

## **GUIDANCE FOR HODNET PLAYERS PLAYING AT HOME**

Dear Player,

In these strange times, we are taking all precautions possible to get the game on and help everyone stay safe. It is important you comply, in good spirit, with all instructions no matter how petty they may seem. Remember, everyone is doing their best to keep each other safe and we may do things differently than other clubs.

1. You must self-screen for Covid-19 before coming to Hodnet & Peplow and must not leave home if you have any symptoms. Please contact your Captain immediately in the event of feeling unwell
2. Bring your own hand sanitiser with you. We suggest you also buy some sanitiser wipes
3. Bring your own tea with you, it will not be provided
4. There will be no access to the changing rooms, so you should arrive in your playing kit
5. Plan your travel beforehand to comply with the rules
6. Hand sanitiser will be available on the benches around boundary for use every 6 overs.
7. Sanitiser wipes will be available for fielding Captain to wipe the ball every 6 overs
8. If you are bowling straight after a break, make sure your hands and the ball are dry
9. Only umpires to touch stumps and bails which will be sanitised between innings
10. Fielders should return the ball directly to the bowler
11. Markers 2m parallel to square will show where non striker should stand and run
12. Sanitise your bat after your innings, no matter how short!
13. Should you develop symptoms following the game please contact your Captain or myself immediately
14. We are obliged by the ECB guidance to point out that there is an increased risk of transmission of the virus by participating in even socially distanced group activity and by playing in the upcoming game, you accept that risk

**Above all please use common sense and look after each other.**

If you have any questions please speak to your Captain (Dave TUNKS) or Secretary (Matt Watkins) or myself.

Kind regards  
Kev George  
Chairman
