The relative skill and age of the striker shall also be taken into consideration.

SAFETY RULES ON THE WEARING OF CRICKET HELMETS BY YOUNG PLAYERS

The England and Wales Cricket Board's safety guidlines on the wearing of cricket helmets by young players are as follows:

• It is recommended that a helmet is worn by young players when batting and when standing up to

ayers are as rollows:

It is recommended that a helmet is worn by young players when batting and when standing up to the stumps when keeping wicket against a hard cricket ball in matches and in practice.

A young player should not be allowed to bat or to stand up to the stumps when keeping wicket without a helmet against a hard ball except with written parental consent. Coaches, teachers, managers and umpires should always ensure that a young player wears a helmet if this written parental consent has not been received.

parental consent has not been received.

Players should regard a helmet with a faceguard as a normal item of protective equipment when batting against a hard ball, together with pads, gloves and, for boys, an abdominal protector (box).

There is a British Standard (BS7928:1998) for cricket helmets and it is in the best interests of players to ensure that their helmet conforms to this standard.

The ECB is recommending that this guidance is followed by all players up to the age of 18. It applies to young players in adult cricket as well as to all junior cricket played with a hard cricket ball.

The ECB is requesting that the new guidance is communicated to the parents or guardians of all young players through clubs and schools, and that parental consent is always obtained before young players are allowed to bat or stand up to the stumps when keeping wicket against a hard ball without wearing a helmet.

The ECB has also extended the existing regulations covering the minimum fielding distances for young players in all matches where a hard ball is used.

No young player in the Under 15 age group or younger shall be allowed to field closer than 8 yards (7.3 metres) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.

For players in the Under 13 age group and below the distance is 11 yards (10 metres).

These minimum distances apply even if the player is wearing a helmet

• These minimum distances apply even if the player is wearing a helmet.
• Should a young player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back.
• In addition any young player in the Under 16 to Under 18 age groups, who has not reached the age of 18, must wear a helmet and, for boys, an abdominal protector (box) when fielding within 6 yards (5.5 metres) of the bat, except behind the wicket on the off side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.
• These fielding regulations are applicable to all cricket in England and Wales. Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season.

Up to 13	4 overs per spell	8 overs per day
U14, U15	5 overs per spell	10 overs per day
U16, U17	6 overs per spell	18 overs per day
U19	7 overs per spell	21 overs per day

For the purpose of these Directives a fast bowler should be defined as a bowler to whom a wicket keeper in the same age group would **in normal circumstances** stand back to take the ball.

Having completed a spell the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his* spell have been bowled from the same end. A bowler can change ends without ending his current spell provided that he bowls the next over that he legally can from the other end. If this does not happen his spell is deemed to be concluded. If play is interrupted, for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end. If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match he cannot exceed the maximum number of overs per day for his age group even if he subsequently bowls spin. He can exceed the maximum overs per spell if bowling spin, but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end. If he bowls spin without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast.

Captains, Team Managers and Umpires are asked to ensure that these Directives are followed at all times.

GILTEDGE PAVING KNOCKOUT COMPETITION RULES

The purpose of the Competition is to enable teams from member clubs of all Divisions to play each other in an eleven-a-side evening knock-out tournament. The Competition is intended to provide additional cricket for those players who play regularly for their club in its League matches during the season.

ORGANISATION

- Teams will be drawn before the season starts and the fixtures will be published in the League's Handbook.
- Teams will be notified by the League Secretary who their opponent will be as the competition progresses.
- as the competition progresses.

 Matches must be played in accordance with these rules and results must be sent promptly to the League Secretary.

 The competitions are organised and run by the Knock-out-Competitions Sub-Committee.

ELIGIBILITY OF PLAYERS

- IBILITY OF PLAYERS

 All players must be bona fide members of the club for which they play in the Competition and must be registered with the League in accordance with Rule 3 of the League's "Rules and Playing Arrangements". To qualify to play in the Second and later rounds of the Competition, all players must have taken part in at least 20% of their club's Shropshire Cricket League matches played before that round. (Note: A League match which has been abandoned without a ball being bowled does not count when determining a player's eligibility.)
- No player may take part in the Competition if he plays in any other League on Saturdays.
- No player may play for more than one club in the Competition.
- PROVIDED application is made to the Competition. PROVIDED application is made to the Chairman of the Knock-out Competition Sub-Committee NOT LESS THAN SEVEN DAYS BEFORE the match is due to be played, explaining the reasons for the request, the League Knock-out Sub-Committee is prepared to consider a relaxation of Rule 3.2 when:—
 - (a) a club is genuinely unable to raise a full team of eligible players for a particular match; or
 - a club wishes to include a player who is unable to play for his club on Saturdays (provided Rule 3.3 does not apply in his case).
- 3.6 Any club found to have used an ineligible player will be expelled from the competition and may be debarred from entry in subsequent years.

MATCH ARRANGEMENTS

- Matches shall be played on the ground chosen by the home side,

- Matches shall be played on the ground chosen by the home side. Matches shall be played on the Wednesday evening of the specified week unless both clubs agree to play on a different evening of the same week. If clubs can not agree the date of their match, the Knock-out Competition Sub-Committee will instruct them when it shall be played and its decision will be binding on both clubs.

 If any club fails to fulfil a fixture without giving at least 48 hours notice to the opposing team it will be expelled from the Competition and the match will be awarded to the opposing team.

 If bad weather prevents a match being played or completed during the specified week, the clubs must re-arrange it immediately to take place not later than the following week and the home club must notify the Chairman of the Knock-out Competition Sub-Committee of the revised date within 24 hours.

- No match, other than one re-arranged in accordance with Rule 4.5, shall be played after the specified week.
- If any match is not played by the latest permitted date without good reason both clubs shall be expelled from the competition.
- Matches shall commence at 6.30 p.m. and prompt starts are essential.
- Each side shall have one innings consisting of a maximum of twenty six-ball overs. If there is a late start or if weather conditions make this desirable, the captains may, before the toss takes place, agree to reduce the number of overs.
- 4.10 The toss for innings shall take place not later than 6.20 p.m. In the event of a team not complying with this, the opposing team may, if it so wishes, claim the toss.
- 4.11 If one side is not ready to play by 6.45 p.m. that team shall be awarded to the other by default.
- 4.12 The match ball shall be provided by the home side; it shall be approved by both captains before the toss and used throughout the game. It need not be new but must be of good quality and in good condition.
- 4.13 No bowler may bowl more than one quarter (rounded up to the nearest whole number) of the agreed overs.
- 4.14 The interval between innings shall not exceed ten minutes.
- 4.15 No appeal against the light is allowed after the commencement of the second innings unless the umpires decide that it would be unreasonable or dangerous for play to continue.
- 4.16 A match is won by the side scoring the greater number of runs in the agreed overs; if the scores are level, the side which has lost fewer wickets shall be the winner; if the number of wickets taken is also equal, the side scoring the greater number of runs after half the agreed overs have been bowled shall be the winner. If these also are the same, the winner shall be decided by the toss of a coin.
- decided by the foss of a coin.

 17 It shall be the responsibility of the winning club to ensure that a fully completed official Shropshire League Knock-out Score Sheet, signed by both captains and umplies, is sent to the League Secretary, to arrive not later than two days after the match was played. Captains should note that the names of all players must appear on the Score Sheet, together with the number of matches which each player has played with that club in the League in the current season prior to the match.
- 4.18 The League Secretary will inform clubs who their opponents will be in the next round and will send an official Score Sheet to the home side.

FINAL

- The date and a neutral venue for the Final shall be determined by the Management Committee.
- 5.2 The league will provide two new balls of good quality, one for each team's
- Each team shall have two innings, each consisting of twenty six-ball overs. The captains may, however, agree, before the toss takes place, to reduce the number of overs, if the weather conditions make this desirable.
- No bowler may bowl more than one quarter (rounded up to the nearest whole number) of the agreed overs in an innings.

 If the scores are level at the end of the match, the side losing fewer wickets during the match shall be declared the winner. If the number of wickets lost is equal, the side scoring the greater number of runs in the first innings shall be the winner. If these are also the same, the trophy shall be shared.
- The players of both teams and the umpires will be presented with small trophies as mementoes of the occasion.
- The umpires will be invited to nominate, and a trophy will be presented to the Man of the Match.

UMPIRES

- The Knock-out Competition Sub-Committee will appoint umpires for the Semi-Finals and the Final. The League will pay them reasonable expenses.
- 7.2 If requested to do so, the Knock-out Competition Sub-Committee will endeavour to appoint umpires for matches in the earlier rounds of the competition; it will, however, be the responsibility of the team(s) making the request to pay the umpires' reasonable expenses.
- Umpires are urged to apply a strict and consistent interpretation of Law 25 "Wide Ball", especially to a ball delivered down the leg side and passing wide of the batsman standing in a normal guard position or passing more than 18" (450 mm) outside the off stump.

12. WINDING UP

The League may be wound up only by the passing of a resolution by a majority of at least two-thirds of the member Clubs present and voting at a Special General Meeting convened for the purpose of considering such stack titles.

In the event of the passing of a resolution to wind up the League, the meeting at which such resolution is passed shall appoint a committee which shall be empowered to distribute the League's assets, including cash and investments, between member Clubs, or other organisations having similar aims and objects as the League, in such proportions as they may, by simple majority, decide, provided that the same shall not be paid to, or divided between, any individual members of the Committee or the Officers.
