## CLUB HOUSE

### NEW COVID regulations

Risk Assessment overview

(ALL VISTORS and MEMBERS please read)

Updated 27/03/2021

As members and players, we **ALL** need to play our part in keeping the facilities and venue safe and accessible for all.

We have put in place some basic structure to the use of facilities on match and training days.

The Clubhouse plays a big part of the Cricket experience and we have worked hard as a Committee to make the new regulations work for **Our Club**.

A deep clean and lots of planning has gone into making the use of the facility possible.

**Please help us to make this work and we can continue to use and enjoy our facility.**

#### **BAR AREA**

- There is NO access to the bar area. (except toilet use)
- Drinks will be ordered from the door or table service
- RULE OF 6 to be ADHERED to in the OUTSIDE SEATING area
- Track and trace in operation OR
- A contact form will be in use as you enter the Bar area  
(1 per family, per visit) -Times and dates of visit and contact details.
- Follow the distancing markings.
- Cashless CARD payments, at all times (if possible)
- NO sitting or standing in the bar area.

- Disposable cups will be used where possible.
- Hand sanitizers available
- Increased cleaning in operation throughout the day.
- Masks if social distancing cannot be adhered to.

### **TOILETS**
