FOREWORD

Firstly congratulations to St Georges Cricket Club, who in the wake of an excellent 2003 campaign, which saw both their sides do exceptionally well in winning 'the Division One' and 'Reserve Division' titles, that earned them 'the right' of being promoted to 'the Birmingham League', and it goes without saying, that we wish them every success in their 'new surroundings'

Replacing St Georges in Division One, we welcome Quatt Cricket Club into 'the fold', who after winning 'the Shropshire Cricket League' Division One title, were then required to bring their ground up to the requisite standard, so complying with the document, governing 'the facility criteria', we hope and trust that all at Quatt Cricket Club, will feel that their efforts have been worthwhile, and that they will enjoy life in this League.

As most of you are aware, much debate took place last year about the merits and demerits of overseas players being allowed to participate in 'the Proactive Shropshire Premier Cricket League', and to 'cut a long story short', it was decided by member clubs, to continue the current policy, in accordance with the league regulations, by eight votes to four.

As always, may I take this opportunity of extending grateful thanks to the league officials, for their valuable efforts, in keeping me on an 'even keel', none more so than to our Secretary/Treasurer, Brian Kitson, who has also contributed, in no small measure to the producing of this years handbook.

Appreciations are also in order to 'The Shropshire Star', 'The Shrewsbury Chronicle' and 'BBC Radio Shropshire', for their respective coverage of league affairs, both on and off the field of play, throughout the year.

It would also be very remiss of me, not to mention the so vital part played by our panel of umpires, organised by Mike Sheehy, and to the respective club scorers, what would we do without them!

Finally here's wishing players, officials and followers of cricket, an enjoyable summer of sport.

18. SCORERS

Division One Clubs are reminded that they are responsible for providing a scorer in all Division One fixtures. Two people must be in the score box during the duration of the game. If this instruction is not followed, umpires may halt the game until such time as two people are in attendance in the score box.

19. E.C.B. FAST BOWLING DIRECTIVES

It is the responsibility of the Captain to inform the umpires, prior to the commencement of the match, of the names and relevant age group of any player under the age of 19 as at midnight on 31st August 2003.

Captains are expected to ensure that any fast bowler who falls within the under 19 age group and younger does not exceed the ECB Directives for maximum overs per spell, maximum overs per day and minimum rest periods between spells. If the circumstances of the match result in a situation where the available overs per day are bowled in more than the maximum number of spells it is essential that the maximum overs per spell and minimum rest period Directives are strictly followed.

In these circumstances, should the Captain refuse to withdraw the bowler, the umpire will inform the Captain that he will be in breach of the ECB Directives and therefore (a) he will personally assume full responsibility for this action including transfer of all legal liabilities to him from the umpires and (b) both Captain and bowler will be reported to the league.

On receiving such a report, the league will advise the relevant County Boards of the breach and may impose sanctions against the Club, Captain or bowler, which may include suspension and/or deduction of points.

The definition of a fast bowler, as one to whom the wicket keeper in normal circumstances would stand back to take the ball, should be interpreted according to the age group of the bowler - for example, if the bowler is under 17 would it be reasonable to expect an under 17 wicket keeper to stand up? If Captains have any doubt as to whether a young fast bowler is covered by the Directives they should consult the County Coach for the relevant age group guidance.

Please ensure that all Club Captains and Coaches are made aware of this procedure as soon as possible.

20. PROTECTIVE HELMETS

All batsmen, close fielders and wicket keepers standing up to the stumps, under the age of 18 on the last day of August, in the year proceeding in current season, must wear protective helmets. The Shropshire Cricket Board have directed that parental consent forms, will not override this requirement.

21. DISCIPLINE PROCEDURES

a. The Protest/Disciplinary Sub-Committee shall use their discretion when penalising clubs for fielding ineligible players or any other offence that is contrary to the Leagues Rules and Regulations

b. If umpires are of the opinion that a player has brought the game into disrepute, the umpires shall inform the player and his captain, immediately after the game has been completed, of the offence, and will report the player concerned, via the official match result sheet

c. Should a player be reported in this way, on two separate occasions, he may be subject to an automatic one match ban.

d. Any player reported, relative to the aforementioned, may appeal in writing to the Chairman of the Protest/Disciplinary Sub-Committee (B.J. Kitson), no later than seven days after the reporting of the alleged offence

These rules are binding on all players and clubs in the league and the Executive and respective Sub-Committee may take action against defaulting clubs or players

THE LAWS OF CRICKET

THE PREAMBLE - THE SPIRIT OF CRICKET

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the Captains.

1. There are two Laws which place the responsibility for the team's conduct firmly on the Captain.

Responsibility of Captains

The Captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

**SHREWSBURY CHRONICLE CUP KNOCKOUT
COMPETITION RULES 2004**

1 Objective – The objective of the competition is to promote an eleven-a-side evening knock-out competition in Shropshire and surrounding areas. The matches will be played according to the M.C.C. Laws of Cricket (2003 Code) modified as under 3 below.

2 Organisation – The 'Shrewsbury Chronicle Knock-Out Competition' shall be open to all twelve Shropshire Premier Cricket League Clubs, plus invited clubs, as determined by the League's Knock-out Sub-Committee.

3 Rules

Law 1

(a) Each player must be a boni-fide member of the club he represents on the date the competition starts (3rd June, 2004)

(b) A player who is a member of more than one club can play only for one club in the competition.

(c) Any team failing to fulfil a fixture at any stage of the competition shall be automatically excluded from the following year's competition and will also be barred from entry in future years. Applications for re-admittance must be made to the league Executive Committee by no later than 1st October in the preceding year.

Law 3

(a) Umpires should note that no appeal against the light shall be allowed after the commencement of the second innings unless both captains agree that further play is undesirable.

Law 5

(a) A new ball will not be used, but a suitable re-polished or re-varnished ball of sound quality, which is acceptable to both captains, will be used throughout the game.

Law 12

(a) Excepting Finals, each side will have one innings consisting of twenty six-ball overs

(b) Provided that both captains agree prior to the commencement of play, the match may be contested over a lesser number of overs in the event of bad weather or a late start.

(c) Before the toss for innings, the umpires shall acquaint themselves with the number of overs agreed upon by the two captains.

Law 16

(a) The interval between each innings shall be not more than ten minutes.

Law 21

(a) A match is won by the side scoring the higher number of runs in the agreed number of overs. In the event of scores being level, the side losing fewer wickets shall be declared the winner. If this is also equal, the side scoring the greater number of runs in the first ten overs (or at the half way point in their innings if different) shall be the winner. If this is also equal, the match is tied and will be replayed on a ground chosen by the visiting team.

Law 22

(a) No bowler may bowl more than five overs out of the allotted twenty. If a match of fewer overs is agreed upon, no bowler may bowl more than one quarter of the total.

Law 25

In addition to the normal provisions covering 'wide ball', the following criteria should be adopted as a guide to umpires-

(i) In Knock-Out fixtures umpires are instructed to apply a strict and consistent interpretation of the law covering "wide ball" in order to prevent negative bowling - especially down the leg side or over the batsman's head, thus making it virtually impossible, in the umpires opinion for the batsman to play a normal 'cricketing stroke'.

(ii) If the ball passes over head height of the batsman - standing upright at the crease, the umpire shall call and signal 'no ball'.
Note: The aforementioned provisions do not apply if the striker makes contact with the ball or if it passes below head height between the striker and the wicket.

Restriction on placement of fielders

At the instant of delivery, a minimum of four fielders (plus bowler and wicket-keeper) must be within an area bounded by two semi-circles, centred on each middle stump, each with a radius of 30 yards and joined by a parallel line on each side of the pitch. In the event of an infringement the square-leg umpire shall call 'no-ball'. The fielding circles may be marked by white painted dots at five yard intervals or if possible by white plastic or rubber (not metal) discs measuring approximately seven inches in diameter.

4. FIXTURES

(a) The Shrewsbury Chronicle Knock-out Competition rules shall be forwarded to all participants prior to the start of the season and for the benefit of Proactive Shropshire Premier Cricket League Clubs the full draw and dates on which ties are to be played will be published in the League Handbook

- (b) The draw will be pre-drawn to the semi-final stage. The tie shall be played on the ground chosen by the side drawn at home however if for any reason other than inclement weather conditions the side drawn at home are unable to host the tie on the Conference Date, the tie will take place on their opponents ground.
- (c) Each round of the competition will be played on a conference date specified by the Knock-out Sub-Committee and printed in the League Handbook. However, in the event of both teams agreeing, the match may be played on an earlier date than that which is laid down in the Rules providing the Knock-out Competition Sub-Committee is notified at least forty-eight hours prior to any such rearranged match.
- (d) In the event of inclement weather not allowing the match to be completed on the conference date, a revised date (within fourteen days of the original) must be agreed by both clubs immediately and communicated within 24 hours to a member of the Knockout Sub-Committee by the home club. Failure to agree on a new date will result in the Knock-out Sub-Committee defining a date on which the match shall take place.
- (e) No match shall be played after the conference date - other than one rearranged under Rule 4(d) if it is found that clubs do arrange a match after the conference date, both clubs will be expelled from the competition.
- (f) If either club is unable to play on the conference date and are not able to agree an earlier date they shall forfeit the match.
- (g) Matches shall normally commence not later than 6.15 pm on the day arranged. The umpires shall call play not later than 6.45 pm and any side refusing to play shall lose the match.
- (h) Prompt starts are essential and the toss for Innings shall take place at least fifteen minutes before the scheduled starting time of 6.15 pm. In the event of a team not being available to comply, the opposing team may, if it so wishes, exercise the right to claim the toss.
- (i) The winning clubs - in each round of both competitions - shall notify the Knock-out Organising Sub-Committee of the result within 48 hours of the fixture taking place.
- (j) After each round of both competitions, the home side are responsible for notifying their opponent and the Knock-out Organising Sub-Committee as soon as possible, in regard to whom they must play in the following stage.

5. FINALS

- (a) The final of the competition shall be played on an afternoon basis on dates to be ratified by the Knock-out Sub-Committee.
 - (b) A neutral ground selected by the Knock-out Sub-Committee shall be used. In the event of no ground being available the two sides will toss a coin to decide on a venue of the winners choosing.
 - (c) The finals shall be played over two innings each side of twenty overs per innings which shall be taken alternately. No bowler may bowl more than five overs in each innings.
 - (d) In the event of the scores being equal at the end of the match the side losing fewer wickets shall be declared the winner. If this is also equal, the side scoring the greater number of runs in the first twenty overs of their innings shall be the winner. If this is also equal, the final shall be re-played.
 - (e) The Organising Committee will provide two new balls for the final.
 - (f) The members of teams competing in the final will be presented with small trophies as mementoes of the occasion.
- #### 6. UMPIRES

All Shrewsbury Chronicle Knock-out ties shall be taken charge of by umpires appointed by the Shropshire Association of Cricket Umpires and Scorers.
