may be played on an artificial pitch provided that the home team notifies the visiting team **not less than 24 hours** before the scheduled starting time.
- 9.3 Provided both captains are in agreement on match day, a match may be played on an artificial pitch when conditions would otherwise prevent it being played. If captains fail to agree the match shall be treated as abandoned, and points awarded accordingly.
- 9.4 Before the toss is made, the home captain shall advise his opposite number whether covers and a roller are available.
- 9.5 The Management Committee reserves the right to withhold promotion from any team if its pitch and facilities (including toilets and running water) are not up to the required standard – see also Constitution Clause 3(k). The Committee will give due consideration to any assurances that facilities will be upgraded during the close season.

- 9.6 No team will be promoted to Division One unless it has, or gives an undertaking to have by the start of the season: a roller, covers, sightscreens (except in exceptional circumstances) and changing facilities, including showers.
- 9.7 Any team that fails to fulfil an undertaking given in Clauses 9.5 and 9.6 may be liable to points penalty(ies), at the discretion of the Management Committee.
- 9.8 No team will be promoted to Division Two unless it normally schedules its home matches on a grass pitch.

Note: With effect from 2010, the restriction referred to in Rule 9.8 will be lowered to apply to Division Three.

10. CANCELLATION OF MATCHES

- 10.1 If, in the opinion of the home club, the ground is unfit for play owing to weather or other circumstances it shall be the responsibility of the home club to inform the visiting club of this fact on the day of the match **between 11.00 a.m. and 12 noon** (10.00 a.m. and 11.00 a.m. from the third Saturday in August).
- 10.2 The match can be called off between the times stated above only if both captains agree. If, however, the visiting team advises the home team that it will exercise its option to travel to the appointed venue, the match can only be called off at the scheduled starting time and with both teams present and available to play.
- 10.3 Except in extreme circumstances (in which case the specific consent of the Registration Secretary must be obtained), no club may call off a match for reasons other than provided for in Rule 10.1. In the event of this happening, all points gained from this match will be disallowed, the offending team will be deducted a further 5 points, and the non-offending team will be awarded 20 points, all subject to the discretion of the Disputes Sub-Committee. If the reason for the cancellation is to allow a lower league fixture to take place (irrespective of the league in which the higher team plays), both offending teams will be deducted points as indicated above, while the non-offending team will keep its total points if more than 20 were gained on the day.

- 11.1.1 In all Divisions it shall be the responsibility **of the home club** to complete an official League Scoresheet for each League match, including any which were abandoned without a ball being bowled.
- 11.1.2 The Scoresheet must be posted by First Class Post to the Results Secretary before the last collection time on the Monday following the match. - 11.1.4 Captains shall ensure that players are consistently and uniquely listed with Christian or first names on the Scoresheet; this is to assist the League in correctly identifying players for its records.

12. DISPUTES, PROTESTS AND DISCIPLINE

- 12.1 Any protest shall be lodged with (i) the League Secretary, (ii) the Chair of the Disputes Sub-Committee and (iii) the Secretary of the club against whom the protest is made, by the Club Secretary (or other authorised club official) in writing within five days of the date of the alleged breach.

- 12.4 When making a protest, clubs shall state under which rule the protest is being made.
- 12.5 The Disputes Sub-Committee (referred to as the Sub-Committee throughout this section) will hear the protest within 14 days of it being received by the League. The League will give clubs at least 7 days notice of the hearing.
- 12.6 The £20 fee shall be forfeited if the Sub-Committee consider the protest to be trivial.
- 12.7 The Sub-Committee may, at its discretion, require officials and/or players from all clubs involved in the dispute to attend the hearing of that protest or dispute. Umpires may also be invited.
- 12.8 The Sub-Committee may, at its discretion, impose fines against clubs, ban players or award or deduct points. Any fine exceeding £20, any ban exceeding 2 weeks or any award or deduction of points exceeding 20 must first be ratified by the Management Committee.
- 12.9 The League's decision shall be conveyed in writing to all parties to the dispute within 7 days of the hearing or, if Rule 12.8 applies, of the date of the Management Committee meeting.
- 12.10 Any protest which arises from interpretation of the Laws of Cricket may be referred to the appropriate national body for settlement and their decision shall be final; on all other matters the League shall be the final arbiter.

13. APPEALS

- 13.1 A club may appeal against any decision of the League under the provisions of Rule 12; such appeal will be heard by the Appeals Sub-Committee as constituted by the Management Committee.
- 13.2 Any appeal shall be lodged with (i) the League Secretary, (ii) the Chair of the Appeals Sub-Committee, and (iii) any other parties involved in the original dispute, by the Club Secretary (or other authorised club official) in writing within 14 days of the League's decision being notified to them, stating the reasons for the appeal in full.
- 13.3 The appeal shall be accompanied by a fee of £50 as a contribution towards the costs of hearing the appeal. The Appeals Sub-Committee may at its discretion retain or refund all or part of the fee.
- 13.4 The Appeals Sub-Committee (referred to as the Sub-Committee throughout this section) will hear the appeal within 14 days of it being received by the League. The League will give clubs at least 7 days notice of the hearing.
- 13.5 The club(s) will be permitted to have two representatives to present its case at the hearing; the Sub-Committee may require clubs/officials to attend the hearing.
- 13.6 The Sub-Committee is empowered to over-rule the decision of the Disputes Sub-Committee. Any fine exceeding £20, any ban exceeding two weeks or any award or deduction of points exceeding 20, must first be ratified by the Management Committee.

- 13.7 The decision of the Sub-Committee shall be conveyed in writing to all parties involved in the appeal within 7 days of the hearing or, if Rule 12.8 or 13.6 applies, of the date of the Management Committee meeting.
- 13.8 Decisions by the Sub-Committee shall be final and binding on all parties involved and no further appeal shall be permitted.

14. LEAGUE POSITIONAL PLACINGS

In the event of two or more teams finishing the season on the same number of points, the following criteria shall be applied successively to determine final placings:

1. Most points gained by the teams in matches played between them during the season;
2. The highest number of wins as a percentage of completed matches;
3. The lowest number of defeats as a percentage of completed matches;
4. The highest number of wickets taken in the season; and
5. The highest number of runs scored in the season.

15. PENALTIES, FINES AND SURCHARGES

- 15.1 Any club which has not paid its subscription by the due date (see Rule 1) shall be liable to a surcharge of £5 per team for every month or part of a month that it is in arrears.
- 15.2 Any club which fails to fulfil a League fixture shall have 5 points deducted for each offence.
- 15.3 Any team which fails to fulfil 5 League matches in any one season will be expelled from the League forthwith. All results and points gained in any fixtures involving this club will be deleted from the League records.
- 15.4 If an away team cancels a fixture within 48 hours of the scheduled start of a match it may be required to make a contribution towards any reasonable costs unavoidably incurred by the home team in preparing for the match.
- 15.5 Any club which has not paid for its allocation of League balls by the due date (see Rule 7.3) shall be liable to a surcharge of £10 per team.
- 15.6 Any club which does not return a trophy by September 1st will be fined and/or points will be deducted. If a trophy is found to be damaged or requires cleaning when returned, the offending club will be invoiced with the cost of the renovation work or the cost of a replacement.
- 15.7 Any club which resigns or withdraws any of its teams from the League after the date specified in Clauses 3(g) and 3(h) of the Constitution is liable to be charged the full League subscription for the coming season, plus any expenses incurred by the League on its behalf (see also Rule 7.4).
- 15.8 If a club fails to pay any fine or surcharge within 21 days of the due date, one point will be deducted from each of its teams playing in the League for each day that the fine remains unpaid thereafter.
- 15.9 In the event of any contravention of these ***Rules and Playing Arrangements*** the Management Committee and its constituent sub-Committees shall have powers to award or deduct points, declare a match void and/or levy fines on any offending member club.

16. LEAGUE HANDBOOK

All clubs shall submit information about their club (Club Secretary name, address and telephone; Captain(s) and telephone; weekend contacts and, where appropriate, ground information) for inclusion in the new League Handbook. The information must be received by the Treasurer **not later than 13th March** prior to the start of the season. Failure to do so by this date will result in a maximum of 5 points (at the discretion of the Management Committee) being deducted from each team when the season starts.

DANGEROUS AND UNFAIR BOWLING (LAW 42)

The Laws of Cricket (2000 Code) have re-defined Dangerous and Unfair Bowling and amended the penalties.

Law 42.6 (a) – Bowling of fast short pitched balls.

1. The bowling of **fast short pitched balls** is dangerous and unfair if the umpire at the bowler's end considers that by their repetition and taking into account their length, height and direction they are likely to inflict physical injury on the striker, irrespective of the protective equipment he may be wearing. The relative skill and age of the striker shall also be taken into consideration.
2. Any delivery which, after pitching, passes or would have passed **above head height** of the striker standing upright at the crease, **although not threatening physical injury**, is deemed to be unfair and the umpire shall call and signal **"No Ball"**.

Law 42.6 (b) – Bowling of high full pitched balls.

1. Any delivery, **other than a slow paced one**, which passes or would have passed **on the full above waist height** of the striker standing upright at the crease is dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.
2. A **slow delivery** which passes or would have passed **on the full above shoulder height** of the striker standing upright at the crease is dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.

Law 42.7 – Dangerous and unfair bowling – action by the umpire.

1. In the event of Dangerous and/or Unfair Bowling, the umpire shall call and signal **"No Ball"** and **issue a caution** to the bowler and the captain.
2. In the event of repetition, the umpire shall additionally inform the bowler that this is a **final warning**.
3. In the event of further repetition, the umpire shall additionally instruct the captain to **take off the bowler forthwith**, the over being completed by another player. The bowler shall not bowl again in that match and the umpire shall report the incident to the League Secretary.

Law 42.8 – Deliberate bowling of high full pitched balls.

If the umpire considers that a high full pitched ball was bowled **deliberately**, he shall call and signal **"No Ball"** and **shall instruct the captain to take the bowler off forthwith**, i.e. without going through the procedure of issuing warnings, etc. (as in Law 42.7). The bowler shall not bowl again in that match and the umpire shall report the incident to the League Secretary.

Law 25 – Wide Ball.

It should be noted that a ball which passes "so high over the wicket that, in the opinion of the umpire, it passes out of reach of the striker" will no longer be a "Wide". It will be called and signalled **"No Ball"** and Law 42.7 (or 42.8) will apply.

LEAGUE KO 20:20 COMPETITION FINAL

At Montgomery Cricket Club

August Bank Holiday Monday, 31st August 2009,
1.00 p.m. start

ENGLAND & WALES CRICKET BOARD – JUNIORS PLAYING IN ADULT MATCHES

The ECB has issued the following guidance covering the participation of young cricketers in adult matches. This guidance applies to boys and girls and any reference to he/his should also be interpreted to include she/her. Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season.

All clubs must recognise that they have a duty of care towards all young players who are representing the club. This duty of care also extends to Leagues that allow the participation of young players in adult teams in their League. The duty of care should be interpreted in two ways:

- Not to place a young player in a position that involves an unreasonable risk to that young player, taking into account the circumstances of the match and the relative skills of the player
- Not to create a situation that places members of the opposing side in a position whereby they cannot play cricket as they would normally do against adult players.

In addition the following specific requirements apply to young players in adult matches:

- All young players who have not reached their 18th birthday must wear a helmet with a faceguard when batting and when standing up to the stumps when keeping wicket. Parental consent not to wear a helmet should not be accepted in adult matches. A young player acting as a runner must also wear a helmet even if the player he is running for is not doing so.
- The current ECB fielding regulations must be adhered to and enforced by the umpires and captain. The umpires are empowered by these fielding regulations to stop the game immediately if a young player comes within the restricted distance.
- The umpires and the opposing captain must be notified of the age group of all players participating in an adult match who are in the Under 19 age group or younger, even if the player is not a fast bowler. This requirement also covers any young player taking the field as a substitute fielder. The ECB Team Sheet cards are freely available to facilitate this.
- Any player in the Under 13 age group and younger must have explicit written consent from a parent or guardian before participating in adult matches. Clubs must be certain that their player registration procedures ensure that consent is obtained. The guidance related to changing and showering (see 'Safe Hands' – Welfare of Young People in Cricket Policy) must be adhered to.
- Any club wishing to play a player in the Under 11 age group in an adult League or Cup match must obtain the explicit prior approval of the League or Cup management before the player can play. Approval should only be given to exceptionally talented players. It is recommended that advice is sought from the County Age Group Coach or other ECB Level 3 coach as appropriate.

Clubs and Leagues can apply more strict restrictions on the participation of young players in adult matches at their discretion. It is strongly recommended that a parent, guardian or other identified responsible adult is present whenever a player in the Under 13 age group or younger plays in an adult match.

This guidance applies to all cricket in England and Wales from the beginning of the 2007 season.

For reference, the ECB Fielding Regulations are as follows:

- No young player in the Under 15 age group or younger shall be allowed to field closer than 8 yards (7.3 metres) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.
- For players in the Under 13 age group and below the distance is 11 yards (10 metres).
- These minimum distances apply even if the player is wearing a helmet.
- Should a young player in these age groups come within the restricted distance, the umpire must stop the game immediately and instruct the fielder to move back.
- In addition any young player in the Under 16 to Under 18 age groups, who has not reached the age of 18, must wear a helmet and, for boys, an abdominal protector (box) when fielding within 6 yards (5.5 metres) of the bat, except behind the wicket on the off side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.
- These fielding regulations are applicable to all cricket in England and Wales.

All questions and comments on this guidance should be addressed to Frank Kemp, Head of Operations – Non First Class Cricket, at Lord's: frank.kemp@ecb.co.uk. 0207 432 1216, fax 0207 289 5619, or by post to ECB Cricket Department, Lord's Cricket Ground, London NWS 8QZ.

ECB FAST BOWLING MATCH DIRECTIVES

Issued March 2002.

For any subsequent changes visit www.play-cricket.com

Age	Max. overs per spell	Max. overs per day
Up to 13	4 overs per spell	8 overs per day
U14, U15	5 overs per spell	10 overs per day
U16, U17	6 overs per spell	18 overs per day
U19	7 overs per spell	21 overs per day

For the purpose of these Directives a fast bowler should be defined as a bowler to whom a wicket keeper in the same age group would **in normal circumstances** stand back to take the ball.

Having completed a spell the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his* spell have been bowled from the same end. A bowler can change ends without ending his current spell provided that he bowls the next over that he legally can from the other end. If this does not happen his spell is deemed to be concluded. If play is interrupted, for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end. If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match he cannot exceed the maximum number of overs per day for his age group even if he subsequently bowls spin. He can exceed the maximum overs per spell if bowling spin, but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end. If he bowls spin without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast.

Captains, Team Managers and Umpires are asked to ensure that these Directives are followed at all times.

* Any reference to *he/his* should be interpreted to include *she/her*.

Play-Cricket FAQs

QUESTION 1

How can I activate my club's site on the Play-Cricket network?

ANSWER 1

To set up a club site on Play-Cricket you need to take the following steps:

1. Go to <http://www.play-cricket.com> and register yourself creating a username and password
2. Click on 'Club Sites' in the top menu bar
3. Click on 'apply for your site'
4. Next to 'sub site name or first letter' enter all or part of your clubs name and then search for your site. From the list returned below 'pick' your club from the list (if your site is not returned try searching with counties showing 'all' or call the information desk on 020 7432 1172)
5. Enter your club details and submit
6. Set up your teams (every team at your club as they will probably have games entered on the Play-Cricket system) and affiliations (your county board)
 - You will then receive an email confirming that your site has been activated with a link to your home page
 - Once on your site log on using your username and password and an 'admin' button will appear at the bottom of the left hand menu under 'interact'
 - Click on the 'admin' button and this will take you to the administration area of your web site where you can control all the information that is published

QUESTION 2

How can I become an online member of my club's Play-Cricket website?

ANSWER 2

To become an online member of your club please take the following steps (if you activated the club site you will already be a member):

1. Register with Play-Cricket by either clicking on the 'register' button on the Play-Cricket home page or on your club home page. This will create your Play-Cricket username and password
2. Either following your registration or after you have logged on using your Play-Cricket username and password click on the 'my profile' button on the top right hand side of the page. Once you are in your profile click on the 'site memberships/roles' option
3. In 'site memberships/roles' click on 'apply for new membership' and search for your club
4. In the list returned click on 'apply for membership' next to your club name
5. Complete the necessary details in the form, agree to the terms and conditions and click 'apply for membership'
- Your application will be reviewed by your club web site administrator and once accepted you will be notified by email

QUESTION 3

How can I set up another administrator for my site and how many administrators can a Play-Cricket website have?

ANSWER 3

To set up a new online administrator for your club they will need to become an online member of your club first (as described above). Your site can have as many administrators as required. Once they are a member there are actions for both of you to carry out:

1. You need to log on and go to the administration area of your web site
2. Next go to the 'members' area and then 'member database'. Click on 'review applications' and accept or reject any requests for membership (note you should only accept online members who are actual members of your club)

3. If you accept a member they will be compared to existing names in your database. If there is an existing name that is the exact same person click on 'match' and you will avoid duplication in your member database. If they do not already exist in your database click on 'grant membership without matching'
 4. Once a person is an online member of your club you can make them an administrator of your club web site. Next to the name of the new administrator click on 'roles icon' (teacher's hat) and under 'web roles' apply for them to have the type of administration roles you would like them to have. This will send the new administrator an email and make them a pending administrator
 5. The new administrator on receiving the email needs to go to the your club's home page and log on. Once logged on an 'admin' button will appear at the bottom of the left hand menu. They need to click on this and accept the terms and conditions
 6. Once accepted they will also be an administrator of your club system and be able to update area of the site they have administration rights for+
- + Please note that if you grant an online member administration rights they will have full access to change all the information on your Play-Cricket system so they must be responsible members of your club.

QUESTION 4

What basic information do I need to complete on my Play-Cricket website and how can I do it?

ANSWER 4

Once your club site has been activated on Play-Cricket it is important that it carries the most basic level of information about your club so that it is useful for people who access it. The two most important areas to complete are the 'about us' section and a link to an existing web site if you have one. To complete the 'about us' section take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'about us' area and 'club details'
3. Under 'office' complete the address of your ground, club contact number and email address and click 'save'. The most important part of this information is the post code as it drives a map link that allows users to see where your ground is located. If your ground does not have a post code it is often useful to find the closest post code and use that instead

To complete a link to an existing web site take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'site settings' area and 'site set up'
3. Half way down the page enter the URL of your existing web site next to where it says 'existing web site' and then click 'save settings' at the bottom of the page

This will create a link to your existing web site from the centre of your club's home page on the Play-Cricket network.

QUESTION 5

How can I update my club's member database?

ANSWER 5

On your member database there are two types of member. There are temporary members (who have a astrix next to their name) and actual members. A temporary member is a member of your club who has been entered onto the database by an administrator. An actual member is a member of your club who has completed the online membership process (see above). To ensure the data held on your members is valuable to your club it is crucial that you do not have multiple instances of an individual member. To prevent this we have introduced a 'matching' process (described below) so that members should only be deleted when they actually leave the club. You will also be able to add multiple roles to your members and add them to playing squads and email lists. To enter new members of your site (without them applying) take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'club members' area and 'member database'

3. Click on 'create new user with this role'
4. Enter the individual's details and click 'add user'

If you have two or more instances of a club member on your database you need to match them together. If they are all temporary members you can match either one to the other. If you have an actual member and a temporary member then you need to match from the actual member. To match individuals take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'club members' area and 'member database'
3. Search for the individual who has multiple entries
4. Next to the entry you wish to keep (the actual member or either of the temporary ones if they are both temporary) click on the match icon
5. From the list of possible matches click 'match' next to the name that is the same

QUESTION 6

How do I enter a summary level result?

ANSWER 6

At 12.00pm all the fixtures that have been entered for that day will move automatically from the fixtures area of your web site to the results area allowing you to enter the scores. It is this information that calculates any league tables that are associated with the result or works out who progresses to the next round of a cup competition. To enter a summary level results take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'results' area
3. Search for result that you wish to enter (it defaults to the latest) and click the 'edit' icon
4. Complete all the compulsory information (this includes the result of the game and each teams runs and wickets)
5. Take the option to complete further information (the rest of the information in the form)
6. Click 'save' and all the information will be updated in the relevant areas (club site, league site or cup site)

QUESTION 7

How do I complete a full scorecard on my Play-Cricket website?

ANSWER 7

Once the summary level result has been entered it can be 'locked' by a cup or league administrator to prevent clubs from changing the information. However clubs can still enter a full scorecard which can be published on the site and will also generate comprehensive statistics on each team and player. To enter scorecards take the following steps:

1. Log on and go to the administration area of your web site
2. Next go to the 'results' area
3. Search for result that you wish to enter (it defaults to the latest) and click the 'edit' icon
4. Complete the summary result
5. Confirm the players that played for each team (teams can be selected in the same way from the fixtures area before a game is played and this allows you to email those selected informing them of the game's details)
6. Complete the scorecard for each innings. This is done by clicking on the right hand panel to select method of the dismissals and the players involved (fielders and bowlers) and then enter the numbers using your keypad

LEAGUE KO 20:20 COMPETITION RULES

1. GENERAL

The purpose of the Competition is to enable teams from member clubs of all Divisions to play each other in an eleven-a-side evening knock-out tournament. The Competition is intended to provide additional cricket for those players who play regularly for their club in its League matches during the season.

2. ORGANISATION

- 2.1 Participation in the Competition is only by invitation of the League. Fixtures will be drawn before the season starts and will be published in the League's Handbook.
- 2.2 Teams will be notified by the Results Secretary who their opponent will be as the competition progresses.
- 2.3 Matches must be played in accordance with these rules and results must be sent promptly to the Results Secretary – see Rule 4.16.
- 2.4 The competitions are organised and run by the Knock-out-Competitions Sub-Committee.

3. ELIGIBILITY OF PLAYERS

- 3.1 All players must be *bona fide* members of the club for which they play in the Competition and must be registered with the League in accordance with Rule 2 of the League's "Rules and Playing Arrangements".
- 3.2 To qualify to play in the Second and later rounds of the Competition, all players must have taken part in at least 20% of their club's **Shropshire Cricket League matches** played before that round. [Note: A League match which has been abandoned without a ball being bowled does not count when determining a player's eligibility.]
- 3.3 No player may take part in the Competition if he plays in any other League on Saturdays.
- 3.4 No player may play for more than one club in the Competition.
- 3.5 PROVIDED application is made to the Chairman of the Knock-out Competition Sub-Committee NOT LESS THAN SEVEN DAYS BEFORE the match is due to be played, explaining the reasons for the request, the Sub-Committee is prepared to consider a relaxation of Rule 3.2 when a club:–
 - (a) is genuinely unable to raise a full team of eligible players for a particular match; or
 - (b) wishes to include a player who is unable to play for his club on Saturdays (provided Rule 3.3 does not apply in his case).
- 3.6 Any club found to have used an ineligible player will be expelled from the Competition and may be debarred from entry in subsequent years.

4. MATCH ARRANGEMENTS

- 4.1 Matches shall be played on the ground chosen by the home side.
- 4.2 Matches shall be played on the specified Wednesday unless both clubs agree to play on a different evening of the same week, in which case the home club must inform the KO Sub-committee before the preceding Saturday.
- 4.3 Any side that declines to play in accordance with Rule 4.2 will be deemed to have forfeited the match. If, on appeal, the KO Sub-committee considers that there are extenuating circumstances, the two sides will be given the opportunity to agree a new date, which should be before the next round of the competition. If agreement is still not reached, the KO Sub-committee will decide when the match is to be played and its decision will be binding on both clubs.
- 4.4 If inclement weather prevents a match being played or completed during the specified week, the clubs must immediately re-arrange it to take place not later than the following week, when rules 4.1, 4.2, 4.3 and 4.4 will again apply. The home club must notify the KO chairman of the revised date within 24 hours of the original postponement.

- 4.5 No match, other than one re-arranged in accordance with rules 4.3 and 4.4, shall be played after the specified week without the permission of the KO Sub-committee.
- 4.6 Any breach or infringement of these rules will result in the offending club(s) being expelled from the competition. The KO Sub-committee will adjudicate on all matters as necessary, including emergencies and any matter not specifically covered by these rules. It will decide if & when any extenuating circumstances should apply, and its judgment will be binding on all clubs.
- 4.7 Each side shall have one innings consisting of a maximum of twenty six-ball overs. If there is a late start or if weather conditions make this desirable, the captains may, before the toss takes place, agree to reduce the number of overs to a minimum of 12 overs per side.
- 4.8 Once a match has started, any interruption of more than 30 minutes for poor weather, etc, shall render the match void, and the fixture shall be rearranged. Captains will commence the rearranged match with a new toss.
- 4.9 The toss for innings shall take place not later than 6.20 p.m. In the event of a team not complying with this, the opposing team may, if it so wishes, claim the toss.
- 4.10 Matches shall normally commence at 6.30 p.m. If one team is not ready to play by 6.45 p.m. the match shall be awarded to the other team.
- 4.11 The match ball shall be provided by the home side; it shall be approved by both captains before the toss and used throughout the game. It need not be new but must be of good quality and in good condition.
- 4.12 No bowler may bowl more than one quarter (rounded up to the nearest whole number) of the agreed overs.
- 4.13 The interval between innings shall not exceed ten minutes, except in the Final.
- 4.14 No appeal against the light is allowed after the commencement of the second innings unless the umpires decide that it would be unreasonable or dangerous for play to continue.
- 4.15 A match is won by the side scoring the greater number of runs in the agreed overs; if the scores are level, the team which has lost fewer wickets shall be the winner; if equal, the team scoring the greater number of runs off the bat (i.e. excluding extras) shall be the winner. If still equal, the winner shall be decided by a bowling competition, with initially 5 different bowlers each bowling a single delivery at a set of stumps, and if still equal then by sudden death, provided that each team bowls the same number of deliveries and that no bowler may bowl more than one delivery until all members of his team have taken their turn.
- 4.16 It shall be the responsibility of the **winning club** to ensure that a **fully completed** official Shropshire League Knock-out Score Sheet, signed by both captains and umpires, is sent to the **Results Secretary**, to arrive not later than two days after the match was played. Captains should note that the names of **all** players **must** appear on the **Score Sheet**, together with the number of matches which each player has played with that club in the League in the current season prior to the match.
- 4.17 The Results Secretary will notify clubs who their opponents will be in the next round and will send an official **Score Sheet** to the home side.
- 4.18 In all games, the fielding restriction contained in Clause 4.11 of the League Rules & Playing Arrangements shall apply.

5. FINAL

- 5.1 The date and a neutral venue for the Final shall be determined by the Management Committee.
- 5.2 The league will provide two new balls of good quality, one for each team's use.
- 5.3 Each team shall have two innings, each consisting of twenty six-ball overs, with a 30 minute break for tea at the halfway point. The team batting first in the first innings will also bat in the fourth and final innings of the match.

- 5.4 The captains may, however, agree, before the toss takes place, to reduce the number of overs, if the weather conditions make this desirable, either to a single innings match (minimum 20 overs each), or a two innings match (minimum 12 overs each x 2).
- 5.5 The provisions of Rules 4.14 (bowlers quota of overs), 4.16 (light) and 4.20 (fielding restrictions) of this Competition shall equally apply to the Final.
- 5.6 If the scores are level at the end of the match, the side losing fewer wickets during the match shall be declared the winner. If the number of wickets lost is equal, the side scoring the greater number of runs in the first innings shall be the winner. If these are also the same, the trophy shall be shared.
- 5.7 If weather curtails play after completion of the first innings, then the team scoring most runs (or if level, then the team losing least wickets) shall be the winner. Should weather curtail play before the halfway point, then the Final will be rearranged.
- 5.8 The players of both teams and the match officials will be presented with small trophies as mementoes of the occasion.
- 5.9 The umpires will be invited to nominate, and a trophy will be presented to, the Man of the Match.

6. UMPIRES

- 6.1 The Knock-out Competition Sub-Committee will appoint umpires for the Semi-Finals and the Final. The League will pay them reasonable expenses.
- 6.2 If requested to do so, the Knock-out Competition Sub-Committee will endeavour to appoint umpires for matches in the earlier rounds of the Competition; it will, however, be the responsibility of the team(s) making the request to pay the umpires' reasonable expenses.
- 6.3 Umpires are urged to apply a strict and consistent interpretation of **Law 25 "Wide Ball"**, especially to a ball delivered down the leg side and passing wide of the batsman standing in a normal guard position or passing more than 18" (450 mm) outside the off stump.
