RULES AND PLAYING ARRANGEMENTS

1. GENERAL

The Rules and Playing Arrangements set out below apply to all Divisions of the Shropshire Cricket League and will continue in force until officially amended on the authority of the Management Committee of the League.

These Rules are binding on all players and clubs in the Shropshire Cricket League and the Management Committee may take action against defaulting clubs or players.

The subscription shall be £19.00 per team, to be paid to the Treasurer not later than 1st May, by Direct Debit or Standing Order if possible. (See also Rule 15.1.)

2. QUALIFICATION OF PLAYERS

2.1 All players in Shropshire Cricket League matches must be registered with the League.

2.2 A list of playing members from whom teams for the current season will be selected, must be submitted to the Registrations Secretary **not later than 31st May**. Failure to comply may mean that a team will accrue no points thereafter until the list of registered players is submitted.

2.2.1 Any additions to the list of playing members must normally be registered in writing with the Registrations Secretary before they play their first League match. Any transferred player must also comply with the provisions of rules 2.3.1 and 2.3.2.

2.2.2 In exceptional circumstances players may be registered by 12 noon on the day of his first match by obtaining the verbal permission of the Registrations Secretary, or if he is not available, of any member of the Rules Sub-Committee.

2.2.3 New players may not normally be registered after 1st August. In exceptional circumstances, however, the Registrations Secretary may permit the registration of a player after the closing date.

2.2.4 Registrations made in accordance with Rule 2.2.2 or 2.2.3 must be confirmed in writing to the Registrations Secretary **within 5 days** of the match being played.

2.2.5 The 3rd and 4th teams of clubs whose senior teams play in other Leagues may use players from their 2nd team provided they are registered with the Shropshire Cricket League and Rules 2.4.1 and 2.4.2 are complied with.

2.3 Transfers

2.3.1 Any club wishing to transfer a player from another club, whether it be a member club of the Shropshire Cricket League or another League, must obtain the consent of the Registrations Secretary before he becomes eligible to play for his new club.

The player's new club shall complete an official Transfer Form, obtainable from the League Secretary, and shall forward the completed form, together with a letter from the player's previous club confirming that he has fulfilled his obligations to that club, to the Registrations Secretary; he may not play in a League match for his new club until permission has been granted.

2.3.2 No transfers will be permitted after 1st August unless **exceptional circumstances** apply.

2.4 Eligibility

2.4.1 A player who has played in 12 or more first team matches during the season shall not be allowed to play in any of the last three matches in a lower division without the approval of the Rules Sub-Committee.

2.4.2 A player who has played in a total of 12 or more first/second team matches during the season shall not be allowed to play in any of the last three matches in a lower division without the approval of the Rules Sub-Committee.

3. RULES FOR THE CONDUCT OF ALL MATCHES

3.1 A fixture list shall be issued by the League Fixtures Secretary and all matches shall take place on the appointed Saturday unless clubs are desirous of re-arranging a fixture after they have been published. In this case **both** clubs must give written notice to the League Secretary not less than ten days before the date of the proposed alteration and must obtain his permission before playing the match. Any infringement of this rule will result in the match being declared void.

3.2 Matches shall be played in accordance with the **Laws of Cricket (2000 Code)** with the following provisos:

- (a) No underarm bowling shall be allowed in the League;
- (b) Penalty runs (defined in Law 42) will not be awarded, except those accruing from:
 - No balls;
 - Wides;
 - Ball striking protective helmet belonging to the fielding side whilst it is on the ground within the field of play (Law 41.3);
 - Unfair fielding of the ball (Law 41.2).

3.3 The Management Committee shall have the powers to declare a match void if it deems it necessary and may award or deduct points at its discretion.

3.4 Any club which intends to call off a match for reasons other than provided for in Rule 10 shall cancel its 2nd team game in preference to that of its 1st team; and similarly with the 3rd and 4th teams of clubs whose senior teams play in other Leagues. (See also Rule 15.2.)

4. HOURS AND CONDITIONS OF PLAY

4.1 All matches up to and including the second Saturday in August shall commence at 2.00 p.m. All matches played on or after the third Saturday in August shall commence at 1.00 p.m.

4.2 Prompt starts are essential and the toss for innings shall take place at least fifteen minutes before the scheduled starting time. In the event of a team not being able to comply, the opposing team may, if it so wishes, exercise the right to claim the toss. Clubs who arrive late without satisfactory explanation will be dealt with by the Management Committee, who may deduct points from the record of the offending club.

4.3 A match shall normally consist of 100 overs; however, the captains may agree to reduce the number of overs if, in their opinion, weather conditions so indicate. The minimum number of overs to constitute a match shall be 80.

4.4 The side batting first may receive a maximum of half of the allotted overs.

4.5 The side batting second shall utilise the balance of the overs not used by the side batting first. For this purpose the last over of the first innings shall be counted as a complete over.

4.6 In conjunction with the scorers, the umpires shall ensure that the recording of overs and runs is correctly made and adequately displayed at the end of each over.

4.7 Before the first ball of the last over of each innings, the umpires shall call "last over" clearly so that both sides understand.

4.8 Immediately upon the conclusion of each innings the scorers and umpires shall agree the accuracy of the recorded scores. The umpires' decision shall be final.

4.9 No match shall start later than 3 hours after the official starting time.

4.10 In all Divisions, teams must use at least four bowlers in their allotted overs, four of whom must bowl a minimum of four overs each. No bowler may bowl more than 20 overs.

9. PITCHES

- 9.1 Matches will normally be played on grass pitches. In exceptional circumstances the League may consent to a team playing all its home matches on an artificial pitch.
- 9.2 A match may be played on an artificial pitch, by agreement between the captains, when conditions would otherwise prevent the game being played.
- 9.3 Before the toss is made, the home captain should advise his opposite number whether covers are available.

10. CANCELLATION OF MATCHES

In the event of any ground being unfit for play owing to weather or other circumstances it shall be the responsibility of the home club to inform the visiting club of this fact. (See also Rule 3.4.)

This should be carried out on the day of the match **not before 11.00 a.m.**, and **not later than 12.00 noon** (10.00 a.m. and 11.00 a.m. from the third Saturday in August).

11. NOTIFICATION OF RESULTS

11.1 It shall be the responsibility of the home club to complete an official League Score Sheet. The Score Sheet shall contain full details of the game, including the names of ALL players, and shall be signed by both captains and, where appropriate, the umpires.

11.2 The Score Sheet must be posted (by First Class Post) to the League Secretary before the last collection time on the Monday following the match. Alternatively the Score Sheet may be faxed not later than 12 noon on the Tuesday following the match. Failure to comply with this Rule will result in points being deducted from the offending club.

- Notes:**
- 1 Clubs should make every effort to notify the result of their game to the media in time for publication.
 - 2 Captains should ensure that players are consistently and uniquely listed on the Score Sheet; this is to assist the League in correctly identifying players for its records.
 - 3 Even though a match is abandoned without a ball being bowled the **home team** must still send a Score Sheet to the League Secretary.

12. PROTEST

12.1 Any protest shall be lodged with the League Secretary by the Club Secretary (or other authorised club official) in writing within four days following the match.

12.2 A copy of such protest shall be sent to the club against whom the protest is made.

12.3 Each protest is to be accompanied by a fee of £10 which shall be forfeited if the Disputes Sub-Committee deems the protest to be trivial.

12.4 The club sustaining the protest or objection may have points added to its total points gained, but such points shall not exceed the maximum for a win. (See also Rule 3.3.)

12.5 When making a protest clubs shall state under which rule the protest is being made.

12.6 Clubs or players who are the subject of protests or disputes may be required to attend the hearing of that protest or dispute.

12.7 Any fine exceeding £20, any ban exceeding two weeks or any award or deduction of points exceeding 20, must first be endorsed by the Management Committee.

12.8 Any protest which arises from interpretation of the Laws of Cricket shall be referred to the appropriate national body for settlement and their decision shall be final; in all other matters the decision of the League shall be final.

13. APPEALS

- 13.1 A club may appeal against any decision of the Disputes Sub-Committee; such appeal will be heard by the Appeals Sub-Committee as constituted by the Management Committee.
- 13.2 Any appeal shall be lodged with the League Secretary by the Club Secretary (or other authorised club official) in writing within 14 days of the Disputes Sub-Committee's decision being notified to them.
- 13.3 A copy of the appeal shall be sent to any other club involved in the protest.
- 13.4 The appeal shall be accompanied by a fee of £20 as a contribution towards the costs of hearing the appeal. The Appeals Sub-Committee may at its discretion retain or refund all or part of the fee.
- 13.5 The appeal must include a full statement explaining why it is being lodged.
- 13.6 The club will be permitted to have two representatives to present its case at the hearing; the Appeals Sub-Committee may require clubs/officials to attend the hearing.
- 13.7 The Appeals Sub-Committee is empowered to over-rule the decision of the Disputes Sub-Committee. Any fine exceeding, £20, any ban exceeding two weeks or any award or deduction of points exceeding 20, must first be endorsed by the Management Committee.

14. LEAGUE POSITIONAL PLACINGS

In the event of two or more teams finishing the season on the same number of points, the following criteria shall be applied successively to determine final placings:

1. The highest number of wins;
2. The lowest number of defeats;
3. The number of points gained by the teams in matches played between them during the season;
4. The highest number of wickets taken in the season and;
5. The highest number of runs scored in the season.

15. FINES AND SURCHARGES

- 15.1 Any club which has not paid its subscription by the due date (see Rule 1) shall be liable to a surcharge of £5 per team for every month or part of a month that it is in arrears.
- 15.2 Any club which fails to fulfil a League fixture shall be fined £10 for each offence.
- 15.3 Any club which has not paid for its allocation of League balls by the due date (see Rule 7) shall be liable to a surcharge of £10 per team.
- 15.4 Any club which does not return a trophy when requested will be fined. If any trophy is found to be damaged or requires cleaning when returned, the offending club will be invoiced with the cost of the renovation work.
- 15.5 If a club fails to pay any fine or surcharge within 14 days of the due date, points will also be deducted.

DANGEROUS AND UNFAIR BOWLING (LAW 42)

The Laws of Cricket (2000 Code) have re-defined Dangerous and Unfair Bowling and amended the penalties.

Law 42.6 (a) – Bowling of fast short pitched balls.

1. The bowling of **fast short pitched balls** is dangerous and unfair if the umpire at the bowler's end considers that by their repetition and taking into account their length, height and direction they are likely to inflict physical injury on the striker, irrespective of the protective equipment he may be wearing. The relative skill and age of the striker shall also be taken into consideration.
2. Any delivery which, after pitching, passes or would have passed **above head height** of the striker standing upright at the crease, **although not threatening physical injury**, is deemed to be unfair and the umpire shall call and signal "No Ball".

Law 42.6 (b) – Bowling of high full pitched balls.

1. Any delivery, **other than a slow paced one**, which passes or would have passed on the **full above waist height** of the striker standing upright at the crease is dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.

2. A **slow delivery** which passes or would have passed on the **full above shoulder height** of the striker standing upright at the crease is dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.

Law 42.7 – Dangerous and unfair bowling – action by the umpire.

1. In the event of Dangerous and/or Unfair Bowling, the umpire shall call and signal "No Ball" and **issue a caution** to the bowler and the captain.
2. In the event of repetition, the umpire shall additionally inform the bowler that this is a **final warning**.
3. In the event of further repetition, the umpire shall additionally instruct the captain to **take off the bowler forthwith**, the over being completed by another player. The bowler shall not bowl again in that match and the umpire shall report the incident to the League Secretary.

Law 42.8 – Deliberate bowling of high full pitched balls.

If the umpire considers that a high full pitched ball was bowled **deliberately**, he shall call and signal "No Ball" and **shall instruct the captain to take the bowler off forthwith**, i.e. without going through the procedure of issuing warnings, etc. (as in Law 42.7). The bowler shall not bowl again in that match and the umpire shall report the incident to the League Secretary.

Law 25 – Wide Ball.

It should be noted that a ball which passes "so high over the wicket that, in the opinion of the umpire, it passes out of reach of the striker" will no longer be a "Wide". It will be called and signalled "No Ball" and Law 42.7 (or 42.8) will apply.

SAFETY GUIDANCE ON THE WEARING OF CRICKET HELMETS BY YOUNG PLAYERS

The England and Wales Cricket Board's safety guidelines on the wearing of cricket helmets by young players are as follows:

- It is recommended that a helmet is worn by young players when batting and when standing up to the stumps when keeping wicket against a hard cricket ball in matches and in practice.
- A young player should not be allowed to bat or to stand up to the stumps when keeping wicket without a helmet against a hard ball except with written parental consent. Coaches, teachers, managers and umpires should always ensure that a young player wears a helmet if this written parental consent has not been received.
- Players should regard a helmet with a faceguard as a normal item of protective equipment when batting against a hard ball, together with pads, gloves and, for boys, an abdominal protector (box).
- There is a British Standard (BS7928:1998) for cricket helmets and it is in the best interests of players to ensure that their helmet conforms to this standard.

The ECB is recommending that this guidance is followed by all players up to the age of 18. It applies to young players in adult cricket as well as to all junior cricket played with a hard cricket ball.

The ECB is requesting that the new guidance is communicated to the parents or guardians of all young players through clubs and schools, and that parental consent is always obtained before young players are allowed to bat or stand up to the stumps when keeping wicket against a hard ball without wearing a helmet.

The ECB has also extended the existing regulations covering the minimum fielding distances for young players in all matches where a hard ball is used.

- No young player in the Under 15 age group or younger shall be allowed to field closer than 8 yards (7.3 metres) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.
- For players in the Under 13 age group and below the distance is 11 yards (10 metres).
- These minimum distances apply even if the player is wearing a helmet.
- Should a young player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back.
- In addition any young player in the Under 16 to Under 18 age groups, who has not reached the age of 18, must wear a helmet and, for boys, an abdominal protector (box) when fielding within 6 yards (5.5 metres) of the bat, except behind the wicket on the off side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.
- These fielding regulations are applicable to all cricket in England and Wales. Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season.

ECB FAST BOWLING MATCH DIRECTIVES

Issued February 2000

Age	Max. overs per spell	Max. overs per day
Up to 13	4 overs per spell	8 overs per day
U14, U15	5 overs per spell	10 overs per day
U16, U17	6 overs per spell	18 overs per day
U19	7 overs per spell	21 overs per day

For the purpose of these Directives a fast bowler should be defined as a bowler to whom a wicket keeper in the same age group would in normal circumstances stand back to take the ball.

Having completed a spell the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his* spell have been bowled from the same end. If play is interrupted, for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end. If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match he cannot exceed the maximum number of overs per day for his age group even if he subsequently bowls spin. He can exceed the maximum overs per spell if bowling spin, but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end. If he bowls spin without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast.

Captains, Team Managers and Umpires are asked to ensure that these Directives are followed at all times.

4. MATCH ARRANGEMENTS

- 4.1 Matches shall be played on the ground chosen by the home side.
- 4.2 *Cup Competition* matches shall be played on the **Wednesday evening** of the specified week unless **both** clubs agree to play on a different evening of the same week.
- 4.3 *Shield Competition* matches shall be played on the **any evening** of the specified week as mutually agreed between the two clubs.
- 4.4 It is the responsibility of the **home club** to contact the visiting team to agree the match arrangements.
- 4.5 If a club fails to fulfil a fixture without giving at least 48 hours notice to the opposing team it will be expelled from the Competition and the match will be awarded to the opposing team.
- 4.6 If bad weather prevents a *Cup Competition* match being played or completed in the specified week, the clubs must re-arrange it to take place the following Wednesday unless **both** clubs agree to play it on a different evening of that week.
- 4.7 If bad weather prevents a *Shield Competition* match being played or completed in the specified week, the clubs must re-arrange it to take place no later than the following week.
- 4.8 No match, other than one re-arranged in accordance with Rule 4.6 or 4.7, shall be played after the specified week.
- 4.9 If a match is not played by the latest permitted date without good reason both clubs shall be expelled from the competition.
- 4.10 Evening matches shall commence at 6.30 p.m. and prompt starts are essential.

- 4.12 The toss for innings shall take place not later than 6.20 p.m. In the event of a team not complying with this, the opposing team may, if it so wishes, claim the toss.
- 4.13 If one team is not ready to play by 6.45 p.m. that team shall be deemed to have defaulted and the match shall be awarded to the other team.
- 4.14 The match ball shall be provided by the **home** club, approved by both captains before the toss and used throughout the game. It need not be new but must be of good quality and in good condition.
- 4.15 No bowler may bowl more than one quarter (rounded up to the nearest whole number) of the agreed overs.
- 4.16 The interval between innings shall not exceed ten minutes.
- 4.17 No appeal against the light is allowed after the commencement of the second innings unless the umpires decide that it would be unreasonable or dangerous for play to continue.
- 4.18 A match is won by the side scoring the greater number of runs in the agreed overs. If the scores are level, the team which has lost fewer wickets shall be the winner; if the number of wickets taken is also equal, the team scoring the greater number of runs after half the agreed overs have been bowled shall be the winner. If these also are the same, the winner shall be decided by the toss of a coin.

5. NOTIFICATION OF RESULT

- 5.1 It shall be the responsibility of the **WINNING CLUB** to ensure that a **fully completed official Shropshire League Knock-out Score Sheet**, signed as correct by both captains and umpires, is sent to the **League Secretary**, to arrive not later than two days after the match was played.

6.4 The league will provide two new balls of good quality, one for each team's use.

6.5 Each team shall have two innings, each consisting of twenty six-ball overs. The captains may, however, agree, before the toss takes place, to reduce the number of overs, if the weather conditions make this desirable.

6.6 In the **Cup Competition Final** the teams' innings shall be taken alternately.

6.7 In the **Shield Competition Final** the team batting first in the first innings shall bat second in the second innings.

6.8 No bowler may bowl more than one quarter (rounded up to the nearest whole number) of the agreed overs in an innings.

6.9 The winner is the team scoring the greater number of runs. If the scores are level at the end of the match, the team losing fewer wickets shall be declared the winner. If the number of wickets lost is the same, the team scoring the greater number of runs in the first innings shall be the winner. If these are the same, the team losing fewer wickets in the first innings shall be the winner. If these also are the same, the winner shall be decided by the toss of a coin.

6.10 The trophy shall be presented to the captain of the winning team. It shall remain the property of the League and shall be returned when requested by the Awards Sub-Committee.

2000 KNOCK-OUT CUP FINAL

Whittington v Telford Muslims

Bank Holiday Monday, 28th August at British Sugar C.C., Allscott
Whittington won by 6 wickets

Whittington avenged their narrow defeat of 1999 by pulling off a thrilling 6-wicket victory over Telford Muslims with just two balls to spare.

Put in to bat, by Whittington skipper Grant Litchfield, Telford Muslims lost their openers Tariq Aziz (8) and Qumar Zaman (4) cheaply, but Mo Fiaz crafted two stands of 20 and 54 with Zulfiqar Ali (13) and Intikhab Alim (37) before a final flourish which left him unbeaten on 46 and his team on 125 for 4 in their 20 overs. Nick Austin (1 for 17) bowled tightly but Steve Brunt was rather more expensive with figures of 2 for 29. Frank O'Brien suffered at the hands of Fiaz to finish with 1 for 45 from his 5 overs.

In reply, Whittington lost Martin Davies (0) almost immediately and could make little of the excellent pace bowling of Asrar Adalat. Grant Litchfield (53) gained steadily in confidence and received good support from Brunt (14), Austin (11) and Dominic Bradburne (12). The return of Adalat (2 for 6) denied Whittington a late run charge and they finished on a rather disappointing 111 for 6, 14 runs behind.

Heavy rain during the tea interval delayed the start of the second innings by half an hour. The Muslims openers again failed to make much impression and once again it was left to Mo Fiaz (56), Z. Ali (20) and I. Alim (15) to push the score along. When they were out, however, the tail-enders could make nothing of the bowling of Brian Whitley (3 for 24) and Frank O'Brien (4 for 42) and in a rush of wickets the innings collapsed to 124 all out. O'Brien achieved an unprecedented feat in the Banks's League K.O. Finals by taking a hat-trick to end the Muslims' innings!

Set to make a daunting 139, by far the highest score of the match, Whittington showed that they had learnt the lessons of the first innings, by concentrating on working the good balls around to keep the scoreboard moving whilst despatching the bad ones to the boundary. Once again Litchfield dominated the innings, with assistance from Austin (20) and Bradburne (11). But with only four overs to go, still some way behind the scoring rate and with the light deteriorating fast, it was only some massive hitting by Litchfield (65 not out) and Whitley (12 not out) which enabled Whittington to charge to 141 for 4, grabbing victory off the fourth ball of the final over.

League Secretary, John Rees, thanked British Sugar for staging the match and invited the League's President, **The Lord Forester**, to present the trophies to the captains, players and scorers of both teams. Man of the Match, nominated by the umpires, Clive Parry and Ian Muten of Ellesmere, was **Grant Litchfield** for his match-winning aggregate of 118 for once out. Special mention was also made of the excellent performances by Mo Fiaz and Intikhab Alim with the bat and of Asrar Adalat and Frank O'Brien with the ball.

Man of the Match: Grant Litchfield (Whittington).

Umpires: Clive Parry and Ian Mutch (Ellesmere).

Losing Semi-Finalists: British Sugar and Pontesbury.

Scores: Telford Muslims 125-4 (Mo Fiaz 46 not out, Intikhab Alim 37, Steve Brunt 2-29, Nick Austin 1-17, Frank O'Brien 1-45) and 124 (Mo Fiaz 56, Zulfiqar Ali 20, Frank O'Brien 4-42, Brian Whitley 3-24, Steve Brunt 1-23, Nick Austin 1-33);

Whittington 111-6 (Grant Litchfield 53, Asrar Adalat 2-6, Qumar Zaman 2-29, Tariq Aziz 1-28) and 141-4 (Grant Litchfield 65 not out, Nick Austin 20, Asrar Adalat 2-19, Tariq Aziz 1-34, Qumar Zaman 1-44).

CONSTITUTION

1. NAME

The organisation shall be known as **The Shropshire Cricket League Sponsored by Banks's**, hereafter referred to as "the League".

2. OBJECT

To promote and develop the best interests of cricket in Shropshire and its bordering counties.

3. MEMBERSHIP

- (a) The League shall consist of member Clubs who satisfy the requirements of the League and Management Committee, hereafter referred to as "the Committee", with regard to status, playing strength and standard of grounds and facilities.
- (b) All member clubs must be affiliated to their relevant Cricket Board. Failure to do so could result in expulsion from the League.
- (c) The teams of member Clubs shall play in Divisions, as determined by the Committee.
- (d) There shall normally be promotion and relegation between Divisions. In exceptional circumstances the Committee may make other arrangements and shall notify all member Clubs of its decision.
- (e) Any club desiring admission to, or any member Club seeking to change the number of its teams in, the League, shall apply in writing to the League Secretary not later than 15th October, indicating the number of teams it wishes to enter next season. Each application shall be considered by the Committee in accordance with the requirements of Clauses 3(a) 3(b) and 3(c) above. In exceptional circumstances, applications received after the closing date may be considered.
- (f) Any member Club wishing to resign from the League shall give notice in writing to the League Secretary not later than 15th October.
- (g) Clauses 3(e) and 3(f) above shall not apply to any club promoted to or relegated from another recognised League forming part of the English Cricket Board's pyramid structure.
- (h) A member Club which removes its first team from the League shall be deemed to have resigned its membership: it may, however, apply to re-enter one or more of its lower teams and the application will be considered in accordance with the requirements of Clause 3(e) above.
- (i) The Committee shall have powers to require any member Club to resign from the League if, in its opinion, its general conduct or appointments do not satisfy the requirements of the League. Any member Club against which such action is proposed shall receive not less than 14 days notice in writing of the proposed action and shall be entitled to be represented at that part of the Committee meeting at which the matter is to be considered.
- (j) Any Club which ceases to be a member of the League shall at once forfeit any rights of participation in the assets of the League.
- (k) Following a recommendation from the Committee, the Annual General Meeting may confer the honour of Life Membership of the League on any person whom it considers worthy of special recognition by reason of services rendered to the League.

4. MANAGEMENT

Subject to the provisions of this Constitution, the control and management of the League shall be vested in the Management Committee, which shall make rules governing the general principles of the conduct of the League's affairs and shall have the powers to apply, create, alter or revoke such rules as it sees fit. The Committee shall have the power to convene a Special General Meeting of member Clubs.

5. MANAGEMENT COMMITTEE

- (a) The Committee shall consist of *ex officio* the Officers in 6(a) below and fifteen elected Members.
- (b) One-third of the elected Members shall be elected at each Annual General Meeting for a term of three years, after which time they shall retire from the Committee and, if they wish, offer themselves for re-election.
- (c) Not more than two elected Members from the same Club shall serve on the Committee at the same time.
- (d) At least seven days notice of meetings shall be given. Accidental omission to give notice of any meeting or non-receipt of such notice by any Committee member shall not invalidate any resolution passed at any such meeting.
- (e) The Chairman shall preside at meetings of the Committee. If the Chairman is absent the Vice-Chairman shall preside; if both are absent, the Committee members present shall, before any other business is transacted, choose one of their number to preside at the meeting.
- (f) One-third of the Committee shall form a quorum.
- (g) All questions arising at a Committee meeting, other than questions of order, shall be decided by a simple majority of votes: in the event of an equality of votes, the chairman of the meeting shall have a second or casting vote.
- (h) Committee members shall "declare an interest" when an issue directly affecting their own club is to be discussed and shall normally abstain from any vote on such matter.
- (i) The Committee may appoint sub-committees with such powers and terms of reference as it thinks fit.
- (j) The Committee shall have power to co-opt to fill a vacancy. Co-opted members shall serve until the next Annual General Meeting when the vacancy shall be filled by election.
- (k) The decision of the Committee is final.
- (l) Committee members are expected to attend all of its meetings. Anyone who fails to attend three or more consecutive meetings is liable to expulsion from the Committee.
- (m) Any Committee member whose club ceases to be a member of the League may be required, at the discretion of the Committee, to resign his position.

6. OFFICERS

- (a) The Officers of the League shall be the President, Chairman, Vice-Chairman, League Secretary, Treasurer, Fixtures Secretary and Registrations Secretary.
- (b) The Officers shall be elected annually at, and shall take office from the end of, the Annual General Meeting.

7. FINANCE

- (a) Each member Club shall pay to the Treasurer, not later than the end of April, an annual subscription for each team. Any club which fails to pay by the due date may be charged an additional penalty for each month or part of a month that it is in arrears. The amounts of the subscription and the penalty will be determined each year by the Committee and notified to all member Clubs.
- (b) If the subscription income is found to be insufficient to meet the League's needs, the Committee may levy an additional subscription on member Clubs.
- (c) The Committee shall cause proper account to be kept of all sums of money received and paid out by the League.
- (d) The financial year of the League shall end on 31st October.
- (e) The accounts of the League shall be examined annually by a qualified accountant, who shall certify their correctness.
- (f) A statement of accounts shall be presented by the Treasurer to the Annual General Meeting.

- (g) The funds of the League shall be invested as the Committee decides after considering the recommendations of the Treasurer and the day-to-day transactions shall be dealt with by and through one or more Bank accounts in the name of the League.
- (h) No moneys shall be paid from any account in the name of the League except upon the signatures of any two from the Chairman, Vice-Chairman, League Secretary and Treasurer who shall be the authorised signatories.

8. ANNUAL GENERAL MEETING

- (a) The Annual General Meeting, hereafter referred to as "the Meeting", shall be held in November each year or as practicable thereafter.
- (b) Notice of the Meeting shall be given in writing to all member Clubs at least twenty-eight days before the date thereof.
- (c) The President shall preside at the Meeting. If the President is absent the Chairman shall preside; if the Chairman is absent the Vice-Chairman shall preside; if all are absent, the member Clubs present shall, before any other business is transacted, appoint a chairman of the Meeting.
- (d) Nominations for President, Chairman, Vice-Chairman, League Secretary, Treasurer, Fixtures Secretary, Registrations Secretary and elected Members of the Committee shall be submitted in writing by member Clubs and received by the League Secretary at least seven days before the Meeting.
- (e) Each member Club shall have one vote. In the event of an equality of votes, the chairman of the Meeting shall have a single casting vote.
- (f) Proxy votes will not be accepted.
- (g) The Constitution may be altered at an Annual General Meeting or Special General Meeting only and such alteration shall require the assent of at least two-thirds of the votes cast.
- (h) Proposals to alter the Constitution must either be submitted by the Committee or be proposed and seconded by at least two member Clubs and received by the League Secretary not later than 30th September. The wording of any such proposed alteration to the Constitution shall be included in the Notice of Meeting.
- (i) One-third of the member Clubs shall form a quorum.

9. SPECIAL GENERAL MEETING

- (a) A Special General Meeting shall be called at the discretion of the Committee or on receipt by the League Secretary of a written request, signed by not less than one-third of member Clubs, stating the reason(s) why the meeting is being requested.
- (b) The provisions applicable to the Annual General Meeting shall, with the exception of 8(a) and 8(h) above, apply also to the Special General Meeting.
- (c) Proposals to alter the Constitution must either be submitted by the Committee or be proposed and seconded by at least two member Clubs and submitted to the League Secretary. The wording of any such proposed alteration to the Constitution shall be included in the Notice of Meeting.

10. TROPHIES

- (a) Trophies will be awarded to the Champions and Runners-up in all Divisions.
- (b) Additional awards may be made at the Committee's discretion.
- (c) Trophies remain the property of the League and must be returned in good condition to the League Secretary not later than 30th September. Any member Club failing to do so may be invoiced for the cost of a replacement.

11. FIXTURES

- (a) All League matches shall be played on the published dates.
- (b) Any Club which fails to fulfil a fixture shall be fined on a sliding scale for a first and second offence and is liable to be expelled from the League for a third offence in any one season. The amount of the fines shall be determined from time to time by the Committee and member Clubs shall be notified.

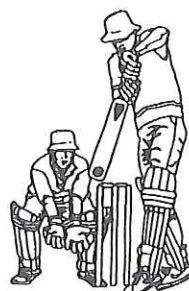

- (c) Member Clubs will be informed of the dates on which a League Representative XI may be taking part in a Competition. Clubs should not under any circumstances withdraw a player selected to represent the League in favour of a Club competition.

12. WINDING UP

- (a) The League may be wound up only by the passing of a resolution by a majority of at least two-thirds of the member Clubs present and voting at a Special General Meeting convened for the purpose of considering such resolution.
- (b) In the event of the passing of a resolution to wind up the League, the meeting at which such resolution is passed shall appoint a committee which shall be empowered to distribute the League's assets, including cash and investments, between member Clubs, or other organisations having similar aims and objects as the League, in such proportions as they may, by simple majority, decide, provided that the same shall not be paid to, or divided between, any individual members of the Committee or the Officers. The Chairman, League Secretary and Treasurer shall be *ex officio* members of that committee. In the event of an equality of votes the Chairman shall have a second or casting vote.
- (c) In the event that such committee is unable to reach a decision with regard to the distribution of the assets, the Chairman shall have power to refer the matter to an independent arbitrator, the costs, if any, of such arbitration being a proper charge on the assets of the League.
