Whitchurch Cricket Club

Guidance for Umpires and Scorers – Step 3

Dear Umpire / Scorer,

We look forward to welcoming you to Heath Road.

In these strange times, we have taken all precautions in terms of risk assessment, cleaning, sanitising etc. and please find following some guidance to make your visit as enjoyable as possible:

1. Car Park will be open as normal
2. Players have been advised that the changing rooms will be open but access is restricted to 6 persons at a time. The umpire's changing room will be available; maximum capacity is 2
3. Pavilion will be in use for hospitality; a one-way system is in place for the pavilion; entry is via the fire escape door at the end of the building and exit is via the main doors
4. Hand sanitiser will be available for use every 6 overs
5. Sanitiser wipes will be available for fielding Captain to wipe ball every 6 overs
6. Please ensure bowlers hands and the ball are dry before resuming after a sanitising break
7. Only Umpires to touch stumps and bails (at their end only) which will be sanitised between innings
8. Fielder should return ball directly to bowler
9. Scorers will be sited in or to side of the scoreboard and will use the electronic scoreboard.
10. A First Aid kit, including disposable gloves, is located in the pavilion kitchen; if required, please request it from the bar staff
11. Sadly, there will be no teas so please bring your own. The Bar will be open according to government guidelines; table service only
12. Should you develop any symptoms following the game please contact me immediately and we will, of course, do the same
13. In line with Government and ECB guidelines, hospitality is allowed whilst the game is in progress
14. There is a legal requirement to record participant and attendee contact details for the purposes of NHS Test and Trace and Whitchurch Cricket Club will ensure that data is collected in accordance with data protection law.

Above all we ask everyone to apply common sense and look after each other.

Enjoy your visit and if you have any questions please speak to the Whitchurch Captain or ask for Vice- Chairman, Jon Sherwood or myself.

Kind regards

Iain Marsh (Chairman)
